RULES AND REGULATIONS

- c) By mailing it to each customer once each year.
 - d) By providing a place on each bill where a customer may request a copy of the applicable rates. The utility will mail the customer a copy by return first class mail.
2. Bill format. A copy of the utility's billing form will be included in the utility's tariff.
 3. Meter readings. Registration of each meter shall read in the same units as used for billing unless a conversion factor is shown on the billing form.
 4. Frequency of meter reading. Unless prevented by reasons beyond the utility's control, meter readings will be taken every month. Records will be kept by the utility to insure that this information is available to Public Service Commission staff and any customer requesting this information. If, due to reasons beyond its control, the utility is unable to read a meter in accordance with this subsection, the utility will record the date and time the attempt was made, if applicable, and the reason the utility was unable to read the meter.
 5. Related Information.
 - a) Bills and notices related to the utility's business will be mailed to the customer at the address listed on the Water Service Contract unless a change of address has been filed with the utility in writing. The utility will not otherwise be responsible for delivery of any bill or notice nor will the customer be excused from the payment of any bill or any performance required in the notice.
 - b) Water service will be billed monthly between the 1st and 3rd of each month.
 - c) Bills are payable and due on the date of issuance.

RULES AND REGULATIONS

- d) Payment must be received, not postmarked, before the close of business on the fifteenth day of the month; otherwise, the delinquent bill will be assessed the late payment penalty approved and on-file with the Public Service Commission
- e) The late payment penalty will be assessed on the delinquent amount of the bill, less taxes and any prior penalty amounts. Pursuant to 807 KAR 5:006 Section 8 (3)(h), a penalty may be assessed only once on any bill for rendered services.
- f) With the exception of existing connections, the existence of a special contract, or unusual circumstances requiring approval of the utility, a single meter can serve no more than one residential or commercial unit on and after the effective date of this tariff.
- g) For existing connections, special contracts, or other utility approved situations, where two or more units are being served by one meter, the following rules will apply:
 - 1) One bill per meter will be sent to the customer that signed the Water Service Contract.
 - 2) The bill will consist of a charge in the amount of the utility's minimum bill multiplied by the number of units the meter serves. The amount of water included with a minimum bill will be multiplied by the number of units and deducted from the total amount of consumption. The remaining consumption will be evenly distributed among each unit, added to each unit's minimum bill, with the charges calculated in accordance with the currently approved rate schedule.
 - 3) The customer that signed the Water Service Contract will be fully and solely responsible for the charges associated with the connection including payment for all water passing through the meter, regardless of which unit is responsible for the water consumption
