Paying by check authorizes us to send the information from your check electronically to your bank for payment. If your check is processed electronically, the transaction will appear on your bank statement, although your physical check will not be presented to your financial institution or returned to you. The original check will be destroyed after it is processed. This transaction will not enroll you in any automatic debit process and will only occur each time a check is received. Any re-submissions due to insufficient funds may also occur electronically. Please be aware that all checking transactions will remain secure in this check conversion program. If you have questions about this process or do not want your check to be converted, please contact our Customer Operations Center at the number printed on your bill.

Homeserve USA is optional. Homeserve USA is not the same as KPCO and is not regulated by the KY Public Service Commission. A customer does not have to buy the Warranty Service in order to continue to receive quality regulated service from KPCO.
