Re: Notification of Name Change of Teleglobe Business Solutions to eMeritus Communications, Inc.

Dear Ms. Helton

On behalf of Teleglobe Business Solutions, ("TBS" or "Company"). This letter is to notify the Public Service Commission of Kentucky ("Commission") of the Company's intention to change its name to eMeritus Communications, Inc. ("eMeritus"). A copy of the Amended Certificate of Authority to Transact Business in the State of Kentucky attached hereto as Exhibit A. Also enclosed as Exhibit B for the Commission's reference is a copy of the notice that TBS will provide to each of its customers to advise them of the name change.

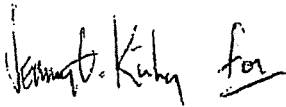

By way of background, TBS provides interexchange telecommunications services in the State of Kentucky pursuant to certification issued in Case No. 95-246 (August 30, 1995) (IXC authority) and Case No. 96-223 (June 19, 1996)(local authority). TBS does not currently provide local exchange services in Kentucky. Including Kentucky, TBS authorized to provide intrastate interexchange and/or exchange telecommunications services in 48 jurisdictions, pursuant to certification, registration, or (where appropriate) deregulation. TBS is also authorized by the Federal Communications Commission ("FCC") to provide resold and facilities-based international message telecommunications services between the United States and various international points.

TBS has determined that the name change from Teleglobe Business Solutions to eMeritus Communications, Inc. will be a valuable step in developing the Company's telecommunications services and in implementing its ongoing business plan. The name change will not in any way inconvenience or cause harm to TBS' customers. Attached hereto as exhibit C is TBS' revised tariff indicating the name change. Consumers will continue to be provided high quality, affordable services by the Company under the name eMeritus Communications, Inc.

Upon review of Kentucky statutes and Commission rules, it is the understanding of the Company that prior Commission approval is not required for the proposed name change. Therefore, absent receipt of written notification to the contrary, the Company will, within thirty (30) days, proceed on the understanding that no approval or other formal action with respect to the name change is required.

An original and four (4) copies of this filing are enclosed. Please date-stamp the enclosed extra copy of this filing and return it to the undersigned in the enclosed self-addressed, stamped envelope. Should you have any comments or questions regarding this filing, please do not hesitate to contact me at 202-331-4295 or mgreene@excel.com.

Respectfully submitted,

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)**2.17 Advance Payments**

Carrier may require a Customer to make an advance payment before services or facilities are furnished. The advance payment will not exceed an amount equal to two-months estimated charges, as determined by Carrier. The advance payment will be credited to the Customer's bill. An advance payment may be required in addition to a deposit.

2.18 Deposits

Carrier may require a Customer to make a deposit to be held as a guarantee for the payment of charges. A deposit does not relieve the Customer of the responsibility for the prompt payment of bills on presentation. A deposit may be required in addition to an advance payment. The deposit will not exceed an amount equal to:

- 2.18.1 Two (2) month's charges for a service or facility which has a minimum payment period of one month; or
- 2.18.2 The charges that would apply for the minimum payment period for a service or facility which has a minimum payment period of more than one month; except that the deposit may include an additional amount in the event that a termination charge is applicable.

- (A) When a service or facility is discontinued, the amount of a deposit, if any, will be applied to the Customer's account and any credit balance remaining will be refunded. Before the service or facility is discontinued, Carrier may, at its option, return the deposit or credit it to the customer's account.
- (B) Deposits held will accrue interest at a rate no lower than that specified by the applicable regulatory commission.
- (C) Customers whom the Carrier believes present a credit risk may also be required, at any time, to provide other assurances of, or security for, the payment of the Company's charges for its services as the Company may deem necessary, including without limitation, advance payments for Service, third party guarantees or payments pledges or other grants of security interest in the Customers' assets, and similar arrangements. The required deposits or other security may be increased or decreased by the Company as it deems appropriate in the light of changing conditions.

2.19 Late Payment Charges

Any charges accrued under this tariff that are not paid in full within the time provided will be subject to a late payment charge of 1.5%.

SECTION 3 - DESCRIPTION OF SERVICE, (CONT'D.)**3.4 Calculation of Distance**

Usage charges for mileage sensitive services vary based on the type of service subscribed to by the Customer. For services utilizing switched access, mileage measurements for rate schedules are based on the distance in airline miles between rate centers associated with the originating and terminating stations. For services utilizing dedicated access, mileage measurements for rate schedules are based on the distance in airline miles between the Teleglobe network access point associated with the station utilizing Dedicated Access Origination/Termination and the rate center associated with the called/calling station.

The distance between the originating and terminating points is calculated by using the "V" and "H" coordinates of the serving wire centers as defined by BellCore (Bell Communications Research), in the following manner:

- Step 1: Obtain the "V" and "H" coordinates for the serving wire center or network access point serving the Customer's location and the called/calling station.
- Step 2: Obtain the difference between the "V" coordinates. Obtain the difference between the "H" coordinates.
- Step 3: Square the differences obtained in Step 2.
- Step 4: Add the squares of the "V" difference and "H" difference obtained in Step 3.
- Step 5: Divide the sum of the square obtained in Step 4 by ten (10). Round to the next higher whole number if any fraction results from the division.
- Step 6: Obtain the square root of the whole number obtained in Step 5. Round to the next higher whole number if any fraction is obtained. This is the distance between the originating and terminating locations of the call.

Formula:

$$\sqrt{\frac{(V_1 - V_2)^2 + (H_1 - H_2)^2}{10}}$$

SECTION 3 - SERVICE AND RATE DESCRIPTION, (CONT'D.)

3.5.36.1 Excel Prime Business Select 4 Service

Excel Prime Business Select 4 Service is a combined inbound, outbound and calling card service offered to business Customers. Customers are billed at per minute rates based on Combined Monthly Usage volumes, and discounted rates are applied based upon the Customer's billed monthly usage. Combined Monthly Usage is defined as the Customer's billed usage for a monthly billing period for the combined total of interstate, intrastate, international and service calling card usage for a month billing period. Directory Assistance charges, monthly recurring charges, service fees, surcharges and taxes are not included in the determination of the Customer's Combined Monthly Usage.

Customers to this service offering commit to Combined Monthly Usage of \$100.00, hereinafter referred to as the \$100.00 Monthly Minimum Commitment. In the event Customer does not meet the \$100.00 Monthly Minimum Commitment during any monthly invoice period, the Customer will be responsible for paying a deficiency charge for that invoice period. The Customer's deficiency charge will be the difference between the Customer's \$100.00 Monthly Minimum Commitment and the Customer's actual Combined Monthly Usage.

Customers subscribing to this service must commit to a term of 12 months. A service term begins on the first day of the month following service enrollment. When the Customer's 12-month service term expires, the Customer's service will automatically renew for another 12-month period, unless the Company receives in writing a notice of non-renewal during the period between 60 and 30 days prior to the end of the Customer's 12-month term period.

In the event a Customer terminates service with the Company prior to the end of the 12-month Term Commitment Period, or in the event that the Company terminates service based on the Customer's default, the Customer will be responsible for paying a Termination Charge equal to the Customer's \$100.00 Monthly Minimum Commitment, multiplied by the number of months remaining in the Customer's agreed 12-month Term Commitment period.
