**RE: Sprint Communications Company L.P.
Surrender of Authorizations to Provide Local Exchange and Interexchange Services**

Dear Ms. Bridwell:

Sprint Communications Company L.P. ("Sprint Communications") respectfully notifies the Kentucky Public Service Commission ("Commission") that it is requesting cancellation of its authorizations to provide local exchange and interexchange services in the Commonwealth of Kentucky.

In Case No. 9030, the Commission granted Sprint's application for a certificate of public convenience and necessity to provide intrastate interLATA toll service.¹ Sprint subsequently filed a competitive local exchange carrier ("CLEC") tariff which became effective on August 20, 1999 and received approval of an interconnection agreement with BellSouth from the Commission in Case No. 2000-480² before offering local exchange services. The Commission subsequently granted Sprint expanded authority to offer competitive local exchange services in local exchanges in which BellSouth, Alltel, SW Bell, GTE, CenturyTel, Spectra, and Sprint were incumbent providers.

¹ *The Application of the GTE Sprint Communications Corporation for a Certificate of Public Convenience and Necessity to Offer Intercity Telecommunications Services to the Public in the Commonwealth of Kentucky and for the Establishment of Initial Rates*, Case No. 9030 (Ky. PSC Nov. 21, 1984).

² *Petition of Sprint Communications Company L.P. For Arbitration with Bellsouth Telecommunications, Inc. Pursuant To Section 252(B) of the Telecommunications Act of 1996*, Case No. 2000-480 (Ky. PSC Sept. 13, 2000).

Sprint Communications has obtained the required approvals from the Federal Communications Commission to discontinue service and no longer has customers receiving any basic local exchange or intraLATA services requiring a certificate.³ Accordingly, there are no customers to be notified regarding this request, and the surrender of Sprint Communications' certificates will not adversely affect consumers in Kentucky. Any current Sprint Communications customers in Kentucky are either large enterprise or wholesale customers and purchase VoIP services according to terms and conditions set forth in a private negotiated service agreement.

Concurrent with this cancellation, Sprint is hereby withdrawing P.S.C. KY Tariff No. 3.

Sprint Communications understands that formal application to the Commission is not required to surrender its certificates.

Please acknowledge receipt of this filing by date-stamping this letter in electronic medium and return to me by email at your convenience.

Please contact me if you have any questions.

Sincerely,

Kendrick R. Riggs
