obligation to Cooperative for the payment of minimum bills as specified in application of consumer or contract with consumer.

17. SERVICE INVESTIGATION CHARGE

1. A flat charge of \$2.00 per trip shall be made for service investigations in cases where interruptions of service are not caused by failure of the Cooperative's facilities.

2. This charge is for all the cooperative area regardless of the distance from the office. It is not intended to cover any repair to consumer's facilities and is simply an investigation charge.

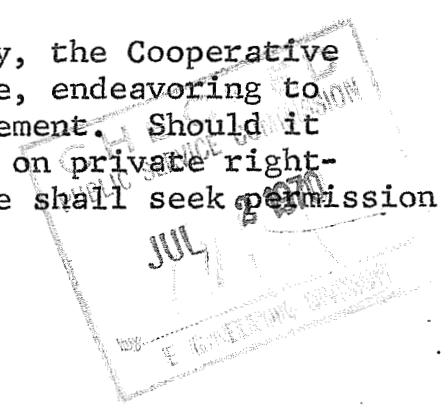

18. RELOCATION OF COOPERATIVE'S FACILITIES FOR PUBLIC AGENCIES

Should any agency, Federal, State or County, request the relocation of any Cooperative lines for any reason, if said lines are on right-of-way or easement, said Agency shall reimburse the Cooperative for the expense of relocating the Cooperative's facilities.

The Cooperative shall prepare an estimate of the cost of relocating its facilities for said Agency. When this estimate has been accepted and approved, the required work will then be commenced.

If said lines are on public right-of-way, the Cooperative shall relocate them at their own expense, endeavoring to relocate on private right-of-way or easement. Should it be impossible or unfeasible to relocate on private right-of-way or easement, then the Cooperative shall seek permission to relocate on public right-of-way.

The main dwelling and domestic servants' quarters may be metered and billed under the residential rate if a separate circuit is provided for all of the other farm uses in cases where products of other farms are processed for sale.

Consumer Billing and Collecting Policy

Cont'd

4. FOR THE CONVENIENCE OF CONSUMERS HAVING NO CHECKING ACCOUNT, said consumer shall read his meter on the 27th of each month, mark his card and mail card to Cooperative promptly. Cash payment shall not be enclosed with this card. Cash payment is not acceptable until after a bill has been rendered. A bill will be rendered on such non self-billed accounts as soon as possible after receipt of reading card. Failure to receive a bill does not free consumer from obligation to pay bill.

5. When making payments on accounts on which a bill was rendered, consumer shall enclose stub from bill to assure proper crediting of payment.

6. All payments are due by the 15th of the month.

7. On the 16th of the month cut-off notices shall be prepared and mailed on all unpaid accounts.

8. On the 25th of the month, all accounts still unpaid from the previous 27th billing shall be disconnected. See Policy #24 for collections.

9. "Estimated Bills" shall be rendered on accounts when no reading is received from the consumer. Consumer shall pay the "Estimated Bill." Adjustments will be made for late reading only when the Cooperative Management considers an adjustment necessary.

10. Should a consumer consistently refuse to cooperate in reading his meter and mailing said readings in at the proper time, the Cooperative may read his meter for him and charge him actual expense involved in reading his meter for him.

RULES AND REGULATIONS

28. METER POLES

1. A meter pole may be installed with original installation at no cost to the member provided as many as three services are used, emanating from the meter pole. If a meter pole is required by the member and less than three services are used, he shall be charged a \$25.00 contribution.

2. A \$25.00 contribution shall be made for meter poles installed on existing installations unless the load, in the judgment of management, will justify additional cost to be borne by Cooperative.

3. The \$25.00 contribution shall also apply to converting service pole to meter pole. In such cases service facilities from meter pole to house shall be retired from the Cooperative's records and become the property of the owner.

29. METER READING

Each member receiving service shall supply the Cooperative with monthly readings on such date as designated by the Cooperative. Upon failure by the member to supply the Cooperative with three consecutive meter readings the Cooperative shall then read the meter and charge the member two dollars (\$2.00) for the extra service rendered. In the event an error in meter reading is made or member fails to return meter reading, the member shall pay any amount approximately equal to his average bill.

30. FAILURE OF METER TO REGISTER

In the event a member's meter shall fail to register, the member shall be billed from the date of such failure at the average consumption of the member based on the three (3) month period immediately preceding the failure.
