Kenergy and Big Rivers are sometimes referred to herein collectively as the "Parties" and individually as a "Party."

RECITALS

A. Kenergy currently supplies and delivers retail electric energy and related services to Century Aluminum of Kentucky General Partnership, a Kentucky general partnership ("Century"), the owner and operator of an aluminum reduction plant in Hawesville, Kentucky, pursuant to a Retail Electric Service Agreement, dated July 1, 2009 (as amended, the "Existing Retail Agreement").

B. Kenergy currently purchases wholesale electric energy and related services for resale to Century from Big Rivers, an electric generation and transmission cooperative of which Kenergy is a member, pursuant to a Wholesale Electric Service Agreement, dated as of July 1, 2009 (as amended, the "Existing Wholesale Agreement").

C. Century gave notice of termination of the Existing Retail Agreement on August 20, 2012.

D. Kenergy is willing to supply and deliver, and Century is willing to purchase, electric energy and related services obtained from the wholesale electric market, including pursuant to bilateral contracts, on the terms and conditions set forth in the Electric Service Agreement, dated as of the date hereof, between Kenergy and Century (the "Electric Service Agreement").

E. In connection with and as a condition to Kenergy's entry into the Electric Service Agreement, Kenergy and Big Rivers have agreed to enter into this Agreement, to facilitate Big Rivers acting, at least initially, as the Market Participant (as defined below) to obtain electric energy and related services from the wholesale electric market, including pursuant to bilateral contracts, for resale to Kenergy for delivery to Century under the Electric Service Agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the premises and the mutual covenants hereinafter set forth, the Parties, intending to be legally bound, hereby covenant and agree as follows:

ELECTRIC SERVICES AND RATES

2.1 Service Period Obligations. In accordance with the terms and conditions of this Agreement, Big Rivers will sell and deliver, and Kenergy will purchase, Electric Services for delivery to Century under the Electric Service Agreement for a period beginning at 12:00:00 a.m. midnight on the later of (a) the day immediately following the Effective Date and (b) August 20, 2013, and continuing until 11:59:59 p.m. on December 31, 2023, unless the Parties’ respective obligations to supply and purchase Electric Services are terminated earlier pursuant to the terms and conditions of this Agreement; *provided*, that such period may be extended pursuant to Section 7.1 (the “Service Period”).

2.2 Characteristics of Service. Electric service to be supplied by Big Rivers to Kenergy under this Agreement for delivery to Century under the Electric Service Agreement shall be nominally three-phase, sixty-cycle at 161,000 volts or as otherwise agreed to by the Parties and Century. The Parties and Century will mutually agree on limits of the regulation of voltage but at no time may such regulation of such limits be inconsistent with standards required by applicable Governmental Authorities or any other organizations that establish applicable reliability and electric operation standards.

2.3 Delivery Obligation. During the Service Period, Big Rivers will deliver, and Century will accept, Electric Services to be delivered, Electric Services in accordance with the terms and conditions of this Agreement at the Delivery Point.

2.3.1 Energy. Big Rivers will use reasonable commercial efforts to acquire the Base Load and, if applicable, the Curtailable Load, for resale to Kenergy under this Agreement for resale to Century under the Electric Service Agreement to meet the Load of the Hawesville Smelter at the Delivery Point. Schedules submitted by Kenergy on behalf of Century may not exceed Base Load plus any applicable Curtailable Load and in any event not more than 482 MW. Total usage is limited to the Base Load amount if there is no Curtailable Load; *provided, however*, that if there is Curtailable Load, then usage may exceed scheduled load by up to 10 MW (supplied as imbalance Energy) but not to exceed 492 MW. Kenergy acknowledges and agrees that any such excess over 492 MW shall be charged to Kenergy at the Excess Energy Rate; *provided*, that payment of the charge under Section 4.6.9 shall not be deemed to be a waiver of the restrictions herein on Century's Load not exceeding the scheduled Load. Big Rivers will procure the Energy for resale to Kenergy under this Agreement for delivery to Century under the Electric Service Agreement (a) under a Bilateral Contract pursuant to Section 2.4, (b) in the Day Ahead Market if scheduled in accordance with Article III, or (c) if not pursuant to clause (a) or (b), in the Real Time Market.

