Section 4.02 This Agreement shall be automatically renewed for successive one (1) year terms commencing on January 1, 2003 and each succeeding January 1 unless either party notifies the other by November 30, 2002, or by a succeeding November 30, of its election not to renew in which case the Agreement shall terminate at midnight on December 31 of the year in which that notice is given.

Section 4.03 Notwithstanding the Effective Date of this Agreement, the delivery obligation of Supplier and the purchase obligation of Kenergy pursuant to Section 5.03 are subject to the condition that the Parties have received all regulatory and other approvals, permits and consents necessary for the provision of Tier 3 Energy under this Agreement, including KPSC approval of the Base Rates for Scheduled Energy in accordance with Section 9.2 of the Century Power Agreement.

Section 4.04. As soon as the condition set forth in Section 4.03 has been satisfied, Kenergy shall promptly provide written notice to Century and Supplier that the condition has been satisfied. The delivery obligation of Supplier and the purchase obligation of Kenergy shall commence at 12:01 AM on the day following receipt by Supplier of such notice. Unless waived by Supplier in writing, the condition contained in Section 4.03 shall not be deemed satisfied until Supplier has received such notice.

#### SCHEDULING AND PURCHASE AND SALE OF TIER 3 ENERGY

Section 5.01 Scheduling by Kenergy. Subject to Section 5.08, Kenergy shall schedule from time to time schedule by 3:00 PM on the second Working Day prior to the day of the scheduled

delivery (or such shorter period agreed to by Supplier) up to ten (10) megawatts of Tier 3 Energy at a time and for the duration specified in the schedule. The scheduling shall be in increments of one (1) megawatt.

Section 5.02 Supplier Response to Scheduling. Supplier shall be under no obligation to accept the schedule and deliver the volume of Tier 3 Energy scheduled by Kenergy but shall be obligated, upon receipt of such schedule, to promptly notify Kenergy (with a copy to Century) by 11:00 AM on the Working Day prior to the scheduled delivery, of the number of megawatts, if any, Supplier is willing to deliver and the hour and duration when the delivery shall take place (the "Response").

Section 5.03 Delivery and Purchase Obligations. Subject to Supplier's right to interrupt in accordance with Section 5.06, Supplier shall have the obligation to deliver the volume of Tier 3 Energy at the time and for the duration so specified in the Response ("Scheduled Energy"). Kenergy shall purchase and accept delivery of the amount of Scheduled Energy made available by Supplier. If Kenergy (or Century) does not accept delivery of the full amount of Scheduled Energy, the Monthly Charge shall include the amount that would have been due had the full amount of such Scheduled Energy been accepted.

Section 5.04 Tier 3 Energy Rates. (a) For Scheduled Energy supplied pursuant to this Agreement through December 31, 2002, Kenergy shall pay a Base Rate of \$26.30 per megawatt hour for all hours Scheduled Energy is delivered or made available.

(b) By November 15, 2002 and by November 15 of each succeeding year for which this Agreement is renewed, Supplier and Kenergy (with Century's consent) shall determine a mutually agreeable Base Rate for the renewal year and execute an amendment to this Agreement documenting their agreement. No later than November 30 prior to

each renewal year Kenergy shall file the amendment with the KPSC requesting its approval of the Base Rate to become effective on January 1 of the renewal year. The Base Rate set forth in Section 5.04(a) and the modifications to such rate during the renewal terms are not subject to change during the term of their applicability.

Section 5.05 Cost of Transmission and Ancillary Services. In addition to the Base Rate for Scheduled Energy (or when applicable, the Buy-Through Price for Buy-Through Energy), the Monthly Charge shall include and Kenergy shall pay to Supplier (i) the cost to Big Rivers of transmitting the Scheduled Energy purchased under this Agreement to the Point of Delivery based on network transmission service and (ii) the incremental cost, if any, of any unbundled purchase of ancillary services that Big Rivers is required to effect with respect to the Scheduled Energy sold by Big Rivers and purchased by Kenergy under this Agreement.

Section 5.06 Interruptibility. Scheduled Energy shall be interruptible by Supplier upon the following terms and conditions:

(a) Supplier may interrupt delivery of all or any portion of the Scheduled Energy upon at least one (1) hour notice to Kenergy and Century ("Notice of Interruption") in which case Supplier shall have no obligation to supply the Scheduled Energy during the period of interruption set forth in the Notice of Interruption. Supplier's delivery obligation for each hour shall be firm if it does not give timely Notice of Interruption of at least one (1) hour's notice.

(b) A Notice of Interruption may be made orally and shall be followed by immediate confirmation transmitted by facsimile, and shall designate the amount of power to be interrupted and the duration of such interruption.

(c) Supplier is not limited in the number of times it may interrupt delivery of Scheduled Energy.

(d) In each Notice of Interruption Supplier may at its discretion (but without being required) offer an alternative price or prices per megawatt hour ("Buy-Through Price") upon which Supplier would make the interrupted amount of Scheduled Energy available to Kenergy during the specified hour or hours of interruption. Kenergy shall have ten (10) minutes from the time it receives verbal Notice of Interruption to notify Supplier that it will accept the Buy-Through Price for the Scheduled Energy comprising all or any part of the designated interruption ("Buy-Through Energy"). If Kenergy verbally accepts the Buy-Through Price, Kenergy will follow with a written confirmation transmitted by facsimile. The failure of Kenergy to notify Supplier of its acceptance of the Buy-Through Price within this ten-minute period shall constitute a rejection of the Buy-Through Price, and the interruption shall thereafter be implemented in accordance with the Notice of Interruption.

