Louisville Gas and Electric Company

P.S.C. Electric No. 8, Original Sheet No. 20

Industrial Time-of-Da	ay Secondai	y Service	· ·
APPLICABLE			
In all territory served.			
AVAILABILITY OF SERVICE			
This schedule is available for secondary indus			
limited to minimum average loads of 250 kW a			
kW. Customers initiating service on this rate		characteris	ics subsequently do not
meet these criteria will be billed on the approp	riate rate.		
		-	
RATE			
Basic Service Charge per month:	\$30	0.00	
			CANCELLED
Plus an Energy Charge per kWh of:	\$	0.02827	UANULLLU
Plus a Maximum Load Charge per kW of:			JUN 2 9 2011
Peak Demand Period	\$	5.20	KENTUCKY PUBLIC
Intermediate Demand Period		3.70	SERVICE COMMISSIO
Base Demand Period		5.48	
	Ŧ		
Where:			
the monthly billing demand for the Peak and	Intermediate	Demand P	eriods is the greater of:
a) the maximum measured load in the cu			
b) a minimum of 50% of the highest billi			
b) a minimum of 50% of the nighest bin	ing demand i		ding eleven (11) monthly
billing periods, and	ing demand i		ding eleven (11) monthly
billing periods, and the monthly billing demand for the Base Der	nand Period	n the preced is the greate	er of:
billing periods, and the monthly billing demand for the Base Der a) the maximum measured load in the cu	nand Period	n the preced is the greate period but no	er of: ot less than 250 kW, or
billing periods, and the monthly billing demand for the Base Der a) the maximum measured load in the cu b) a minimum of 75% of the highest billi	nand Period	n the preced is the greate period but no	er of: ot less than 250 kW, or