2.3.2 Other Electric Services. Big Rivers will obtain Electric Services other than Energy as required and directed by Kenergy, pursuant to direction from Century to Kenergy and Big Rivers under the Electric Service Agreement, with respect to the purchase of such Electric Services (a) in the applicable market of the RTO or ISO of which Big Rivers is a member, or (b) through a Bilateral Contract.

2.4 Bilateral Purchases. Upon request by Kenergy following notice from Century under the Electric Service Agreement, Big Rivers shall use reasonable commercial efforts to acquire specified Electric Services from specified Persons ("Bilateral Counterparties") for resale hereunder to Kenergy for delivery to Century under the Electric Service Agreement. Kenergy must specify in any such request (i) the identity of the Bilateral Counterparty, (ii) the requested amount and duration of such Electric Services, and (iii) desired pricing and other material terms and conditions.

2.4.1 Big Rivers' obligation to enter into any Bilateral Contract will be conditioned upon (a) Big Rivers' prior receipt of a written notification from Century to Kenergy and Big Rivers setting forth Century's consent to the execution, delivery and performance of such Bilateral Contract, and (b) Big Rivers' satisfaction in its sole discretion, only as to financial security arrangements and the elimination of risk to Big Rivers associated with the Bilateral Contract and the arrangements with the Bilateral Counterparty. For the avoidance of doubt, any Bilateral Contract must, among other things, (a) provide for delivery to Kenergy at the Delivery Point, (b) contain provisions to the effect of Sections 2.7 and 5.5 with respect to the Bilateral Counterparty, (c) not require Kenergy to purchase Electric Services from a Person other than Big Rivers, except during periods when Kenergy is the Market Participant, and (d) not result in Big Rivers paying the Bilateral Counterparty prior to the time Big Rivers receives payment from Kenergy for any related amounts due.

2.4.2 Promptly following request by Century to Kenergy and Big Rivers pursuant to Section 2.4.1, Big Rivers shall arrange or have arranged:

Services and Ancillary Services necessary to transmit the Energy Big Rivers obtains under a Bilateral Contract to the Delivery Point. The amount of Energy transmitted from the source to the Delivery Point shall be adjusted to reflect the application of any system loss factor unless otherwise addressed in the terms and conditions of the applicable Bilateral Contract.

2.4.3 The provisions herein relating to Surplus Sales shall apply if Century is unable to receive and consume any Electric Services, or Big Rivers is unable to deliver such Electric Services purchased by Big Rivers under a Bilateral Contract for resale to Kenergy under this Agreement for delivery to Century under the Electric Service Agreement because of an Uncontrollable Force.

2.5 [Reserved.]

2.6 Title and Risk of Loss. Title to and risk of loss with respect to all Electric Services provided by Big Rivers to Kenergy under this Agreement for delivery to Century pursuant to the Electric Service Agreement will pass from Big Rivers to and rest in Kenergy when the same is made available by Big Rivers at the Delivery Point. Until title passes, Big Rivers will be deemed in exclusive control of the Electric Services and will be responsible for any damage or injury caused thereby. After title passes to Century, Big Rivers acknowledges and agrees that Kenergy will be deemed in exclusive control of the Electric Services and will be responsible for any damage or injury caused thereby.

2.7 Performance by the Parties. Each Party acknowledges and agrees that, to the extent a Person has a corresponding or related obligation to the other Party under a Transaction Document, such other Party's performance of an obligation with respect to such matter under this Agreement or any other Transaction Document is subject to and conditioned upon such Person's performance of such corresponding or related obligation to such other Party. Subject only to performance by a Person with an obligation to such other Party of its obligations to such other Party, such other Party shall perform its obligations under this Agreement and the other Transaction Documents to which it is a party. Each Party acknowledges and agrees that such Person with an obligation to the other Party may enforce an obligation of such Party under this Agreement or any other Transaction Document that corresponds or relates to the obligation of the first Party to such Person. For example, with respect to a purchase of Energy under a Bilateral Contract, Big Rivers shall be obligated to deliver to Kenergy only those amounts of Energy received by Big Rivers, net of applicable losses of Energy. Big Rivers will not be in default under any provision of this Agreement nor will it have any liability to Century or Kenergy if the non-delivery of Energy to be purchased by Kenergy hereunder sourced under a Bilateral Contract is due to a failure by the Bilateral Counterparty to deliver the full amount of such Energy required under the Bilateral Contract; *provided*, that Big Rivers has assigned to Kenergy the rights and remedies of Big Rivers against the Bilateral Counterparty under such agreement, for Kenergy's assignment of such rights and remedies to Century pursuant to the Electric Service Agreement.

