TARIFF FORMAT

- A. Page Numbering - page numbers appear in the upper right corner of the page. Pages are numbered sequentially. However, new pages are occasionally added to the Tariff. When a new page is added between pages already in effect, a decimal is added. For example, a new page added between page 14 and 15 would be 14.1.
- B. Page Revision Numbers - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current page version on file with the A.C.C. For example, the 4th revised page 14 cancels the 3rd revised page 14. Consult the check page for the page currently in effect.
- C. Paragraph Numbering Sequence - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:
- 2.
 - 2.1
 - 2.1.1
 - 2.1.1(A)
 - 2.1.1(A).1
 - 2.1.1(A).1.(a).
 - 2.1.1(A).1.(a).I
 - 2.1.1(A).1.(a).I.
 - 2.1.1(A).1.(a).I.(1).
- D. Check Pages - When a Tariff filing is made with the Commission, an updated check page accompanies the Tariff filing. The check page lists the pages contained in the Tariff with a cross-reference to the current revision number. When new pages are added, the check page is changed to reflect the revision.

SECTION 1 – DEFINITIONS AND TERMS

Certain terms used generally throughout this tariff for communications services furnished by the Company over its facilities is defined below.

Automatic Number Identification (ANI): The calling telephone number identification that will be forwarded to the Company's network by the Local Exchange Company (LEC) as a call is placed. ANI is provided by the LEC only when LEC switch access Feature Group B direct or Feature Group D interconnections are used to gain access to Company's switched telecommunications service.

Commercial MTS: Outbound toll services offered by the Company for large volume users.

Commission: Commission refers to the Kentucky Public Service Commission or any succeeding agency.

Company or Carrier: Working Assets Funding Services, dba/Working Assets Long Distance.

Customer: The Customer is a person or legal entity, which uses or subscribes to the Company's services and thereby assumes responsibility for the payment of charges and compliance with the Company's Tariff regulations.

Day: From 8:00 AM up to, but not including, 5:00 PM local time on Monday through Friday, excluding Company-specified holidays.

Direct-Dial(ed): Describes a call dialed from a telephone number, whose long distance and/or local toll is presubscribed to the Company, without operator or automated assistance and not charged to a calling card.

SECTION 1 – DEFINITIONS AND TERMS

End User: End User is the person or legal entity that uses the service provided by the Company.

Initial and Additional Period: The Initial Period denotes the interval of time allowed at the rate specified for a connection between given service points. The Additional Period denotes the interval of time used for measuring and charging time in excess of the Initial Period.

Evening: From 5:00 PM up to, but not including, 11:00 PM local time on Sunday through Friday, and for 24 hours on Company-specified holidays unless a lower rate would normally apply.

FCC: Federal Communications Commission

Holidays: All Company-specified holidays: New Year's Day#, Martin Luther King Day*, President's Day*, Memorial Day, Independence Day, Labor Day, Columbus Day, Veterans Day#, Thanksgiving Day, and Christmas Day#.

* Applies to Federally observed day only.

When this holiday falls on a Sunday, the Holiday calling rate applies to calls placed on the following Monday. When this holiday falls on a Saturday, the Holiday calling rate applies to calls placed on the preceding Friday.

LEC: Local Exchange Carrier

Local Toll: Calls to destinations outside the Subscriber's local calling area but within the LATA in which the call originates.

SECTION 1 – DEFINITIONS AND TERMS

Local Distribution Area: A geographically contiguous area surrounding the Carrier's serving switch location

Long Distance: Calls to destinations outside the LATA in which the Subscriber originates the call.

Night/Weekend: From 11:00 PM up to, but not including, 8:00 AM local time, Sunday through Friday, any time on Saturday, any time on Sunday except for the period beginning at 5:00 PM up to, but not including, 11:00 PM.

Normal Work Hours: The time after 8:30 AM and before 5:30 PM Monday through Friday excluding Holidays.

Other Common Carrier (OCC): A specialized or other type of common carrier authorized to provide domestic or international communications service

Personal Identification Number: Personal Identification Number ("PIN") is a unique number assigned to each Calling Card or any service requiring a PIN for the purpose of accessing Service.

