ENERGY STAR® Refrigerator Replacement Incentive Program

Purpose

This program promotes an increased use of ENERGY STAR® rated refrigerators (“Qualifying Refrigerator”) by providing incentive payments to eligible Customers who purchase and install a Qualifying Refrigerator and remove from operation and recycle an existing and older, low-efficiency refrigerator.

Availability

Each DSM program offered by the Cooperative is sponsored by Big Rivers Electric Corporation through tariffs applicable to the Cooperative. Each Cooperative DSM program’s rates, terms and conditions are available to Customers of the Cooperative, subject to the limitations and eligibility requirements set forth in the Cooperative’s tariffs and the sponsoring tariff of Big Rivers.

Eligibility

Any Customer served from a non-dedicated delivery point is eligible for a DSM program.

Member Incentives

The Cooperative will credit or pay an eligible Customer an incentive payment of \$100 for each Qualifying Refrigerator that is purchased and installed by the Customer in conjunction with removing from operation and recycling an existing refrigerator, to be reimbursed by Big Rivers.

Terms & Conditions

To qualify for the incentive under this program, the eligible Customer must submit to Cooperative a copy of a paid invoice from a legitimate retail appliance supplier for purchase and installation of a Qualifying Refrigerator on the premises of the Customer, and acceptable documentation that an older refrigerator has been removed from operation and recycled.

Evaluation, Measurement and Verification

The Cooperative will follow a process of evaluation, measurement and verification for the program. The process will ensure the quality and effectiveness of the program and optimal use of resources.