(e) Upon Kenergy's acceptance of the Buy-Through Price for the Buy-Through Energy, the obligation of Supplier to provide the Scheduled Energy in whole or in part, as the case may be, shall be re-established, provided that Supplier shall charge to Kenergy the Buy-Through Price for all Buy-Through Energy instead of the Base Rate.

(f) During any period of interruption, Supplier may notify Kenergy and Century of its willingness to terminate the interruption and resume the delivery of Scheduled Energy under the Base Rate. Upon notification from Supplier terminating the interruption, Kenergy shall purchase and accept delivery of Scheduled Energy for resale to Century at the start of the hour following such notice. Supplier shall provide Kenergy and Century at least ten (10) minutes advance notice of the termination of an interruption.

Section 5.08 Minimum Scheduling Obligation. During each Billing Month, Kenergy shall schedule an amount of Tier 3 Energy to be delivered during Off-Peak Hours that is no less than the amount of Scheduled Energy (excluding Buy-Through Energy) that Kenergy schedules and Supplier delivers during On-Peak Hours ("Minimum Scheduling Obligation"). If Kenergy has met the Minimum Scheduling Obligation during any Billing Month, Kenergy shall have no payment obligation for Scheduled Energy that was scheduled for Off-Peak Hours but that Supplier elects to interrupt. However, in the event that Kenergy does not satisfy the Minimum Scheduling Obligation during any Billing Month, Kenergy shall be obligated to pay to Supplier an additional charge equal to the Base Rate multiplied by the difference between the Minimum Scheduling Obligation and the amount of Scheduled Energy that Kenergy scheduled to be delivered during Off-Peak Hours.

### BILLING

Section 6.01 Except as otherwise provided in Section 6.05, Supplier shall bill Kenergy on a monthly basis for the Monthly Charge based on the Scheduled Energy provided or made available during the most recently ended Billing Month. Supplier shall issue its bill as soon after the Billing Month's end as detailed information is available. Kenergy shall pay Supplier the Monthly Charge in immediately available funds on or before the first Working Day after the 25th of the month in which the bill is issued. Supplier releases Kenergy from further liability under this Agreement for amounts subject to such assignment to Supplier, provided that such release does not relieve Kenergy of its other liabilities under this Agreement. Kenergy agrees to cooperate with and assist Supplier with respect to any collections of amounts due from Century to Kenergy which are assigned to Supplier pursuant to this section, provided that Supplier will reimburse Kenergy for any commercially reasonable expenses Kenergy incurs in providing such cooperation and assistance.

Section 6.02 In the event any bill rendered by Supplier is not paid on the due date, interest will accrue and become payable by Kenergy to Supplier on all unpaid amounts at a rate of 4 percentage points over the then-effective prime commercial lending rate per annum published in the Money Rates section of *The Wall Street Journal* commencing on the first Working Day after the due date. (Should *The Wall Street Journal* discontinue publication of the prime commercial lending rate, the Parties shall agree on a mutually acceptable alternative source for that rate.)

Section 6.03 In the event any portion of any bill is disputed by Kenergy, the disputed amount shall be paid, under protest, when due. If the protested portion of the payment is found to be incorrect, Supplier shall promptly cause to be refunded to Kenergy (or to Century on behalf of Kenergy, as applicable) the amount that was not then due and payable, together with interest accrued on each calendar day from the date of payment by Kenergy to the date the refund is made. The same interest rate and computation method provided for in Section 6.02 shall be applied to the determination of interest due to Kenergy on the refund.

Section 6.05 If the cumulative, unbilled amount accrued to Kenergy's account as a result of Buy-Through Energy purchases by Kenergy under this Agreement exceeds \$50,000, Kenergy will, upon Big Rivers' written request (copied to Century), pay that cumulative amount to Big Rivers in immediately available funds on the second Working Day following the day on which Kenergy receives Big Rivers' request for payment.

This Agreement shall inure to the benefit of and be binding upon the Parties hereto and their respective successors and permitted assigns. No interest in this Agreement may be transferred or assigned by either Party, in whole or in part, by instrument or operation of law, without the prior written consent of the other Party, except that (a) assignment may be made by either Party without the consent of the other Party to such person or entity as acquires all or substantially all the assets of the assigning Party or which merges with or acquires all or substantially all of the stock or other ownership interest of such Party, and (b) Supplier may assign or delegate all or any portion of its rights or obligations under this Agreement to any affiliate or entity controlled by Supplier or to the Rural Utilities Service or any successor thereto without the prior consent of Kenergy. ### AMENDMENTS

Section 15.01 This Agreement may be amended, revised or modified by, and only by, a written instrument duly executed by both Parties.

Section 15.02 The Base Rate shall not be subject to change through application to the FERC pursuant to the provisions of Section 205 of the Federal Power Act absent the agreement of each of the Parties to this Agreement. Accordingly, neither Party shall petition FERC or any other governmental agency pursuant to the provisions of Section 205 or 206 of the Federal Power Act or any other provision of law to amend the Base Rate contained in this Agreement absent the agreement in writing of the other Party nor shall any Party cooperate with any other person(s), or request or encourage any other person(s) to make such petition; and each Party further agrees to oppose any action to change the Base Rate, including but not limited to pursuing appeals of any order or decision directing such change, and to bear all of its own costs of such opposition including attorneys' fees. Big Rivers' transmission rates, methodologies, and formulae are subject to change, but nothing in this Agreement limits the right of any Party to challenge any aspect of the Transmission Provider's Open Access Transmission Tariff, including the applicable loss factor, the transmission service rates or any other transmission or ancillary service issue presented to FERC.
