any further obligation on the part of Seller or Buyer, except as provided in Section 2.4.3.

2.3.2 No later than 20 days after the Effective Date, Seller shall make an appropriate submission to KPSC seeking the authorization for Seller to enter into and perform all of its obligations under this Agreement, and requesting expedited processing of Seller's application. of the beginning of the next Planning Year. Upon such termination, neither Party shall have any further obligations hereunder, except with respect to the Planning Year(s) prior to the termination and as provided in Section 2.4.3.

- 2.4.3 Unless terminated earlier pursuant to Section 2.3, 2.4.1 or 2.4.2, this Agreement shall terminate on June 1, 2020, provided, however, that any provisions of this Agreement necessary to effectuate obligations arising under this Agreement prior to termination shall survive that termination.

3 CAPACITY SALE AND PURCHASE

- 3.1 For each of the three Planning Years starting with Planning Year 2017/2018, Seller shall sell and deliver and Buyer shall purchase and receive 11.8 ZRCs (the "Capacity Quantity") at \$2,500.00 per MW-month per ZRC (the "Contract Price") sourced from one or more of Seller's Capacity Resources located within Local Resource Zone 6 or any successor zone that incorporates the area that constituted Local Resource Zone 6 as of the Effective Date (the "Product"). In accordance with the MISO Tariff, one ZRC represents one megawatt ("MW") of Unforced Capacity that qualifies to satisfy the resource adequacy requirements of Module E-1 of the MISO Tariff. If Buyer requests that Seller source ZRCs from a particular Capacity Resource on Seller's system, Seller will use commercially reasonable efforts to comply with that request if doing so will not have an adverse impact on Seller's economic benefits under this Agreement.
- 3.2 No later than twenty (20) Business Days prior to the Fixed Resource Adequacy Plan deadline ("Transfer Deadline") for each of the three Planning Years starting with Planning Year 2017/2018, Seller shall deliver the Product by submitting the appropriate transaction(s) in MISO's Module E Capacity Tracking Tool or any successor system ("MECT") to electronically assign the Product to Buyer for the entirety of the applicable Planning Year. No later than ten (10) Business Days prior to the Fixed Resource Adequacy Plan deadline ("Receipt Deadline") for each of the three Planning Years starting with Planning Year 2017/2018, Buyer shall accomplish receipt of the Product by confirming the appropriate transaction(s) submitted by Seller in the MECT prior to the Fixed Resource Adequacy Plan deadline for the applicable Planning Year.
- 3.3 In each Planning Year for which Seller has delivered and Buyer has received the Product, Buyer shall pay Seller a monthly amount of \$29,500.00. Seller shall invoice Buyer as soon as reasonably possible after the start of each month beginning with June, 2017. Payment of such invoice shall be due the later of the twentieth (20th) day of each month, or tenth (10th) day after receipt of the invoice if the twentieth (20th) day is not a Business Day, then on the next Business Day.

3.4 Each Party will make payments due hereunder by electronic funds transfer, or by other mutually agreeable method(s), to the account designated by the other Party. Any amounts not paid by the due date will be deemed delinquent and will accrue interest at the Interest Rate, such interest to be calculated from and including the due date to but excluding the date the delinquent amount is paid in full. If non-payment becomes an Event of Default, the outstanding balance of the Contract Price for all months and quantities for which delivery and receipt of ZRCs has been completed pursuant to Section 3.2 shall become immediately due and payable.

3.5 A Party may, in good faith, dispute the correctness of any invoice or any adjustment to an invoice, rendered under this Agreement or adjust any invoice for any arithmetic or computational error within twelve (12) months of the date the invoice, or adjustment to an invoice, was rendered. In the event an invoice or portion thereof, or any other claim or adjustment arising hereunder, is disputed, payment of the undisputed portion of the invoice shall be required to be made when due, with notice of the objection given to the other Party. Any invoice dispute or invoice adjustment shall be in writing and shall state the basis for the dispute or adjustment. Payment of the disputed amount shall not be required until the dispute is resolved. Upon resolution of the dispute, any required payment shall be made within two (2) Business Days of such resolution along with interest accrued at the Interest Rate from and including the due date to but excluding the date paid. Inadvertent overpayments shall be returned upon request or deducted by the Party receiving such overpayment from subsequent payments, with interest accrued at the Interest Rate from and including the date of such overpayment to but excluding the date repaid or deducted by the Party receiving such overpayment. Any dispute with respect to an invoice is waived unless the other Party is notified in accordance with this Section 3.4 within twelve (12) months after the invoice is rendered or any specific adjustment to the invoice is made.

