HARDEMAN WATER DISTRICT

RULES AND REGULATIONS

This shedule of Rules and Regulations governs the furnishing of water service by HARDEMAN WATER DISTRICT hereinafter referred to as the Utility and applies to all service received from the Utility. No employee or individual director of the Utility is permitted to make an exception to Rates, Rules or Regulations. All Rules and Regulations are to be in effect so long as they are not in conflict with Public Service Commission Rules and Regulations. The Utility is further subject to all Rules and Regulations of the Commission even though not contained herein.

REVISIONS

These Rules and Regulations may be revised, amended, supplemented or otherwise changed from time to time subject to approval of the Public Service Commission, and shall have the same force as the present Rules and Regulations.

AVAILABILITY

Water service is available to any domestic, commercial or industrial consumer within the Utility's area.

WATER FAILURE

The Utility is responsible for water failure only when in control of the Utility's employees. No consumer is paid damages for equipment unless such damages are specifically found to be caused by an act of negligence on the part of the Utility or its employees.

PROTECTION BY CONSUMER

Consumer shall protect the equipment of the Utility on his/her premises and shall not interfere with Utility's property or permit interference except by duly authorized representatives of the Utility.

RULES AND REGULATIONS

All bills are to be paid by the 10th of each month. If not paid by the 10th of the month, a 10% penalty will be added.

All meters are read on or about the 15th of each month.

A customer may be disconnected for nonpayment after ten days written notice but not prior to twenty-seven (27) days after the mailing date of the original bill. Such termination notice will be exclusive of and separate from any bill.

WATER PRESSURE CONDITIONS

The Hardeman Water District does not guarantee pressure at fire hydrants or mains under any circumstances. Conventional fire hydrants may be installed by a utility only on 6-inch or larger water mains and only when a professional engineer with the Kentucky registration certifies that adequate and reliable fire flows can be obtained in conformance with good standard engineering practice.
