**RULES AND REGULATIONS**

1. Energy Associates, Inc. operates as a farm tap system as described in KRS 278.485.
2. Energy Associates, Inc. is producing gas, and operates a gas gathering system.
3. Energy Associates, Inc.'s system is located in Whitley County, Kentucky, approximately 3 miles south of the town of Williamsburg.
4. Energy Associates, Inc.'s system presently consists of approximately 24.9 miles of buried plastic pipe (SDR-11), that centers on a 4" main line, and gathers gas from 29 wells. The system gathers gas from wells located southwest of Williamsburg, Kentucky, then runs southward to connect with Southern Gas Company of Delaware, Inc.'s gathering line in Campbell County, Tennessee.
5. The farm tap system has been constructed according to all applicable rules and regulations of the Public Service Commission: 807 KAR 5:006; 5:022 and 5:026.
6. The terms and conditions stated in 807 KAR 5:026 concerning farm systems are referenced hereto and are incorporated herein.
7. The offices of Energy Associates, Inc. are located at 152 East Reynolds Road, Suite 201, Lexington, Kentucky 40517.
8. The customer shall pay the Tap Fee and Deposit referred to herein prior to receiving service. Thereafter, the customer shall pay for all gas delivered at rates approved by the Public Service Commission.
9. Gas consumption shall be based on measurement by meter which has been installed by Energy Associates, Inc., except when such meter ceases to register, proves to be defective, or is found by test not to be accurate within the limits specified in the rules and regulations of the Public Service Commission. In such cases the consumption shall be estimated. Energy Associates, Inc. will, upon written request of the customer, have the meter removed and tested. If the meter so tested is found to be accurate within the rules of the Public Service Commission, the customer shall, upon presentation of a bill, pay Energy Associates, Inc. for the cost of the meter test.
10. Energy Associates, Inc. personnel, upon presentation of proper identification, shall be permitted to enter the premises of the customer to read, repair, change or remove the meter or inspect regulators.
11. Where the service facilities or other equipment have been tampered with, resulting in improper measurement of the service supplied, the customer shall be required to pay for such gas service as Energy Associates, Inc. may estimate to have been used but not registered by the meter. In addition, customer shall be required to bear all costs incurred by Energy Associates, Inc. for inspections or repairs related to such tampering, and for the cost of any protective equipment that in Energy Associates, Inc.'s judgement, may be necessary.
