Electric

Effective In:

All territory served.

Classification:

Commercial and industrial customers.

Availability:

Available for alternating current power service, single-phase or three-phase, supplied through a single meter, measured and delivered at one of Company's standard secondary distribution system power voltages. Unrestricted lighting permitted when taken through the power meter but customer shall furnish and maintain any transformation or voltage regulatory equipment which may be required for such lighting service.

Rate:

First 100 kilowatt hours per month	4.0¢ net per kwh
Next 400 kilowatt hours per month	3.5¢ net per kwh
Next 500 kilowatt hours per month	3.0¢ net per kwh
Next 1000 kilowatt hours per month	2.5¢ net per kwh
Next 3000 kilowatt hours per month	2.1¢ net per kwh
Excess kilowatt hours per month	2.0¢ net per kwh

Minimum Bill:

40¢ net per month per horsepower of customer's total connected power load, but in no case less than \$1.00 net per month in the case of single-phase service nor less than \$2.00 net per month in the case of three-phase service. Horsepower of apparatus connected will be based on manufacturer's rating.

Prompt Payment Provision:

The monthly bill will be rendered at the above net charges (including net minimum bills when applicable) plus an amount equivalent to 5% thereof, which amount will be deducted provided bill is paid within ten days from date.

Minimum Bill Adjustments for Seasonal Air Conditioning Loads:

For the purpose of determining minimum monthly charges hereunder, motors used solely for air conditioning equipment which is in service only during the period April 15 to October 15 will not be considered as part of customer's total connected power load on bills rendered for those months of the year when such air conditioning equipment is not in service. Provided, however, that for billing purposes air conditioning equipment shall not be considered as out of service for more than six months in any one year. In no event shall the minimum bill for any month be less than \$1.00 for single-phase service, nor less than \$2.00 for three-phase service.