PIN: PIN stands for Personal Identification Number (PIN) and is a numerical code one or more of which may be assigned to a Customer for access and use of Service. The PIN enables the Company to identify the end user originating Service for security and for billing purposes. PINs are the sole property of the Company and no Customer shall have any property or other right or interest in the use of any particular PIN.

Presubscribed Carrier: That carrier to whom the Subscriber's local toll and/or long distance call are automatically routed by the LEC.

SECTION 2 – GENERAL REGULATIONS

2.1 Undertaking of the Company

- 2.1.1 This Tariff contains the descriptions, regulations, and rates applicable to the furnishing of telecommunications services provided by Working Assets Funding Services, with principal offices at 101 Market Street, Suite 700, San Francisco, CA 94105.
- 2.1.2 This Tariff applies to services furnished statewide within the state of Kentucky. This Tariff is on file with the Commission, and copies may be inspected during normal business hours, at the Company's principal place of business.
- 2.1.3 This tariff contains the regulations and rates applicable to intrastate resale telecommunications services provided by Company for telecommunications between points within the State. The Company's services are furnished subject to the availability of facilities and subject to the terms and conditions of this tariff.
- 2.1.4 Company's services are not part of a joint undertaking with any other entity providing telecommunications channels, facilities or services, but do involve the resale of the Message Toll Services (MTS), switch network services, private lines and Wide Area Telecommunications Services (WATS) of underlying common carriers.
- 2.1.5 The rates and regulations contained in this tariff apply only to the services furnished by Company and do not apply, unless otherwise specified, to the lines, facilities, or services provided by a local exchange telephone company or other common carrier for use in accessing the services of Company.
- 2.1.6 Without incurring liability, the Company may refuse or terminate Service pursuant to 807 KAR 5:006, Section 14 or 807 KAR 5:061, Section 12.
- 2.1.7 The availability of toll-free numbers from the Company is limited by the Company's ability to obtain toll-free numbers from the DUC.

 SECTION 2 – GENERAL REGULATIONS

2.2 Timing of Calls

2.2.1 The subscriber's long distance usage charge is based on the actual usage of Company's network. Usage begins when the called party picks up the receiver. When the called party picks up is determined by hardware answer supervision in which the local telephone company sends a signal to the switch or the software utilizing audio tone detection. A call is terminated when the calling party hangs up. Residential usage charges are rounded to the next full minute. Commercial usage charges are rounded to the next six seconds.

2.3 Calculation of Distance

2.3.1 Usage charges for all mileage sensitive products are based on the airline distance between rate centers associated with the originating and terminating points of the call.

2.3.2 The airline mileage between rate centers is determined by applying the formula below to the vertical and horizontal coordinates associated with the rate centers involved. The Company uses the rate centers and associated vertical and horizontal coordinates that are produced by Bell Communications Research in the NA-NXX V & H Coordinates Tape and Bell's NECA Tariff No. 4.

The formula for distance calculations is:

$$\sqrt{\frac{[(V1 - V2)^2 + (H1 - H2)^2]}{10}}$$

SECTION 2 – GENERAL REGULATIONS

2.4 Undertaking Of The Company

- 2.4.1 The Company's services are furnished for communications originating at equal access points within the State of Kentucky served by one or more of the certificated long distance carriers that carry the Company's long distance traffic.
- 2.4.2 The Company neither owns nor operates any long distance facility within the State of Kentucky but rather resells services provided by other long distance carriers. When authorized by the subscriber, the Company may act as the subscriber's agent for ordering access by the local exchange company instead of other carriers or entities to allow connection of a subscriber's location to the networks of long distance carriers who carry the Company's long distance traffic. The subscriber shall be responsible for all charges due for such service arrangement. The subscriber shall be billed by the Company, and shall be considered a subscriber of the Company and not of any other long distance carrier.
- 2.4.3 Request for service under this Tariff shall authorize the Company to conduct a credit search on the subscriber. The Company reserves the right to refuse service on the basis of credit history, and to refuse further service due to the late payment or non-payment by the subscriber.