MARKET PARTICIPATION AND SCHEDULING

3.1 Market Participant.

3.1.1 Big Rivers shall act as the initial Market Participant with respect to the Electric Service Agreement in connection with the Transaction and, pursuant to this Agreement, shall use reasonable commercial efforts to arrange and procure the Electric Services required by Kenergy for delivery to Century under the Electric Service Agreement.

3.1.2 Big Rivers acknowledges and agrees that, subject to Section 18.8, Kenergy may elect to become the Market Participant, subject to Century's consent and approval.

3.1.3 Big Rivers acknowledges and agrees that, subject to Section 18.8, at any time during the Service Period, Century may appoint a Person to be the Market Participant under the Electric Services Agreement, subject to Kenergy's consent and approval, which shall not be unreasonably withheld or delayed. Big Rivers further acknowledges that Century shall give Kenergy and Big Rivers not less than 120 days' prior written notice of the appointment of such Person to be the new Market Participant. Kenergy shall be responsible for any Costs to Big Rivers resulting from Big Rivers no longer being the Market Participant with respect to the Electric Services Agreement. Big Rivers shall transfer ownership of the Hawesville Node to the new Market Participant.

3.1.4 Big Rivers further acknowledges and agrees that, for the avoidance of doubt, a Person acting as the Market Participant shall remain in that capacity, notwithstanding any election under Section 3.1.2 of the Electric Service Agreement or appointment under Section 3.1.3 of the Electric Service Agreement of a different Person as a Market Participant, until the consent and approval required from the applicable Party under Section 3.1 of the Electric Service Agreement is obtained.

3.1.5 Kenergy acknowledges and agrees that Big Rivers shall have no liability under this Agreement or otherwise in connection with or arising out of the absence of any Person acting as the Market Participant during any period in which a Person previously acting as the Market Participant ceases to act in that capacity and another Person is not yet acting in that capacity in accordance with Section 3.1 of the Electric Service Agreement.

3.2 Base Load. The Base Load may be modified only as provided in Section 1.1.10.

3.3 Scheduling.

3.3.1 Kenergy or its designee shall provide or cause to be provided, on an Hourly basis, of all required Electric Services to Big Rivers or its designee, provided, that commencing on the day following the Effective Date, Big Rivers shall schedule the Base Load and, if applicable, the Curtailable Load as the

Century in the Day Ahead Market unless Kenergy provides or causes to be provided notice to Big Rivers of an alternative schedule not later than 8:00 a.m. on the Business Day prior to the day of delivery.

3.3.2 Kenergy promptly, and no later than sixty (60) minutes prior to any applicable deadline under any applicable RTO or ISO scheduling guidelines, shall notify Big Rivers or cause Big Rivers to be notified of any revisions to Century's schedule by providing Big Rivers with a revised schedule in compliance with the other terms and conditions of this Agreement, and Big Rivers shall submit such revised schedule to the applicable RTO or ISO within such scheduling guidelines.

3.4 Transmission Rights. Kenergy or its designee shall have the right to direct Big Rivers or cause Big Rivers to be directed to request, schedule or sell the Century Transmission Rights in such time and amounts specified at least three Business Days prior to the applicable deadline. Kenergy, for the benefit of Century, shall be entitled to the Net ARR/FTR Proceeds of the sale of any Century Transmission Rights in the form of a credit to amounts otherwise owing from Big Rivers to MISO in respect of Electric Services purchased by Kenergy under this Agreement for delivery to Century under the Electric Service Agreement.

3.5 Transition to Another RTO or ISO.

3.5.1 This Agreement and the other Transaction Documents have been drafted by the Parties and Century under the presumption that, during the Service Period, the Hawesville Node is located in MISO and Big Rivers is a member of MISO. Kenergy or Big Rivers may, each in its sole discretion, elect to join or become a member of a RTO or ISO other than MISO or elect to withdraw as a member of MISO and not be a member of any RTO or ISO. In such circumstances, the Parties and Century agree to modify in good faith the terms and provisions of this Agreement and any other Transaction Documents to the extent necessary to preserve the purposes and intent of the Transaction Documents.

