RULES AND REGULATIONS

DIVISION VII - SERVICE INSTALLATIONS

1. Any property owner or prospective water user desiring water service and the installation of the service branch into the premises shall apply at the District Office. The owner or water user shall, in signing the application, agree to be bound by all of the provisions of this operating code and as it may be amended from time to time. No service branch shall be installed to serve property which does not abut the street or road of which the service main is located without specific approval of the District. Every building wherein water is used shall have a separate service branch and meter provided, however, that any variation in this respect may be authorized by the District. The District reserves the right to specify the size service branch for each installation. When application for a service branch installation is made a tapping fee shall be paid according to the following schedule:

(I)	3/4" Service Branch	\$275.00
(I)	1" Service Branch	\$575.00
(I)	1½" Service Branch	\$675.00
(I)	2" Service Branch	\$775.00

All over 2", actual cost of installation plus 10%

Crossing Four (4) Lane Highway in addition to the foregoing \$150.00

The above tapping fee includes the installation of a Read-O-Matic Meter or an outside meter pit

RULES AND REGULATIONS

DIVISION XI - WATER MAIN INSTALLATIONS (Cont'd)

- 3. The District reserves the right to require all transmission mains constructed hereunder to be at least as large in diameter as the main to which it is connected and shall be a minimum of 6" in diameter in subdivisions and improved areas and shall be greater in diameter where the District believes the future growth of the area warrants.
- 4. Failure to comply with any of these rules and regulations shall be sufficient justification for the Water District to discontinue the service.

DIVISION XII - SPECIAL CONTRACTS

- 1. The District reserves the right to provide special services for a user on a contract basis.