4 **DEFAULT**

4.1 An "Event of Default" shall mean, with respect to a Party (a "Defaulting Party"), the occurrence of any of the following:

4.1.1 the failure by Seller to deliver the Product, in the full Capacity Quantity, for any Planning Year by the Transfer Deadline (unless such failure is due to Buyer's failure to perform);

4.1.2 the failure by Buyer to receive the Product delivered by Seller, in the full Capacity Quantity, for any Planning Year by the Receipt Deadline (unless such failure is due to Seller's failure to deliver);

4.1.3 the failure to make, when due, any payment required pursuant to this Agreement if such failure is not remedied within three (3) Business Days after notice;

- 4.1.4 any representation or warranty made by such Party herein is false or misleading in any material respect when made;
- 4.1.5 the failure to perform any material covenant or obligation set forth in this Agreement (except to the extent constituting a separate Event of Default) if such failure is not remedied within three (3) Business Days after notice;
- 4.1.6 such Party becomes Bankrupt;
- 4.1.7 the failure of such Party to satisfy the creditworthiness/collateral requirements agreed to pursuant to Section 5; or
- 4.1.8 a Merger Event occurs with respect to such Party.

4.2 If an Event of Default with respect to a Defaulting Party shall have occurred and be continuing, the other Party (the "Non-Defaulting Party") shall have the right to (i) designate a day, no earlier than the day such notice is effective and no later than 20 days after such notice is effective, as the early termination date of this Agreement, (ii) withhold any payments due to the Defaulting Party under this Agreement, (iii) suspend performance, and (iv) pursue any and all other remedies available at law or in equity, provided, however, that if Seller is the Defaulting Party, Buyer may not withhold payments due to Seller for any ZRCs that were actually delivered by Seller and received by Buyer prior to the early termination.

4.2.1 Seller's Failure to Deliver.

In addition to all other remedies set forth in Section 4.2, in the event that Seller fails to deliver all or a portion of the Capacity Quantity by the Transfer Deadline, and such failure is not excused by Buyer's failure to perform, Seller shall pay Buyer, within five (5) Business Days of delivery of an invoice to Seller from Buyer an amount equal to the positive difference, if any, obtained by subtracting the Contract Price from the MISO (applicable Planning Year) Planning Resource Auction Zone 6 Auction Clearing Price and multiplying such positive difference, if any, by the portion of the Capacity Quantity which the Seller failed to deliver.

The invoice from Buyer to Seller for any amount owed by Seller to Buyer pursuant to this provision shall include a written statement explaining in reasonable detail the calculation of such amount.

4.2.2 Buyer's Failure to Receive.

In addition to all other remedies set forth in Section 4.2, in the event that Buyer fails to receive all or a portion of the Capacity Quantity by the Transfer Deadline, and such failure is not excused by Seller's failure to perform, Buyer shall pay Seller within five (5) Business Days of delivery of an invoice to Buyer an amount equal to the positive difference, if any, obtained by

The invoice from Seller to Buyer for any amount owed by Buyer to Seller pursuant to this provision shall include a written statement explaining in reasonable detail the calculation of such amount.

5 CREDIT SUPPORT

5.1 Each Party shall supply, at the request of the other Party, within one hundred and twenty (120) days following the end of its fiscal year or at such other times as reasonably requested by the other Party, a hard copy of the Party's annual report containing audited consolidated financial statements, unless the financial statements are available publicly or on the Party's website, for such fiscal year and/or such other documents that may be reasonably necessary to adequately determine the Party's creditworthiness. Seller shall not be required, however, to produce confidential business information that cannot be protected from public disclosure under the Missouri Sunshine Laws.

5.2 Buyer agrees that Seller's creditworthiness and financial responsibility is currently satisfactory. Should the creditworthiness or financial responsibility of Seller become unsatisfactory to Buyer, as determined by Buyer in a commercially reasonable manner, on or after January 1, 2017 Buyer may require Seller to provide a Letter of Credit equal to the product of (i) the Capacity Quantity, (ii) the amount by which the then-current Auction Clearing Price exceeds \$72/MW-day, and (iii) the number of days in any Planning Year(s) for which Seller has not yet delivered ZRCs equal to the Capacity Quantity pursuant to Section 3.2. Buyer will provide Seller with notice requesting such security. Upon receipt of such notice Seller shall have ten (10) Business Days to provide the Letter of Credit to Buyer. Notwithstanding the foregoing, Buyer shall have no right to require Seller to provide and/or maintain a Letter of Credit under this Agreement during any period in which Seller achieves and/or maintains credit rating(s) of BB- (or above) from S&P, Ba2 (or above) from Moody's, and BB (or above) from Fitch. If Seller is no longer rated by one or more of these ratings agencies, creditworthiness and financial responsibility will be based upon the credit rating(s) from the remaining ratings agencies.

5.3 Seller agrees that Buyer's creditworthiness and financial responsibility is currently satisfactory. Should the creditworthiness or financial responsibility of Buyer become unsatisfactory to Seller, as determined by Seller in a commercially reasonable manner, on or after January 1, 2017 Seller may require Buyer to provide a Letter of Credit equal to the product of \$29,500.00 and the number of months remaining in the Planning Year

for which ZRCs have been delivered and received. Seller will provide Buyer with notice requesting such security. Upon receipt of such notice Buyer shall have ten (10) Business Days to provide the Letter of Credit to Seller. Notwithstanding the foregoing, Seller shall have no right to require Buyer to provide and/or maintain a Letter of Credit under this Agreement during any period in which Buyer achieves and/or maintains credit rating(s) (i) of Investment Grade or (ii) equivalent to any credit rating(s) that Buyer had in place as of the Effective Date.

6 REPRESENTATIONS AND WARRANTIES