SECTION 2 – GENERAL REGULATIONS

2.5 Limitations

- 2.5.1 Service is offered subject to the availability of carrier facilities and the provisions of this Tariff.
- 2.5.2 The Company reserves the right to discontinue or limit the use of service necessitated by conditions beyond its control, or when the subscriber is using the service in violation of the law or the provisions of this Tariff.
- 2.5.3 No service provided under this Tariff may be transferred or assigned by the subscriber, except with the express written consent of the Company. Such transfer or assignment shall apply only where there is no interruption of the use of service. Transferees or assigns shall be subject to the terms and conditions of this Tariff.
- 2.5.4 The Company neither owns nor operates any long distance facilities but rather resells services provided by other long distance carriers. Service is offered subject to the availability of the Underlying Carriers' facilities and the provisions of this Tariff.
- 2.5.5 The Company reserves the right to block traffic to or from certain countries, cities, or exchanges, or to disallow the use of certain Customer authorization codes, when such action is necessary to prevent the unlawful use of its service. Service will be restored as soon as it can be provided without undue risk, and, upon request by the affected Customer, a new authorization code will be assigned. Company may control fraud by refusing to accept calling card, collect calling and/or third number calls that are determined to be invalid by the Company or by the Underlying Carrier.
- 2.5.6 The Company will not be liable for any consequential, incidental or indirect damages for any cause of action for negligence, whether in contract or tort. Consequential, incidental, and indirect damages include, but are not limited to, lost profits, lost revenues, and loss of business opportunity, whether or not the other party was aware or should have been aware of the possibility of these damages.

2.6 Liabilities Of The Company

- 2.6.1 The liability of the Company for damages arising out of mistakes, omissions, interruptions, delays or errors or defects in the transmission occurring in the course of furnishing service, channels or other facilities and not caused by the negligence of the subscriber, commences on agreement to provide service and in no event exceeds an amount equivalent to the charge(s) the Company would assess to the subscriber for the period of service during which such mistakes, omissions, interruptions, delays or errors or defects in transmission occur. For the purpose of computing such amount, a month is considered to have 30 days.
- 2.6.2 When the facilities of other carriers are used in establishing connections to points not reached by the Company's contracted Underlying Carriers' facilities, the Company is not liable for any act or omission of the other carrier or carriers. The subscriber will indemnify and save harmless the Company from any third party claims for such damages referred to in Section No. 2.6.1 above.
- 2.6.3 The Company will make no refund on overpayments by a subscriber unless the claim for such overpayment together with proper evidence is submitted within two (2) years from the date of alleged overpayment. In calculating refunds, volume discounts will be adjusted based on total usage after all credits or adjustments have been applied.
- 2.6.4 The Company shall be indemnified and held harmless by the subscriber against claims for libel, slander, or infringement of copyright arising out of the material, data, information or other content transmitted through the Company's services, and against all other claims arising out of any act or omission of the subscriber in connection with any service provided by the Company.

SECTION 2 – GENERAL REGULATIONS

2.6 Liabilities of The Company (continued)

2.6.5 The Company will make reasonable efforts to cure any material failure to provide services caused solely by defects in the Company's and/or its Underlying Carriers' hardware, software or systems. Due to the interdependence among telecommunications companies, especially the dependence of Company processes, equipment and systems, the Company is not responsible for the failure caused by circumstances beyond its control including, but not limited to, failures caused by: (1) a local exchange carrier; (2) Customer premises equipment; (3) the Customer; or (4) Underlying Carriers and vendors. In addition, the Company does not ensure compatibility between Company services and other services used by Customer.

2.6.6 Acceptance by the Commission of the liability provisions contained in this Tariff does not constitute its determination that the limitation of liability imposed by the Company should be upheld in a court of law, but the recognition that, as it is the duty of the courts to adjudicate negligence claims and rights to recover damages therefore, so it is the duty of the courts to determine the validity of the exculpatory provisions of this Tariff.

2.7 Temporary Suspension for Repairs

2.7.1 The Company shall have the right to make necessary repairs or changes in its facilities at any time and will have the right to suspend service temporarily for the purpose of making the necessary repairs or changes in its system. When such suspension of service for any appreciable period is necessary the Company will give the subscribers who may be affected as reasonable notice thereof as circumstances will permit, and will prosecute the work with reasonable diligence, and if practicable at times that will cause the least inconvenience.

2.7.2 When the Company is repairing or changing its facilities, it shall take appropriate precautions to avoid unnecessary interruptions of conversations or subscriber's service.

