Dear Ms. Spear,

We received your letter concerning the mail you have tried to send us. The reason for the disconnected phone numbers and returned mail is because we are out of business. We sent you the report of gross revenues as a final filing. We have not been in business at all in 2004.

If you wish to send any further correspondence, you can send it to our attorney's office shown below, since we no longer have a place of business.

Thank you.

TARIFF FORMAT

- A. Page Numbering - Page numbers appear in the upper right corner of the page. Pages are numbered sequentially. However, new pages are occasionally added to the tariff. When a new page is added between pages already in effect, a decimal is added. For example, a new page added between pages 14 and 15 would be 14.1.
- B. Page Revision Numbers - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current page version on file with the Kentucky P.S.C. For example, 4th Revised Page 14 cancels the 3rd Revised Page 14. Because of various suspension periods, deferrals, etc. the Kentucky P.S.C. follows in its tariff approval process, the most current page number on file with the Kentucky P.S.C. is not always the tariff page in effect. Consult the Check Sheet for the page currently in effect.
- C. Paragraph Numbering Sequence - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:
- 2.
  - 2.1.
  - 2.1.1.
  - 2.1.1.A.
  - 2.1.1.A.1.
  - 2.1.1.A.1.(a).
  - 2.1.1.A.1.(a).I.
  - 2.1.1.A.1.(a).I.(i).
  - 2.1.1.A.1.(a).I.(i).(l).
- D. Check Sheets - When a tariff filing is made with the Kentucky P.S.C., an updated check sheet accompanies the tariff filing. The check sheet lists the pages contained in the tariff, with a cross reference to the current revision number. When new pages are added, the check sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (\*). There will be no other symbols used on this page if these are the only changes made to it (i.e., the format, etc., remains the same, just revised revision levels on some pages). The tariff user should refer to the latest check sheet to find out if a particular page is the most current on file with the Kentucky P.S.C.

SECTION 2 - RULES AND REGULATIONS (Cont'd)

2.13 Dispute Resolution

Any dispute arising from or relating to this tariff, that is not resolved according to published and applicable regulatory process, for example, those rules governing challenges to Company's authorization to serve as your primary interexchange carrier, shall be resolved through mediation between Company and customer within 30 days of Company's receipt of the dispute. If the dispute is not resolved by mediation, the dispute at the customer's option may be submitted to binding arbitration before a neutral arbitrator. If customer does not choose to arbitrate, Company at its option may provide customer with a refund or credit of the full amount of the charges outstanding at the time Company receives notice of the dispute. Upon customer's receipt of the credit or refund, the dispute will be resolved and by such respective actions, Company and customer mutually release and forever hold harmless the other from any further liability or claims with respect to the dispute. Nothing herein shall be construed to prevent customer from first seeking relief from the appropriate regulatory agency.

If arbitration is undertaken, each party shall contribute equally to the cost thereof and no award in favor of customer shall conflict with the limitations of liability provisions of this tariff.

SECTION 4 - RATES

4.1 Description of Rates

Services are available to subscribers under the following rate plans. Calls in each rate plan are billed in increments with minimum billing increments as specified. No charge is made for an uncompleted call.

4.2 Introduction to and General Terms and Conditions Governing Company's Service Rates.

To meet the various calling patterns of its customers and the competitive offers of other carriers, Company varies its rates according to the monthly usage patterns of each customer. In addition, Company uses industry standard pricing factors such as distance, time-of-day, volume commitments, basic services, term commitments, promotional pricing and credits, and/or combinations of any of these to offer customer-specific call plans. For customers without a customer-specific calling plan, all calls are billed in full-minute increments. Service under all plans is provided between in-state locations served with equal access and is offered only in combinations with Company's interstate and international services, the rates, terms and conditions of which are posted at Company's web site, www.WCSS2001.com. Company does not offer local exchange or extended area telephone service. Optional Services available to qualified customers include personal toll-free calling and calling card services. Company's Optional Services are offered on a standalone basis or in combinations of the customer's choosing, subject to the terms and conditions of this tariff and Company's web-posted tariff referred to above and incorporated by reference herein. Unless otherwise provided by state law as to any in-state services, Company adheres to and follows the policy enunciated by the United States Supreme Court known as the filed tariff doctrine. State, local and Federal taxes, assessments, fees and surcharges and Company's account maintenance and monthly service fees apply as set forth in the Miscellaneous Charges section following. Company's billing cycle will not exceed a 30-day period, but may be billed in cycles of less than 30 days.

4.10 WCSS Partners Calling Plan

The WCSS Partners Calling Plan is distance and time-of-day insensitive with limited calling options. The flat monthly rate for this plan is \$19.75 for a block of minutes (365 minutes/month) for calls to other WCSS customers. Calls to Non-WCSS partners and calls above the monthly allocation are charged at \$0.10/minute. This offer may be withdrawn at any time without notice and other restrictions may apply. You are eligible for one month's free service for each end user you recommend to us that, within 30 days of your referral, becomes a WCSS customer. Your credit will be awarded after your recommended end user has been a customer for three consecutive months and has incurred no late fees or other delinquency charges. Additionally, no more than one credit per billing cycle will be provided. Additional credits earned will be staggered over subsequent billing cycles so that no more than one credit is provided during any two consecutive billing cycles. Example: In May, you recommend 4 end users to be WCSS customers. Within 30 days of our receipt of your recommendation, e.g., June 10, three end users become WCSS customers and one does not. Two of the three customers complete three months of uninterrupted service by October 1<sup>st</sup> with no late payment or other delinquency charges and one drops WCSS service after three months but has incurred a late payment fee for the second billing cycle. Your first monthly credit will be made in the November billing cycle. Your second monthly credit will appear in the January cycle.
