13. SPECIAL CHARGES

The Cooperative will make a charge of \$10.00 (Ten Dollars) for each trip made during regular working hours or \$30.00 (Thirty Dollars) for each trip made after or before regular working hours - any service trip requested by a member to restore electric service when it is determined that the service interruption was caused by a defect in the member's wiring or equipment and is not the fault of the Cooperative.

14. SERVICE CHARGES FOR TEMPORARY SERVICE

Consumers requiring temporary service may be required to pay all costs of connecting and disconnecting incidental to the supplying and removing of service. In addition to this, a deposit will be required to cover estimated consumption of electricity. Both fees will be paid in advance. Any balance remaining at the end of temporary service will be refunded. (This rule applies to carnivals, fairs, voting booths.)

C. METERS

15. METER TESTS

All new meters shall be checked for accuracy before installation. The Cooperative will, at its own expense, make periodical tests and inspections of its meters in order to maintain a high standard of accuracy and to conform with the regulations of the Public Service Commission. The Cooperative will make additional tests of meters at the request of the member, provided the member does not request such test more frequently than once in twelve (12) months and upon payment of a test fee of \$10.00 (Ten Dollars) paid in advance. When the test made at the member's request shows that the meter is accurate within 2% slow or fast, no adjustment will be made to the member's bill and the fee paid will be forfeited to cover cost of requested test. When the test shows the meter to be in excess of 2% fast or slow, an adjustment shall be made to the member's bill by recalculating the monthly bills for that period of time that it is known that the meter has been fast or slow; however, if that period of time is not

known, then a period equal to one-half (1/2) of the time lapsed since the last previous test, but in no case shall this period exceed twelve (12) months except that if time for periodic test has over-run then the time of over-run shall be added to the amount unless it can be shown that the failure to make the periodic test was due to causes beyond the control of the Cooperative. The cost of testing the meter found to be more than 2% fast will be borne by the Cooperative and the \$10.00 (Ten Dollars) test fee paid by the member will be refunded.

16. FAILURE OF METER TO REGISTER

In the event a member's meter should fail to register, the member shall be billed from the date of such failure at the average consumption of the member based on the three (3) months period immediately preceding the failure or the same billing period the past year.

17. DISCONTINUANCE OF SERVICE BY COOPERATIVE

A. The Cooperative may/shall refuse or discontinue to serve a member under the following conditions:

1. For non-compliance with its rules and regulations.
2. When a dangerous condition is found to exist on the member's premises.
3. When a member refuses or neglects to provide reasonable access to the premises for the purpose of installation, operation, meter reading, maintenance or removal of Cooperative property.
4. For non-payment of any indebtedness due the Cooperative.
5. For failure to comply with the provisions of the wiring codes.

22. TAXES

The Cooperative shall add to the bills of all applicable members the Kentucky Sales and Use Tax, any utility gross receipts license tax for schools or any other tax or levy that may be legally imposed on the Cooperative that is measured or determined by sales or receipts.

23. METER READING

Each member receiving service will be required to supply the Cooperative with the reading of each meter on the form as furnished by the Cooperative on the date as designated by the Cooperative. If any member shall fail to read the meter and supply such reading to the Cooperative Office by the date designated, for three (3) consecutive months, such meter may be read by a representative of the Cooperative and the member shall pay a service charge of \$10.00 (Ten dollars) to cover cost of trip by such representative. In the event that an error in meter reading should be made or member fails to send in meter reading card, the member shall pay for that month either the minimum bill for the service he receives, or an amount approximately equal to his last bill. Then the following month's bill shall be computed on the regular schedule prorated for two months and the amount paid shall be credited.

24. UNPAID CHECKS FROM CONSUMERS

When a check received in payment of a consumer's account is returned unpaid by the bank for any reason, the Cooperative will notify such consumer by letter stating the amount of the check and the reason for its return. Returned checks will be considered same as a delinquent account, and if payment in full is not received for check within five (5) days after written notice, service to such consumer will be discontinued. However, if a returned check was originally paid on a delinquent account, service may be discontinued upon 48 hours written notice.

F. LINE EXTENSIONS (Continued)

C 8-79

B. DISTRIBUTION LINE EXTENSION TO MOBILE HOMES (Continued)

3. For extensions greater than 300 feet and less than 1,000 feet from the nearest facility, the utility may charge an advance equal to the reasonable costs incurred by it for that portion of the service beyond 300 feet plus \$50.00 (Fifty Dollars).

(a) This advance shall be refunded to the customer over a four (4) year period in equal amounts for each year the service is continued.

(b) If the service is discontinued for a period of sixty (60) days, or should the mobile home be removed and replaced by a permanent structure, the remainder of the advance shall be forfeited.

(c) No refunds shall be made to any customer who did not make the advance originally.

4. Beyond 1,000 feet the extension policies set forth in Section 29-A apply.

C. TEMPORARY EXTENSIONS, SINGLE PHASE OR THREE PHASE

Any extension which is required for a short period of time, or which cannot be expected to be connected for at least one year, will need to advance the following:

1. Average cost per foot, of all extensions, and the estimated removal cost, minus salvage.

2. All normal service charges in connection with service.
