pursuant to the Purchased Gas Adjustment provision heretofore prescribed by the Public Service Commission of Kentucky, by Orders issued in Case No. 3276, as follows:

The rates authorized herein are based upon the wholesale cost of gas to the Applicant as computed upon rates of its wholesale suppliers currently in effect as of December 1, 1961, (Demand \$2.62 - Commodity \$.3200), under Federal Power Commission tariffs for interstate business or under wholesale tariffs of this Commission. For the purpose of this purchased gas adjustment clause, these rates shall be considered as the base rate for purchased gas. In the event there is any change in this base rate, either increase or decrease, the Applicant shall within thirty days from the time it receives notice of the proposed change file with this Commission the following information:

- (1) A copy of the Federal Power Commission tariff effecting the change in the base rates and a statement relative to the effective date of such proposed change.
- (2) A statement setting out the details of gas purchased under the provisions of the base rate for the previous twelve months showing billing under the base rate and under the proposed revised rate applicable to this service.
- (3) A balance sheet as of the end of the twelve months period and a statement of operating expenses and revenues in the same detail as reported to this Commission in the Utility's Annual Report.
- (4) A forecast showing the estimated gas purchases from all of the utilities contract suppliers for the next twelve months period together with an estimate of the cost thereof.
- (5) Such other information as this Commission may request for a proper determination of the purchased gas adjustment.

date of the revised base rate, but not less than thirty days from the date of the filing of the above prescribed information, issue its Order setting out the purchased gas adjustment that the utility shall apply to its rates and/or such refunds as may be proper.

The maximum amount of the adjustment so prescribed shall not produce revenue adjustments based upon the actual preceding twelve months period, greater than the difference between the purchased gas billed at the then existing rate and the purchased gas billed at the revised rate.

(N) OTHER PROVISIONS

6/16/65

Where a customer has installed a gas light for continuous street or outdoor lighting, in lighting devices approved by the Company, and the gas used by such light is unmetered, the gas consumed by such light shall be assumed to be two thousand cubic feet (2,000) per mantle per month. Such assumed consumption shall be billed under the rates contained herein or if in combination with metered usage under this Rate Schedule, shall be added to the customer's metered usage and the total billed under the rates contained herein.
