inspection by the Company or its duly authorized agents.

5. METERS

All meters shall be furnished by the Company and shall remain its property and be accessible to and subject to its control. The meter shall be conveniently located at a point approved by the Company.

6. TERMS OF PAYMENT

All minimum charges for metered service, or otherwise, shall be billed and mailed monthly commencing on March 1, 1988. Bills are due and payable in the net amount on or before fifteen (15) days from the billing date.

7. DISCONTINUANCE

(1) The Elk Lake, hereinafter Elk Lake, may refuse or discontinue to serve an applicant or customer under the following conditions:

(a) For noncompliance with its rules and regulations. However, Elk Lake shall not discontinue or refuse service to any customer or applicant for violation of its rules or regulations without first having made a reasonable effort to induce the customer or applicant to comply with its rules and regulations as filed with the commission. After such effort on the part of Elk Lake service may be discontinued or refused only after the customer shall have been given at least 5 days written notice of such intention, mailed to his last known address.

(b) When a dangerous condition is found to exist on the customer's or applicant's premises, the service shall be cut off without notice or refused, provided that Elk Lake notify the customer or applicant immediately of the reasons for the discontinuance or refusal and the corrective action to be taken by the applicant or customer before service can be restored.

(c) When a customer or applicant refuses or neglects to provide reasonable access to the premises for the purpose of installation, operation, meter reading, maintenance or removal of utility property, Elk Lake may discontinue or refuse service only after the customer or applicant shall have been given at least fifteen (15) days written notice of such intention.

RULES AND REGULATIONS

(d) E. Lake shall not be required to furnish service to any applicant when such applicant is indebted to the utility for service furnished until such applicant shall have paid such indebtedness.

(e) E. Lake may refuse or discontinue service to a customer or applicant if the customer or applicant does not comply with the state, municipal or other codes, rules and regulations applying to such service.

(2) E. Lake may discontinue service under the following conditions:

(a) For nonpayment of bills. However, E. Lake shall not discontinue service to any customer for nonpayment of bills (including delay charges) without first having made a reasonable effort to induce the customer to pay same. The customer shall be given at least forty eight (48) hours written notice, but the cut-off shall not be effected before twenty (20) days after the mailing date of the original bill. Such termination notice shall be exclusive of and separate from the original bill. If, prior to discontinuance of service, there is delivered to the utility office payment of the amount in arrears, then discontinuance of service shall not be made, or as the residential services where a written certificate is filed, signed by a physician, a registered nurse or a public health officer stating that, in the opinion of the person making the certificate, discontinuance of the service will aggravate an existing illness or infirmity on the affected premises, service shall not be discontinued until the affected resident can make other living arrangements or until ten (10) days elapse from the time of Resorts' notification.

(b) For fraudulent or illegal use of service. When E. Lake has discovered evidence that by fraudulent or illegal means a customer has obtained service or has diverted the service for unauthorized use or has illegally obtained service without same being properly measured, the service to the customer may be discontinued without notice. E. Lake shall not be required to restore service until the customer has complied with all rules of the utility and regulations of the commission and F have been reimbursed for the estimated amount of the service rendered and the cost the utility incurred by reason of the fraudulent use.

(3) It shall be the duty of E. Lake before making service connections to a new customer to ascertain the condition of the meter and service facilities for such customer in order that the prior fraudulent use of the facilities, if any, will not

attributed to the new customer, and the new customer shall be afforded the opportunity to be present at such inspection. E. Lake shall not be required to render service to such customer until all defects in the customer-owned portion of the service, if any, shall have been corrected.

(4) Reconnection. For all cases of refusal or discontinuance of service as hereinafter defined where the cause for refusal or discontinuance has been corrected and all rules and regulations of E. Lake and the commission have been complied with, Resort shall promptly render service to the customer or applicant.

(5) When advance notice is required, such notice may be given by E. Lake by mailing by United States mail, postage prepaid, to the last known address of the applicant or customer.

8. RENEWAL OF SERVICE.

When service has been disconnected it will be renewed under a special application when conditions under which the services were suspended are corrected and on the payment of all charges provided in the schedule of rates or tariff of the Company.

Where water has been turned off for non-payment of bill or any other valid reason, it shall not be turned on again until the consumer shall have paid the "turn-on" charge as fixed in the schedule of rates.

9. PRIVATE FIRE PROTECTION

Fire protection may be available to private lot owners, or customer, by separate service pipe to the respective lot line and by the installation of a private hydrant thereon. The cost for this connection shall be \$350.00 and the yearly rate thereafter shall be \$75.00 per annum payable in advance.

Sprinkle System Service may be available to the private property owners, or customers, by separate service pipe to the respective lot line for connection thereto by the lot owner to their own sprinkle system. The cost of said connection shall be \$200.00 and the yearly rate thereafter shall be \$75.00 per annum payable in advance.
