CLASSIFICATION OF SERVICE

SCHEDULE 1 - (Cont'd)

SPECIAL RULES FOR SINGLE PHASE SERVICE

1. Service under this schedule will include all types of electrical appliances and apparatus operating on single phase, 60 cycle, 120/240 volts.
2. Prior written approval must be obtained from the Cooperative before installation of any motor of 10 H.P. single phase or larger.
3. Applicants for service to trailers and mobile homes are required to comply with Rule 33.
4. Applicants for service to barns, silos, water and irrigation pumps or other buildings not classified as residential or commercial are required to comply with Rule 34.

SPECIAL RULES FOR THREE PHASE SERVICE

Applicants for three phase service, where available, shall be required to pay in advance the difference in construction cost between single phase and three phase service, including cost of transformers. If the applicant has established satisfactory credit or payment history with the Cooperative the cost may be paid over a period of 60 months. If payment is made monthly, 6% interest charges shall be added, calculated on the outstanding balance each month, and a contract for service must be completed.
