

Oak Hill Water Association, Inc.

RULES AND REGULATIONS

- B. The flat minimum monthly rate, as set up in the water rate schedule for the year, will be payable irrespective of seasonal use, in which event the Company may be required to remove the meter, the Company when service is again restored will make a charge for such reinstallation as set out in Section II C hereinabove.
- C. The tap fee of Two Hundred Dollars shall be made for each new meter installation where a 5/8 or 3/4 inch meter is used regardless of location. Each member required a separate meter reading sheet, and each meter reading sheet will cover a separate and individual account.
- D. Water furnished for a given lot or farmstead shall be used on that lot only. Each member's service must be separately metered at a single delivery and metering point. All commercial use, including storerooms and stalls for business purposes shall be metered separately from any residential use, and vice versa.
- E. In addition to the collection of regular rates, the Company may collect from the member a proportionate share of any privilege, sales, or use tax or impositions, based on gross revenue received by the Company.

IV. Company's Responsibility.

C 5/78

- A. The Company will install, maintain and operate a main distribution pipeline or lines from the source of water supply, and service lines from the main distribution line or lines to the property line of each member of the Company at which points, designated as delivery points, meters to be purchased, installed, owned and maintained by the Company, shall be placed. The cost of the service line or lines from the main distribution line or lines of the Company to the property line of each member shall be paid by the Company. The Company will also purchase and install a cut-off valve in each service line from its main distribution line or lines, such cut-off valve to be owned and maintained by the Company and to be installed on same portion of the service line owned by the Company. The Company shall have the sole and exclusive right to use of such cut-off valve to turn it on and off.
- B. Each member shall be entitled to not to exceed one (1) service line from the Company's water system unless otherwise approved by the board of directors and provided that the member shall be required to pay the prevalent tap fee for each service line. No new service line or change in an existing service