3.5.2 The Parties acknowledge and agree that Hawesville Node may remain in MISO if (a) requested by Century, (b) permitted by both the new RTO or ISO and MISO, (c) Century is responsible for any Costs resulting from the Hawesville Node remaining in MISO, and (d) Big Rivers is not unreasonably precluded by the request from leaving MISO and joining or becoming a member of a different RTO or ISO. In such case, any terms used herein that relate to the RTO or ISO of which Big Rivers is a member or its tariff shall be deemed amended, as applicable, to incorporate the correlative terms with respect to the new RTO or ISO or applicable tariff. If necessary, the Parties agree to modify in good faith the terms and provisions of the Transaction Documents to conform them to the extent necessary to the requirements of the new RTO or ISO and otherwise amend them in the manner necessary to preserve the purposes and intent of the Transaction Documents.

3.5.3 Each Party acknowledges and agrees that if at any time the Hawesville Node is no longer part of any RTO or ISO, then the Electric Services provided hereunder shall be provided exclusively pursuant to Section 2.4, which shall include arrangements for imbalance Energy.

3.6 Forecasts.

3.6.1 Kenergy shall provide, or cause to be provided, to Big Rivers a forecast of Century's Load at the Hawesville Node in accordance with the requirements of (a) Module E (Resource Adequacy) of the MISO Tariff, so long as the Hawesville Node is located in MISO, or (b) the resource adequacy provisions of the tariff of the RTO or ISO, or Transmission Provider for the service area, in which the Hawesville Node is located, in each case, at least five Business Days prior to the deadline therefor set forth in the applicable tariff. This forecast currently includes a peak forecast for Century's Load at the Hawesville Node for the succeeding 36 months, or for such other term as reasonably requested by Big Rivers or as required by the RTO or ISO, or Transmission Provider for the service area, in which the Hawesville Node is located, the RTO or ISO of which Big Rivers is a member or the Tariff.

3.6.2 Kenergy shall respond on or prior to the fifth Business Day to any requests made by Big Rivers to Kenergy for data, forecasts, projections or other information necessary or reasonably appropriate for Big Rivers to comply with requests or requirements of the RTO or ISO, or Transmission Provider for the service area, in which the Hawesville Node is located, the RTO or ISO of which Big Rivers is a member, other Governmental Authorities or the Tariff. The obligations of Kenergy under this Section shall survive termination of this Agreement.

Big Rivers shall bill Kenergy, on or before the third Business Day following receipt by Big Rivers of an invoice from the applicable RTO or ISO for any amounts invoiced with respect to service to Big Rivers on behalf of Kenergy for the benefit of Century plus any other amounts then due and owing for any portion of the Electric Services or other amounts payable by Kenergy with respect to the applicable RTO or ISO. Kenergy shall pay or cause to be paid to Big Rivers such amounts in immediately available funds to an account designated by Big Rivers or its designee on the second Business Day following Kenergy's receipt of the bill under this Section. For the convenience of the Parties, and to facilitate Kenergy's obligations to Big Rivers, Kenergy has assigned its right to receive any payments from Century pursuant to Section 5.1 of the Electric Service Agreement and Kenergy's rights to collect and enforce the collection of such amounts due from Century pursuant to the Lockbox Agreement.

5.2 Monthly Invoices for other Amounts. Big Rivers shall bill Kenergy on or before the fifteenth (15th) Business Day of each month for the Monthly Charge (other than the charges billed pursuant to Section 5.1) as calculated pursuant to Article 4 plus any other amounts then due and owing pursuant to this Agreement or any other Transaction Document. 8.2 Reading. Big Rivers will read or cause to be read the meters at the Delivery Point on the last date of each month (or such other date as may be agreed upon by the Parties).

