MINIMUM BILL: \$4.20 per month for which 200 cu. ft. or less of water shall be delivered.

DELAYED PAYMENT CHARGE: 10% will be added if bill is not paid by the 10th day after billing date.

ANNUAL RENTAL FOR FIRE PROTECTION: In cases where the Utility is required to provide water services to industrial plants and other large facilities which require considerably larger diameter water lines, firehydrants and other facilities, the expenses for which cannot be recovered through the prescribed rates and charges because there is normally no usage of water except in the event of fire at which time the water is not metered, such unusual costly facilities are paid for by the industrial plant or other larger consumer. The usual stand-by rates charged for this service as follows:
