

STANDARD RIDER

Special Rate for Residential
Electric Space Heating ServiceApplicable:

To Residential Rate R.

Availability:

During the eight monthly billing periods from October through May of the following year, a special rate of 1.5¢ per kilowatt hour will be applicable to that portion of Residential Rate R consumption in excess of 400 kilowatt hours per month to any residential customer who has permanently installed and in regular use during the heating season an approved type of electric space heating installation, wired for service at 240 volts, and designed and used as the primary and predominating source of his household space heating requirements. The eight monthly billing periods referred to above shall start with the monthly period covered by the regular October meter reading and shall end with the period covered by the regular meter reading in May of the succeeding year.

In the case of multiple dwelling units served through a single meter under Residential Rate R, the special rate of 1.5¢ per kilowatt hour herein provided for shall apply only to that portion of total monthly consumption in excess of 400 kilowatt hours multiplied by the number of individual family units thus served.

Special Conditions:

Service under this rider is available only upon written application and subject to Company's inspection for the purpose of establishing eligibility of Customer's heating installation for service hereunder.