8.3 Testing. Big Rivers will test, or cause to be tested, the calibration of the meters at the Delivery Point by comparison of accurate standards at least once every twelve months (or more often if so required by Applicable Law) and will give Kenergy and Century not less than five Business Days' prior notice of such testing. Kenergy and Century will have the right to observe and participate in all meter tests. Meters registering not more than plus or minus 1% inaccurate will be deemed to be accurate (unless Applicable Law establishes a standard more stringent than 1%, in which case, the more stringent standard will apply). The reading of any meter that will have been disclosed by tests to be inaccurate will be corrected for the 60 days before such tests (or for such shorter period if applicable) in accordance with the percentage of inaccuracy found by such tests. Big Rivers shall install and maintain, or shall cause to be installed and maintained, any and all interconnection equipment, metering, or substation equipment, and other equipment, including switching and protective equipment but excluding the Capacitor Additions and the Protective Relays, necessary to enable Kenergy to deliver Energy to Century at the Delivery Point. If Big Rivers determines in accordance with Good Utility Practice, or in compliance with any FERC-approved ERO, SERC, Applicable Law and other regulation, any applicable RTO or ISO, Reliability Coordinator or other applicable operating criteria or rules, that a System Emergency has occurred or is imminent, and after suspending or reducing deliveries to Persons purchasing interruptible Energy from Big Rivers, Big Rivers may suspend or reduce the delivery of Energy hereunder and may cease to make available in whole or in part the Electric Services, in each case to the extent caused by, or that Big Rivers determines necessary or prudent under the circumstances to prevent or attempt to prevent, or counter or reduce the effects of, such System Emergency. Big Rivers shall notify Kenergy and Century as to the occurrence or threatened occurrence of any System Emergency or other event that may require curtailment, its cause and its impact on the provision of Electric Services under this Agreement, as soon as practicable. Big Rivers will not be obligated to supply Electric Services to Kenergy hereunder for resale to Century under the Electric Service Agreement to the extent suspended or curtailed as a result of the System Emergency.

9.5 Ownership and Removal of Equipment. Any and all equipment, apparatus, devices or facilities placed or installed, or caused to be placed or installed, by either of the Parties hereto (or by Century) on or in the premises of the other Party (or Century) to deliver or receive service under this Agreement shall be and remain the property of the Party (or Century) owning and installing such equipment, apparatus, devices or facilities regardless of the mode or manner of annexation or attachment to real property of the other. 10.4.4 It will not waive compliance by Century with any of its obligations under the Electric Service Agreement, fail to fully enforce the Electric Service Agreement against Century, or act in any manner that would adversely affect Kenergy's ability to fulfill its obligations under this Agreement;

10.4.5 It will provide to Big Rivers all notices of default received or sent by Kenergy pursuant to the Electric Service Agreement;

10.4.6 It will not terminate the Electric Service Agreement if the termination would be a breach by Kenergy thereof (including rejection of the agreement in a bankruptcy or reorganization proceeding);

10.4.7 It will not terminate the Electric Service Agreement for breach by Century without providing Big Rivers notice of such Century breach and a reasonable opportunity for Big Rivers to cure such Century breach, if it should elect, in its sole discretion, to do so. 10.4.8 It will not assign or transfer (by operation of law or otherwise) any rights or interests that it may have in the Electric Service Agreement to any Person without (i) subject to Section 17.4, first obtaining the written consent of Big Rivers, which consent shall not be unreasonably withheld or delayed, and (ii) causing the transferee of the Electric Service Agreement to assume and agree to perform all of Kenergy's obligations under this Agreement which arise following that assignment or transfer.

ARTICLE 11

UNCONTROLLABLE FORCES

11.1 Occurrence of an Uncontrollable Force. No Party will be considered to be in breach or default in the performance of any of its obligations under this Agreement if the failure of performance is due to an Uncontrollable Force, except as otherwise provided in this Article. If either Party is unable, in whole or in part, by reason of Uncontrollable Force to carry out its obligations, then the obligations of the Parties, to the extent that they are affected by such Uncontrollable Force, will be suspended during the continuance of any inability so caused, but for no longer period. A Party will not be relieved of liability for failing to perform if such failure is due to causes arising out of its own negligence or willful acts or omissions.

11.2 Mitigation. A Party rendered unable to fulfill any obligation by reason of an Uncontrollable Force shall exercise due diligence to remove or remedy such inability as promptly as reasonably possible. Nothing contained herein may be construed to require a Party to prevent or to settle a labor dispute against its will.

11.3 Notice of Uncontrollable Force. A Party shall notify the other Party at the earliest practicable time following (i) the occurrence of any Uncontrollable Force that renders such Party incapable of performing hereunder or (ii) the time at which such Party has reason to expect that such an Uncontrollable Force is imminent. Kenergy also shall notify Big Rivers if it receives notice from Century that Century anticipates that it will be unable to perform its obligations to Kenergy under any contract or agreement that affects Kenergy's performance under this Agreement due to an Uncontrollable Force and Big Rivers is not an additional addressee of such notice.

