Attention: Purchasing and Contracting Officer

Dear Sir:

In a letter dated January 15, 1991, you were advised that the Public Service Commission of Kentucky had, on December 21, 1990, issued its Order in Case No. 90-158 approving new gas and electric rates for Louisville Gas and Electric Company (LG&E) effective January 1, 1991. The Company filed a Petition for Rehearing and, on January 29, 1991, the Commission entered an Order granting a rehearing on certain limited issues.

The Commission, after consideration of the rehearing issues and by its Order dated September 30, 1991, authorized additional revenues and new gas and electric rates, including the rates contained in the power contract designated Contract W2215-ENG-1291, as heretofore amended and modified.

Therefore, effective September 30, 1991, service rendered under Contract W2215-ENG-1291 will be billed under the rates set forth on the attached "Fort Knox Electric Rate."

All other provisions of the contract not specifically mentioned herein remain the same as those in effect prior to the date of the Commission's Order.

If you have any further questions regarding this matter, please contact me.

Respectfully,

Ronald L. Battista  
Account Executive
