CLASSIFICATION OF SERVICE

CABLE TELEVISION ATTACHMENT

APPLICABILITY

In all territory served by the company on poles owned and used by the company for their electric plant.

AVAILABILITY

To all qualified CATV operators having the right to receive service.

RENTAL CHARGE

The annual rental charges shall be as follows:

Two-party pole attachment	\$2.24
Three-party pole attachment	\$2.03
Two-Party ground connection	\$0.33
Three-party ground connection	\$0.21

BILLING

Rental charges shall be billed annually based on the number of pole attachments. The rental charges are net.

SPECIFICATIONS

A. The attachment to poles covered by this tariff shall at all times conform to the requirements of the National Electrical Safety Code, (NESC), 1990 Edition, and subsequent revisions thereof, except where the lawful requirements of public authorities may be more stringent, in which case the latter will govern.

ESTABLISHING POLE USE

Before the CATV operator shall make use of any of the poles of the cooperative under this tariff, they shall notify the cooperative of their intent in writing and shall comply with the procedures established by the cooperative. The CATV operator shall furnish the cooperative detailed construction plans and drawings for each pole line, together with necessary maps,

indicating specifically the poles of the cooperative, the number and character of the attachments to be placed on such poles, and rearrangements of the cooperative's fixtures and equipment necessary for the attachment, any relocation or replacements of existing poles, and any additional poles that CATV intends to install.

Plans submitted in conjunction with an application for pole attachment shall be certified to be in compliance with NESC requirements. This certification shall be performed by a qualified Professional Engineer registered in the State of Kentucky

The cooperative shall, on the basis of such detailed construction plans and drawings, submit to the CATV operator a cost estimate (including overhead and less salvage value of materials) of all changes that may be required in each such pole line. Upon written notice by the CATV operator to the cooperative that the cost estimate is approved, the cooperative shall proceed with the necessary changes in poles lines covered by cost estimate.

Upon completion of all changes, the CATV operator shall have the right hereunder to make attachments, in accordance with the terms of the application of this tariff. The CATV operator shall, at his own expense, make attachments in such manner as not to interfere with the service of the cooperative.

Upon completion of all changes, the CATV operator shall pay to the cooperative the actual cost (including overhead and less salvage value of materials) of making such changes. The obligation of the CATV operator hereunder shall not be limited to amounts shown on estimates made by the cooperative hereunder. An itemized statement of the actual cost of all such changes shall be submitted by the cooperative to the CATV operator in a form mutually agreed upon.

Any recleaning of existing rights-of-way and any tree trimming necessary for the establishment of pole line attachments hereunder shall be performed by the CATV operator.

All poles to which attachments have been made under this tariff shall remain the property of the cooperative, and any payments made by the CATV operator for changes in pole line under this tariff shall not entitle the CATV operator to the ownership of any of said poles.

(C)

Any charges necessary for correction of substandard installation made by the CATV operator, shall be billed at rate equal to twice the charges that would have been imposed if the attachment had been properly authorized.

MAINTENANCE OF POLES, ATTACHMENT AND OPERATION

Whenever right-of-way considerations or public regulations make relocation of a pole, or poles necessary, such relocations shall be made by the cooperative at its own expense, except that each party shall bear the cost of transferring its own attachments.

(C)

Whenever it is necessary to replace or relocate an attachment, the cooperative shall, before making such replacement or relocation, give forty-eight (48) hours notice (except in cases of emergency) to the CATV operator, specifying in said notice the time of such proposed replacement or relocation, and the CATV operator shall, at the time so specified, transfer its attachments to the new or relocate pole. Should the CATV operator fail to transfer its attachments to the new or relocated pole to the time specified for such transfer of attachments, the cooperative may elect to do such work and the CATV operator shall pay the cooperative the cost thereof. Any existing attachment of CATV which does not conform to the specifications as set out in this tariff hereof shall be brought into conformity at the time of transfer or relocation.

The cooperative, because of the importance of its service, reserves the right to inspect each new installation of the CATV operator on its poles and in the vicinity of its lines or

The cooperative reserves to itself, its successor and assigns, the right to maintain its poles and to operate its facilities thereon in such manner as will, in its own judgment, best enable it to fulfill its own service requirements. The cooperative shall not be liable to the CATV operator for any interruption of service of CATV operator or for interference with the operation of the cables, wires and appliances of the CATV operator arising in any manner out of the use of the cooperative's poles hereunder.

The cooperative shall exercise reasonable care to avoid damaging the facilities of the CATV operator, make an immediate report to the CATV operator of the occurrence of any such damage caused by its employees, agents or contractors, and, except for removal for non-payment or for failure to post or maintain the required "Performance Bond", agrees to reimburse the CATV operator for all reasonable cost incurred by the CATV operator for the physical repair of facilities damaged by the negligence of the cooperative.

INSPECTIONS

Periodic Inspection: Any unauthorized or unreported attachment by CATV operator will be billed at a rate of two times the amount equal to the rate that would have been due, had the installation been made the day after the last previously required inspection.

Make-Ready Inspection: Any "make-ready" inspection or "walk-through" inspection required of the cooperative will be paid for by the CATV operator at a rate equal to the cooperative's actual expenses, plus appropriate overhead charges.

(C)

INSURANCE OR BOND

The CATV operator agrees to defend, indemnify and save harmless the cooperative from any and all damage, loss or expense.

BOND OR DEPOSITOR PERFORMANCE

The CATV operator shall furnish bond coverage for the purposes hereinafter specified in the amount of twenty-five thousand dollars (\$25,000.00), until such time as the CATV operator shall occupy twenty-five hundred (2500) poles of the cooperative and thereafter the amount thereof shall be increased to increments of one thousand dollars (\$1,000.00), for each one hundred (100) poles (or fraction thereof) occupied by the CATV operator, evidence of which shall be presented to the cooperative fifteen (15) days prior to beginning construction. Such bond shall contain the provision that it shall not be terminated prior to six (6) months after receipt by the cooperative of written notice of the desire of the bonding company to terminate such bond. Upon receipt of such notice, the cooperative shall request the CATV operator to immediately remove its cables, wires, and all other facilities from all poles of the cooperative. If the CATV operator should fail to complete the removal of all its facilities from the poles of the cooperative within thirty (30) days after receipt of such request from the cooperative, then the cooperative shall have the right to remove them at the cost and expense of the CATV operator and without being liable for any damage to the CATV operator's wires, cables, fixtures, or appurtenances. Such bond shall guarantee the payment of any sums which may become due to the cooperative for rentals, inspections or work performed for the benefit of the CATV operator under this tariff, including the removal of attachments upon termination of service by any of its provisions.

After the CATV operator has been a customer of the cooperative and not in default for a period of two years, the cooperative shall reduce the bond by 50%, or, at the cooperative's option, require a deposit in keeping with 807 KAR 5:056, Section 7.
