SECTION 1. WATER CONNECTION CHARGES.

C2-80

Water connection charges are hereby established and shall be exacted for each connection with the waterworks system of the District, based on the respective dates on which application is or was filed and on the respective sizes of meter connections, as follows:

A. For customers of the respective size connections who apply for a water connection and tender to the District the applicable connection charge prior to the date of completion of the construction of the system, as certified by the Engineers for the District, the applicable connection charges shall be as follows:

Size of Meter Connection		Connection or Tap on Fee
5/8" x 3/4" Meter	For Residential Property - No. 1 Billing (Single Family Unit)	\$ 50.00
5/8" x 3/4" Meter	For Residential Property - No. 2 Billing (Multiple Family Unit)	50.00
3/4" x 3/4" Meter	For Commercial Property	60.00
1" Meter	For Commercial Property	65.00
2" Meter	For School and Factory	100.00

B. For customers who apply for (and/or pay for) a water connection subsequent to said completion of construction, the applicable connection charges shall be as follows:

Size of Meter Connection		Connection or Tap on Fee
5/8" x 3/4" Meter	For Residential Property - No. 1 Billing (Single Family Unit)	\$ 150.00
5/8" x 3/4" Meter	For Residential Property - No. 2 Billing (Multiple Family Unit)	150.00
3/4" x 3/4" Meter	For Commercial Property	175.00

SECTION 2. RIGHTS ON PAYMENT OF WATER CONNECTION CHARGES.

Water connections shall be made available to the owners of any premises (residential, commercial, or industrial) abutting upon any street, road, alley, public way or easement in which a water line is constructed by the District within 50 feet of the property line or easement of such owner. Such lines shall be considered available to any premises as to which the (Cont'd)

boundary line or easement is located within 50 feet of such water line.

Any and all property owners to whom such lines are so available shall be entitled to a water connection upon timely payment of the prescribed water connection charge as set out above.

Any and all owners of properties where the property line or easement is located more than 50 feet from a water line shall be entitled to the same privilege by paying the additional cost of bringing a water line the additional distance, in excess of 50 feet, to his property line or easement.

SECTION 3. RIGHTS ON PAYMENT OF CONNECTION CHARGE; PAVEMENT REPLACEMENT.

The payment by property owner(s) of the prescribed water connection charge shall entitle the owner of such property to have a water line brought to the edge of his property line or easement, and said charge includes the cost of replacing any pavement which may be disturbed on any dedicated public streets or ways during construction. Such property owner, if he desires water service, must bear the cost (including replacement of any pavement which may be disturbed on his premises during the construction) of running a water line from the building located on his premises to the point in said property line or easement where the District has brought the water line.

SECTION 4. COSTS OF INSTALLATION AND INDEMNIFICATION.

All costs, expenses and responsibility incident to installation, connection and use of water lines from the outlet side of the respective water meters to such respective premises where such respective water lines are brought to serve such premises and extending to the respective buildings on such premises, shall be borne by the respective property owners, who shall further indemnify the District from any loss or damage that may directly or indirectly be occasioned by the installation of such lines. All water connections shall be made under the supervision of the Superintendent of said waterworks system in accordance with the rules and regulations of the Kentucky Department of Health.

SECTION 5. BASIC MONTHLY WATER RATES.

There shall be and there are hereby established from and after the effective date of this Resolution, basic monthly rates or charges for the water supplied by the waterworks system of the District, as follows:

RULES AND REGULATIONS

Persuant to our recent telephone conversation we are requesting that our water connection charges be increased to the following amounts effective January 1, 1978:

5/8 x 5/8 Meter	\$250.00 Each
5/8 x 3/4 Meter	\$250.00 Each
1" Meter	\$350.00 Each
1 1/2" Meter	\$525.00 Each
2" Meter	\$650.00 Each

(I)

(I)

The purpose for this ~~requested~~ increase is that our cost of installation is being increased effective January 1, 1978, and it is necessary that our connection charges be increased in order to maintain a solvent operation of the water District.

water customers beginning on the respective dates upon which each new water customer connects his premises to the water line made available to his premises.

SECTION 9. ALL CUSTOMERS METERED; NO FREE SERVICE.

It shall be mandatory for all customers of the waterworks system to be metered. No one shall receive or be entitled to free water service or to any such service without paying the full rates herein specified. The schedule of rates herein prescribed for monthly water service shall be uniformly charged to all customers of the waterworks system of the District. No customer shall re-sell water except under the terms of a special contract executed with the District.

SECTION 10. METERS READ MONTHLY.

Water meters shall be read monthly commencing on the 20th day of each calendar month or as soon thereafter as weather and other conditions and circumstances may reasonably permit, and such reading shall continue as expeditiously as possible until all of the meters have been read.

In the event that upon the occasion of a monthly meter reading, it is found that the meter of a customer is defective or non-operative, such water bill shall be computed on the basis of the average monthly water consumption of such customer shown by the three preceding monthly meter readings, provided that if no such readings are then available, the applicable water bill may be computed on the basis of an estimate of water consumption, estimated by the Superintendent of the waterworks system, subject to adjustment upward or downward according to the average of the next three succeeding monthly meter readings.

SECTION 11. TERMINATION ON REQUEST.

The Superintendent of the District waterworks system shall terminate water service to any customer within twenty-four (24) hours after receipt of written request from such customer to terminate such service.

SECTION 12. DEPOSITS.

A deposit shall be made with the District for water service by any applicant desiring service, except resident property owners, before being entitled to such service. The amount of such deposit shall be \$20.00. Such deposit, less any unpaid charges, shall be refunded to such customer, his heirs or assigns, whenever such customer notifies the District legally to disconnect or terminate service to such customer.

SECTION 13. OWNERS PAY CONNECTION CHARGES; OWNERS AND OCCUPANTS JOINTLY LIABLE FOR MONTHLY RATES.

Connection charges, where applicable, shall be the personal obligation of the owners of the respective properties. All water charges, other than connection charges, shall be the personal obligation, jointly and severally collectible by law, of the owner and the occupant of the lot, property or building receiving the benefits of such use and service so long as the same continues, and the satisfaction of the liability by any party shall be a discharge of the liability for which the payment is made.

SECTION 14. MULTIPLE USERS.

shall be the personal obligation, collectible by law, of the person or persons who apply for such service and, where applicable, make the required deposit. Such occupants may each obtain a separate meter, and in the event that such multiple unit property is served by a single meter, each of such occupants shall be billed his proportionate (to the number of users and not to the quantity used) share of the water charges applicable to such property, and each shall constitute a separate user and be billed accordingly, and in any event, not less than the minimum rates(s) herein prescribed. The computation of water consumption in excess of the amount allowed in the minimum bill to such water users shall be made the same as if only one customer occupied the entire property; provided, however, that a motel may be billed through a single water meter, according to the applicable water rates for the amount of water so consumed. Any customer may file an application for a separate water meter, and upon payment of the applicable connection fee and deposit therefor, the District shall install a separate water meter for such applicant, in which event such applicant will be billed at the water rate applicable to the usage of water recorded by such separate meter.

C2-80

SECTION 15. REVISION OF RATES.

The schedule of rates and charges prescribed in this Resolution shall be revised from time to time, and whenever required shall be increased, so as to produce income and revenues from the waterworks system adequate to comply with such covenants and agreements as may be made by the District in connection with the Revenue Bond Issue financing referred to herein.
