CAMPBELL COUNTY WATER DISTRICT

RULES AND REGULATIONS

DIVISION III - FIRE HYDRANTS

1. The District will install and maintain fire hydrants within a city at no cost to the city for a yearly rental fee of \$40.00 per hydrant per year.
2. The District will install and maintain fire hydrants within a city and bill said city for the cost of the installation and a fire hydrant rental charge of \$9.00 per hydrant per year.
3. The Campbell County Water District will install fire hydrants in an unincorporated area of the county where distribution mains are adequate for fire protection subject to the following requirements;
 - a. A written request by the majority of the water customers to be served by said hydrant is required.
 - b. A letter from the Kentucky Inspection Bureau stating that a credit rating will be given on the insurance premiums after the installation of the fire hydrant.
 - c. Fire hydrant location will be determined by the Campbell County Water District Superintendent in a manner to provide the greatest fire protection for water customers within the hydrant area.
 - d. Fire hydrant service charges shall be added to each customer's bill where the property is within 1,000 feet of hydrant location. The 1,000 feet shall be measured from the fire hydrant along the center line of existing and passable roads and, or driveways.