11.4 Payment Obligations. Notwithstanding anything in this Agreement to the contrary, the occurrence of an Uncontrollable Force shall not relieve Kenergy of its payment obligations under Article 4, including its payment obligations with respect to any portion of the Monthly Charge. KENERGY ACKNOWLEDGES AND AGREES THAT THE PROVISIONS OF SECTION 10.1 (SURPLUS SALES) SHALL CONSTITUTE KENERGY'S SOLE AND EXCLUSIVE REMEDIES IF CENTURY IS UNABLE TO RECEIVE ENERGY PAYMENTS IF THAT INABILITY IS CAUSED BY AN UNCONTROLLABLE FORCE.

15.1.9 Allowance by a Party of the appointment of a receiver or trustee of all or a material part of its property and such receiver or trustee has not been discharged within 60 days after appointment.

15.2 Remedies, General. Except as otherwise provided in this Agreement, following the occurrence and during the continuance of an Event of Default by either Party, the non-defaulting Party may, in its sole discretion, elect to terminate this Agreement upon written notice to the other Party, or to seek enforcement of its terms at law or in equity; *provided*, that if Big Rivers is the non-defaulting Party, it may elect to terminate this Agreement upon three (3) Business Days' prior written notice to the other Party and Century, or to seek enforcement of its terms at law or in equity. Unless otherwise provided herein, remedies provided in this Agreement are cumulative, unless specifically designated to be an exclusive remedy and nothing contained in this Agreement may be construed to abridge, limit, or deprive either Party of any means of enforcing any remedy either at law or in equity for the breach or default of any of the provisions herein provided that:

15.2.1 UNDER NO CIRCUMSTANCE WILL EITHER PARTY OR ITS RESPECTIVE AFFILIATES, DIRECTORS, OFFICERS, MEMBERS, MANAGERS, EMPLOYEES OR AGENTS BE LIABLE HEREUNDER TO THE OTHER PARTY, ITS AFFILIATES, DIRECTORS, OFFICERS, MEMBERS, MANAGERS, EMPLOYEES OR AGENTS WHETHER IN TORT, CONTRACT OR OTHERWISE FOR ANY SPECIAL, INDIRECT, PUNITIVE, EXEMPLARY OR CONSEQUENTIAL DAMAGES, INCLUDING LOST PROFITS. THIS PROVISION WILL SURVIVE TERMINATION OF THIS AGREEMENT.

15.2.2 Kenergy acknowledges and agrees that, if Kenergy or Century fails to pay any monthly invoice rendered by or on behalf of Kenergy with respect to service to Century within the time prescribed in Section 5.1 or Section 5.2 of the Electric Service Agreement, Big Rivers may discontinue delivery of any or all Electric Services thereunder upon not less than 72 Hours prior written notice to Kenergy and Century of its intention to do so unless Kenergy or Century has cured such default within those 72 Hours. Kenergy further acknowledges and agrees that Big Rivers' discontinuance of such service thereunder for non-payment will not in any way affect, diminish or limit the obligations of Kenergy or Century, as applicable, to make all payments required any Transaction Document, as and when due. For the convenience of the Parties, and to facilitate satisfaction of Kenergy's obligation to Big Rivers, Kenergy hereby assigns to Big Rivers its right to receive payments from Century under the Electric Service Agreement (other than with respect to the Retail Fee or otherwise incurred by Kenergy and not related to Big Rivers) and Kenergy's rights to collect and enforce collection of such amounts due from Century. Big Rivers acknowledges and agrees that Kenergy has assigned to Century credits or funds that Big Rivers owes to Kenergy for the benefit of Century and Kenergy has agreed to cooperate with and assist Century with respect to any collections of any such amounts due from Big Rivers to Kenergy; *provided that Century*

has agreed to reimburse Kenergy for any reasonable expenses Kenergy incurs in providing such cooperation or assistance.

15.2.3 Unless otherwise provided herein, if a Party is in breach of its obligations under this Agreement but such breach does not constitute, or would not with the passage of time or the giving of notice constitute, an Event of Default and this Agreement does not provide any other remedy therefor, if such breach has not been cured by the breaching Party within 60 days after receiving written notice from the non-breaching Party setting forth, in reasonable detail, the nature of such breach, the non-breaching Party may commence dispute resolution with respect to such breach and exercise its rights under Article 16, but will not be entitled to terminate, or seek to terminate, this Agreement, or suspend performance of its obligations and duties hereunder as a result of such breach.

