Farmers Rural Electric Coop. Corp.

RULES AND REGULATIONS

manner from construction, location, operation, or maintenance of the member's facilities.

18. INSPECTION - All consumer's wiring must be inspected and approved before permanent connection for electric service is made by the Cooperative except where temporary service is desired during the construction of any permanent building. Fee for such inspection is payable at the Cooperative office.

(I) 19. METER READING - Each member receiving service shall supply the Cooperative with monthly readings on such date as designated by the Cooperative. Upon failure by the member to supply the Cooperative with three consecutive meter readings the Cooperative shall then read the meter and charge the member five dollars (\$5.00) for the extra service rendered. In the event an error in meter reading is made or member fails to return meter reading, the member shall pay an amount approximately equal to his average bill.

20. CHARGE FOR SEASONAL, MOBILE HOMES, PUMPS, AND OTHER SERVICES - Consumers requiring service only during certain seasons, not exceeding 9 months per year, may guarantee a minimum annual payment of 12 times the minimum monthly charge determined in accordance with the rate applicable. In this case there shall be no minimum monthly charge. Payment of minimum annual charge shall entitle the consumer to the use of the corresponding number of kilowatt-hours in accordance with the rate applicable.

Consumers requiring service to mobile homes, trailers, pumps, barns, or services with low usage shall be required to deposit with the Cooperative an amount to cover the cost of labor and overhead for constructing electric facilities as follows: Service and/or meter pole and each span of primary excluding the first. The deposit shall be paid prior to the construction of electric facilities. Such deposit shall be returned to the consumer in the form of a credit on the amount paid annually for electric service in the amount of twenty (20) per cent of the total annual billing.

21. CONSUMER BILLING AND COLLECTING POLICY - Bills are to be mailed on or before the first day of each month covering service rendered during the month ending at the first of the preceding month.

Electric energy bills are due and payable from first through fifteenth of each month after which the gross amount will be 10% higher on the first \$25.00 of the current monthly bill. Failure to receive bill shall not release the obligation to pay.

(C) Delinquent notices are to be sent out on or about the 21st of each month. Field collection date for delinquent accounts shall be on or about the 27th of each month.

RULES AND REGULATIONS

- (I) A \$5.00 fee is to be collected on first call and on all subsequent calls for purposes of collecting delinquent accounts during regular working hours. The Cooperative reserves the right to require additional payment for trips made other than during regular working hours.

No consumer is to be reconnected at any location without first having paid all previous indebtedness to Cooperative.
- (I & C) A service charge of \$5.00 shall be applied to each reconnect, regardless of whether a trip is required.
- (C) Invoice statement to be issued on or about 21st day of following month covering delinquent accounts.
- (C) Periodically all unpaid accounts over 90 days delinquent are to be turned over to an attorney or competent collecting agency for further proceedings, provided such amount exceeds the membership fee.
- (N) When checks are returned from bank marked "Insufficient Funds" the drawer of said check is to be notified by letter and his service placed on the cut-off list along with other delinquent accounts and handled in the same manner as outlined above. In addition, a charge of \$2.00 will be made to the consumer's account for processing a "returned check."

All consumers are to be members of the Cooperative. Cases of failure to pay membership fee shall be treated in the same manner as outlined above on delinquent accounts.

When a member-consumer is delinquent, the Cooperative may require an advance deposit of any amount equal to the estimated electric bills for two months. In certain cases of temporary service, and/or questionable cases, an advance deposit for two months estimated consumption may be charged at the time of initial service connect. Such advance payments may be refunded or consumed in electric energy used after 24 months of prompt payment.
- 22. GENERAL - Should a consumer require service other than covered in our rate schedules and as stated in these rules and regulations, the Cooperative reserves the right to require payment from the consumer for the initial cost of such installation.
