RULES AND REGULATIONS

2. All bills not paid on or before the past due date shall be deemed delinquent. The district may serve a customer a written final notice of said delinquency. If delinquent bill is not paid withing ten days after date of such final notice, the water supply to the customer may be discontinued without further notice.

3. Meters will be read monthly between the 15th and 20th of each month.

F. Where the water supply to the customer has been discontinued for non-payment of delinquent bills, a charge of \$ 1.00 will be made for reconnection of water service, but the reconnection will not be made until after all delinquent bills and other charges, if any, owed by the customer to the district have been paid.

G. The District reserves the right to request a nominal sum be placed on deposit with the District for the purpose of establishing or maintaining any customer's credit.

H. All meters shall be installed, renewed, and maintained at the expense of the District and the District reserves the right to determine the size and type of meter used.

I. Upon written request of any customer, the meter serving said customer shall be tested by the District. Such test will be made without charge to the customer if the meter has not been tested within 12 months preceeding the the requested test; otherwise, a charge of \$2.00 will be made and then only if the test indicates meter accuracy within the limits of 2%. If a meter is inaccurate in excess of 2%, adjustments shall be made for the two preceeding months prior to test according to the inaccuracy in excess of 2%.

J. Where a meter has ceased to register, or meter reading could not be obtained, the quantity of water consumed will be based upon an average of the prior six months consumption and the conditions of water service prevailing during the period in which the meter failed to register.

K. The District shall make all reasonable efforts to eliminate interruption of service and when such interruptions occur will endeavor to reestablish service with the shortest possible delay. When the service is interrupted all consumers affected by such interruption will be notified in advance whenever it is possible to do so.