ARTICLE 16

DISPUTE RESOLUTION

16.1 Resolution Meetings. If a dispute arises between the Parties concerning the terms or conditions of this Agreement, the duties or obligations of the Parties under this Agreement, or the implementation, interpretation or breach of this Agreement, either Party may request in writing a meeting among an authorized representative of each of the Parties and Century to discuss and attempt to reach a resolution of the dispute. Such meeting will take place within ten days or such shorter or longer time as agreed upon by the Parties of the request. Nothing in this Section 16.1 shall toll or extend the cure period with respect to the failure by a Party to perform its obligations under this Agreement. Nothing in this Section shall prevent a Party, where delay in doing so could result in irreparable harm, from seeking interim, provisional or conservatory measures in accordance with Section 18.2, and any such request shall not be deemed incompatible with this Agreement.

16.2 Unresolved Disputes. Absent resolution of the dispute pursuant to Section 16.1, each Party may pursue all remedies available to it at law or in equity from a court or other Governmental Authority in accordance with Section 18.2.

16.3 RTO or ISO Disputes. Notwithstanding anything else herein to the contrary, any final decision of an RTO or ISO regarding amounts payable with respect to the provision of Electric Services to the Hawesville Node or otherwise payable in respect of the provision of Electric Services hereunder shall be binding on the Parties. Nothing in this provision is intended to impair the rights of either Party to pursue any action through MISO's (or the applicable RTO's or ISO's) dispute resolution process or at the FERC.

18.4.1 This Agreement may be amended, revised or modified by, and only by, a written instrument duly executed by both Parties.

18.4.2 The Parties acknowledge and agree that nothing in this Agreement shall limit the right of Big Rivers to file changes to the Tariff, or limit the right of any Party to challenge any aspect of the Tariff, including the applicable loss factor, the transmission service rates or any other transmission or ancillary service issue presented to FERC.

18.7 Severability. If any clause, sentence, paragraph or part of this Agreement should for any reason be finally adjudged by any court of competent jurisdiction to be unenforceable or invalid, such judgment will not affect, impair or invalidate the remainder of this Agreement but will be confined in its operation to the clause, sentence, paragraph or any part thereof directly involved in the controversy in which the judgment is rendered, unless the loss or failure of such clause, sentence, paragraph or part of this Agreement materially adversely affects the benefit of the bargain to be received by either or both of the Parties, in which event the Parties shall promptly meet and use their good faith best efforts to renegotiate this Agreement in such a fashion as will restore the relative rights and benefits of both Parties or, absent such renegotiation, the Party that was so materially adversely affected will be entitled, in its discretion, to terminate this Agreement.

18.8 Survival. Section 14.4, and prior to termination of the Electric Service Agreement, Article 9, shall survive termination of this Agreement. Each provision of this Agreement providing for payment for Electric Services and any other amounts due hereunder, assignment of the right to collect and enforce collection of amounts due, the provision, replenishment or maintenance of credit support required hereunder or related to remedies for default, damage claims, indemnification or payment of other liabilities also shall survive termination of this Agreement to the full extent necessary for their enforcement and the protection of the Party in whose favor they run.

18.9 Merger. This Agreement constitutes the entire agreement and understanding of the Parties with respect to the matters addressed herein and supersedes all other prior or contemporaneous understandings or agreements, both written and oral, between the Parties relating to the subject matter of this Agreement.

18.10 Further Assurances. The Parties shall execute such additional actions as may be required or, in the judgment of any Party, be necessary or desirable, to effect or evidence the provisions of this Agreement and the transactions contemplated hereby.

18.11 Counterparts. This Agreement may be executed in any number of counterparts, that together will constitute but one and the same instrument and each counterpart will have the same force and effect as if they were one original.

18.12 Third-Party Beneficiaries. Nothing in this Agreement may be construed to create any duty to, or standard or care with reference to, or any liability to, or any benefit for, any Person not a Party to this Agreement other than Century. Century shall be an express third party beneficiary of this Agreement and may enforce the provisions hereof during the period of any survival obligations for its benefit pursuant to Section 18.8.

18.13 Headings. The headings contained in this Agreement are solely for convenience and do not constitute a part of the agreement between the Parties, nor should such headings be used to aid in any manner in the construction of this Agreement.

18.14 No Agency. This Agreement is not intended, and may not be construed to create any association, joint venture, agency relationship or partnership between the Parties or to impose any such obligation or liability upon either Party. Neither Party will have any right, power or authority to enter into any agreement or undertaking for, or act on behalf of, or to act as or to be an agent or representative of, or otherwise bind, the other Party.
