ENERGY STAR® Appliances Program

Purpose

The ENERGY STAR® Appliances Program offers an incentive (rebate) for reducing the energy consumed by household appliances. The retail member may qualify for this incentive by purchasing an ENERGY STAR® qualifying appliance type listed in this tariff.

T

Availability

This program is available in all service territories of the owner-member of EKPC.

T

Eligibility

This program is targeted to new single or multi-family homes, existing single or multi-family homes or manufactured homes purchasing ENERGY STAR® appliances. Eligibility requirements are detailed below and are available at each participating owner-member's office and on the owner-member's website.

- Product must be certified by EPA as an ENERGY STAR® Appliance. Eligible models can be found on www.ENERGYSTAR.GOV.
- Product must be purchased after November 3, 2014.
- Rebate application must be completed and original receipt or copy must be provided for verification.
- Receipt must include the following information:
 - Retailer's Name
 - Itemized listing of product(s), including description(s), manufacturer(s), model number(s) or other identifying information. The receipt information must match the product information from the rebate application.
 - Purchase price and proof that full payment was made
 - Purchase date and date of delivery or installment (if installed by a contractor)
 - For new construction, an owner-member energy advisor ("energy advisor") may enter the rebate application on behalf of the end-use member. For an application entered by the energy advisor, the application must be accompanied by a picture of the appliance model number and serial number. Rebate applications for new constructions, without a receipt, will only be accepted through an energy advisor.
