**SECTION 4 - RATES****4.1 Teleglobe Rate Schedule****General**

Each Customer is charged individually for each call placed through the Company. Customers are billed based on their use of Teleglobe's long distance service. Charges may vary by service offering, time of day, day of week, volume discount schedule and/or call duration.

For the purpose of computing charges in this tariff, a month is considered to have thirty (30) days.

Special access channels, if utilized, are provided and billed to the Customer by the Company or by an authorized access provider, such as a Local Exchange Company. Company-provided special access channels are provided in conjunction with interstate service only. Interstate rates and charges apply. Rates for Special Access channels are determined by the access provider. All charges associated with the provision of Special Access channels are the responsibility of the Customers.

4.6 Calling Club Referral Program

Customers who have selected Teleglobe as their primary interexchange carrier or who access Teleglobe service via "10xxx" dialing are eligible to participate in the Calling Club Referral Program. Participants in the Calling Club Referral Program will receive a discount equal to 5% of the monthly Teleglobe long distance usage generated by customers whom they refer to Teleglobe.

For the purposes of this program, "usage" is defined as charges for interstate, interLATA and intraLATA long distance calls placed over the Teleglobe network. Directory assistance, non-recurring or recurring fees and taxes are not considered usage and are therefore not eligible for the monthly discount.

The discount will be calculated monthly and applied to the Calling Club Customer's monthly bill in the form of an electronic credit or a check made payable jointly to the Customer and the LEC.

4.6.1 In order to receive Calling Club discounts, the following conditions must be observed:

- (A) Calling Club Customer must maintain a LEC account in an area within Teleglobe's originating service area.
- (B) Calling Club Customer must make at least one billable Teleglobe long distance call per month or they forfeit that month's referral discount.
- (C) Calling Club Customer's Referral Customer must make at least one billable Teleglobe long distance call every 3 months. Should a Referral cease using Teleglobe for a period longer than 3 months, the Referral may be purged from the Teleglobe billing database and disassociated from the Customer's account.

4.6.1 (cont'd.)

- (D) Calling Club Customer must properly register the Referral Customer with Teleglobe prior to accumulating or receiving discounts. Customers may register the Referral customer by dialing a designated toll-free number and speaking with a Teleglobe representative or by completing a special enrollment form and submitting it to Teleglobe. In order to receive discounts, Customers must provide Teleglobe with accurate information regarding the Referral customer for entry into the Teleglobe billing database. Customers are responsible for notifying Teleglobe of changes in their Referral Customer's billing information.
- (E) The Referral Customer must maintain a LEC account in an area within Teleglobe's originating service area.
- (F) The Referral Customer must be a new Teleglobe user, defined as not having used Teleglobe within the past 12 months.

4.6.2 Teleglobe reserves the right to discontinue or change this plan at any time. The Company also reserves the right to suspend the Calling Club Referral Program on a case by case basis, should the Company believe that the referral program is being used for fraudulent purposes.
