PART A - Charges for Street and Park Lighting Systems, Traffic Signal Systems, and Athletic Field Lighting Installations

I. Energy Charge per kWh \$ 0.05140

II. Facility Charge The annual facility chare shall be 4 percent of the installed cost to Distributor's electric system of the facilities devoted to street and park lighting service specified in this Part A. Such installed cost shall be recomputed on July of each year, or more often if substantial changes in the facilities are made. Each month, one-twelfth of the then total annual facility charge shall be billed to the customer. If any part of the facilities has not been provided at the electric system's expense or if the installed cost of any portion thereof is reflected on the bloods of another organization, the annual facility charge shall be adjusted to reflect properly the remaining costs to be borne by the electric system.

Traffic signal systems and athletic field lighting installations shall be provided, owned and maintained by and at the expense of the customer, except as Distributor may agree otherwise in accordance with the provisions of the paragraph next following in this section. The facilities necessary to provide service to such systems and installations shall be provided by and at the expense of Distributor's electric system, and the annual facility charge provided for first above I this shall apply to the installed cost of such facilities.
