Re: TTI National, Inc. Cancellation of Certificate of Public Convenience and Necessity

Dear Mr. Lyons:

TTI National, Inc. ("TTI"), Utility ID 5122700, respectfully requests the Commission cancel its Certificate of Public Convenience and Necessity to provide resold intrastate interexchange telecommunications service in Kentucky.

Due to an internal restructuring, and following advance notice sent to its customers on July 28, 2017, TTI transferred its customer base to another wholly-owned Verizon affiliate, MCI Communications Services, Inc. d/b/a Verizon Business Services ("Verizon Business"), effective November 1, 2017. Verizon Business, Utility ID 5132500, is authorized by the Commission to provide intrastate interexchange telecommunications services in Kentucky. TTI no longer has any customers or operations in the state, and therefore requests cancellation of its certificate of authority no later than **December 1, 2017**.

An original and three copies are enclosed for filing. Please acknowledge receipt of this correspondence by date-stamping the extra copy and returning it to me in the enclosed, self-addressed, stamped envelope.

If you have any questions about this matter please do not hesitate to contact me.

Respectfully submitted,

Karl Tucker
