FOR All Territory Served  
PSC NO. 3  
Original SHEET NO. 1

**Section DSM-3**  
**Appliance Recycling Program**

(N)

**PURPOSE**

The Appliance Recycling Program ("ARP") offers an incentive for the removal and recycling of old energy-inefficient refrigerators and freezers resulting in lower energy consumption at the participating residences.

**AVAILABILITY**

This program is available in all territories served by Fleming-Mason Energy.

**ELIGIBILITY**

This program is targeted to existing single-family, multi-family, and manufactured homes that currently have old energy-inefficient refrigerators or freezers. The residential end-use cooperative member ("end-use member") may be eligible for this incentive by offering an existing refrigerator or freezer, subject to detailed eligibility requirements, to be picked-up and recycled. Detailed eligibility requirements are available at Fleming-Mason Energy and on Fleming-Mason Energy's website. General eligibility requirements are:

- Must be a residential end-use member of Fleming-Mason Energy.
- End-use member must own the appliance(s) being turned in for recycling.
- End-use member must be eligible for the incentive – maximum 2 per metered account per calendar year
- Appliance must be between 7.75 and 30 cubic feet
- Appliance must be plugged in, operational, working and cooling when collection team arrives
- Appliance must be empty and have a clear path for removal
- Appliance must be picked up from the service address on the end-use member's billing account

**LANDLORD/TENANT RELATIONSHIPS**

- Notwithstanding the forgoing, a landlord who owns a qualifying appliance that is used by a tenant who is an end-use member of Fleming-Mason Energy shall also be eligible to participate in the ARP program regardless of whether said landlord is also an end-use member of Fleming-Mason Energy. A landlord may be eligible for a maximum of 2 incentives per metered tenant end-user's account per calendar year.

**PAYMENT**

- The end-use member will receive a \$50 incentive (rebate) per qualifying appliance from either Fleming-Mason Energy or its designated ARP contractor.

**TERM**

- The program is an ongoing program
