**RE: *Louisville Gas and Electric Company's Application
For Adjustments in its Electric and Gas Rates -
Case No. 2014-00372***

Dear Mr. Dyrdek:

On November 24, 2014, Louisville Gas and Electric Company ("LG&E") filed an Application with the Kentucky Public Service Commission ("Commission") requesting adjustments to its gas and electric rates, terms, and conditions, including the rates contained in the special contract between LG&E and Fort Knox for electric service under power contract designated Contract W2215-ENG-1291.

On April 20, 2015, LG&E filed a Settlement Agreement, Stipulation, and Recommendation with the Commission proposing rates lower than those originally proposed on November 24, 2014. On June 30, 2015, after evidentiary hearings, the Commission issued its Order in Case No. 2014-00372, approving the rates submitted by LG&E in the Stipulation and Recommendation, including the rates contained in the aforementioned special contract.

The rates approved by the Commission applicable to electric service under the power contract designated Contract W2215-ENG-1291, are set forth in the attached "Fort Knox Electric Rate" to become effective with service rendered on and after July 1, 2015.
