RULES AND REGULATIONS

SECTION 1. Connection and Connection Charges.

New customers of the association shall pay a water connection charge of five hundred seventeen (\$517) dollars for a three-fourth (3/4) inch meter. Customers requiring larger meters shall pay the connection charge for three-fourth (3/4) inch meters plus the costs to the Association of the larger meter.

An additional charge shall be made for meter connections where rock is encountered, such rock condition being defined as limestone or other hard stratified material in a continuous volume of at least one cubic yard or more and which cannot be removed using ordinary excavation equipment. The charge shall be applied per linear trench foot and shall not exceed the actual cost of excavation.

SECTION 2. Rights on Payment of Connection Charges.

*Section 2  
Cancelled  
June 2004*

The payment of a connection charge by a property owner entitles the owner of such property to have the water line brought to a point in the edge of his property line easement. The payment of the applicable water connection charge entitles the applicant to the following:

- a. A tap at the water main.
- b. A sufficient amount of 3/4- inch tubing to extend from the water main to a point at least two feet

c. A complete meter installation to be installed at the point of ending of the tubing, which meter installation will consist of a meter, yoke, or other setting used, plus a meter, a meter box and a meter box cover.

Said connection charge is a tap-in or service charge for the privilege of connecting to the water Association, and the payment of such amount does not constitute the purchase of a water meter. Title to water meters shall at all times remain vested in the Association, and, if a meter is not used by an applicant, such meter may be removed by the Association.

**SECTION 3. Rates are Exclusive of Sales Tax.**

The foregoing rates are rates to be charged by the Association and do not include sales taxes, and any applicable state sales tax shall be added to each bill as a separate charge.

If that data is not available, the average usage of similar customer loads shall be used for comparison purposes in calculating the time period. If the customer and the utility are unable to agree on an estimate of the time period during which the error existed, the commission shall determine the issue. In all instances of customer overbilling, the customer's account shall be credited or the overbilled amount refunded at the discretion of the customer within thirty (30) days after final meter test results. A utility shall not require customer repayment of any underbilling to be made over a period shorter than a period coextensive with the underbilling.

Connection charges shall be the personal obligation of the owners of the property. All water charges, other than connection charges, shall be the primary obligation of the occupant of the lot, property or building receiving the benefits of such use and service.

**SECTION 7: Multiple Users.**

Where two or more tenants or occupants (of different rental units) of property are served by a single water meter, the water charges shall be the personal obligation of the person or persons who apply for such service and, where applicable, make the required deposit. Each of such occupants shall be billed his proportionate (to the number of users and not to the quantity used) share of the water charges applicable to such property, and each shall constitute a separate user and be billed accordingly, and in any event, not less than the minimum rate herein