2.8 Establishment and Reestablishment of Credit

2.8.1 The Company reserves the right to examine the credit record and check the references of all applicants or subscribers prior to accepting an order for new or expanded service. An unsatisfactory credit history may result in denial of service.

2.9 Restoration of Service

2.9.1 The use and restoration of service shall be in accordance with the priority systems of the long distance carriers providing service to Company.

SECTION 3 – DESCRIPTION OF SERVICES

2.12 Taxes and Assessments

2.12.1 In addition to the charges specifically pertaining to the Services, certain federal, state, and local surcharges, taxes, gross receipts, and fees will be applied to these Services. All federal, state, and local taxes, surcharges, and fees (i.e., sales tax, gross receipts tax, municipal utilities tax, etc.) are listed on the Customer's invoices, and unless otherwise specified herein, are not included in the rates listed in this Tariff.

2.12.2 Unless otherwise specified herein, all stated charges in this Tariff are computed by the Company exclusive of any assessments, duties, fees, surcharges, taxes, or similar liabilities levied against the Company by governmental, quasi-governmental, or other entities such as federal, state, or local government. Such assessments, duties, fees, surcharges, taxes, or similar liabilities shall be paid by the Customer in addition to the charges stated in this Tariff. All such charges shall be shown as a separate line item on the Customer's bill.

2.13 Notices

2.13.1 All notices or other communications required to be given pursuant to this Tariff will be in writing. Notices and other communications of either party, and all bills mailed by the Company, will be presumed to have been delivered to the other party on the third business day following placement of the notice, communication, or bill with the U.S. Mail, electronic mail (e-mail), overnight delivery, or other delivery method selected by the Company, prepaid and properly addressed, or when actually received or refused by the addressee, whichever occurs first.

2.13.2 Unless otherwise provided by these Rules, any notice from any subscriber to Company may be given orally to Company by the subscriber, or any authorized representative, or by written notice properly addressed and mailed to Company.

2.13.3 The Company or the Customer will advise the other party of any changes to the addresses designated for notices, other communications, or billing.

SECTION 3 – DESCRIPTION OF SERVICES

2.14 Usage Charges

2.14.1 Charges will be billed monthly in arrears, with the exception of the billing of fixed charges that are billed in the month in which they occur. Subscriber will be billed for all usage accrued beginning immediately on access to the service. For the purpose of computing charges, a month is considered to consist of 30 days.

2.15 Billing Date

2.15.1 The billing date is dependent on the billing cycle assigned to the subscriber.

2.16 Bill

2.16.1 Bills will be received by US Mail or, upon customer request, via the Internet. Bills may be paid by mail or with Company concurrence, by telephone using a credit card, or by debit origination prearranged by the customer. All charges for services are payable only in United States currency. Payment by mail may be made by check, money order, or cashier's check.

2.16.2 The Company may bill customers on other than a monthly basis (e.g., every other month, every third month) unless a Customer requests monthly billing. In no case will the Company issue bills less frequently than once every three months.

2.16.3 In the event of a billing dispute, all undisputed portions of the bill must be remitted by the date specified on the invoice.

SECTION 3 – DESCRIPTION OF SERVICES

2.19 Cancellation For Cause

2.19.1 Without incurring liability, the Company may refuse or terminate Service pursuant to 807 KAR 5:006, Section 14 or 807 KAR 5:061, Section 12.

2.19.2 Conditions Under Which the Company May Refuse or Terminate Service

- (A) For noncompliance with the Company's tariffed rules or Commission regulations. However, the Company will not terminate service without having made a reasonable effort to obtain Customer compliance. Service will be refused or terminated after the Company has given the Customer or Applicant at least ten (10) days' written notice.
- (B) For dangerous conditions. The Company will notify the Customer immediately in writing and, if possible, orally, of the reasons for the termination or refusal. The notice shall include the corrective action to be taken by the Customer before Service can be restored or provided.
- (C) For noncompliance with state, local or other codes. The Company will terminate Service only after ten (10) days' written notice in accordance with 807 KAR 5:006, Section 14 (1) (e), unless ordered to terminate Service immediately by a governmental official.
- (D) For nonpayment of bills from the Company. The Company will terminate Service only after five (5) days' written notice, unless ordered to terminate immediately by a governmental official. Under no circumstance will Service be terminated in less than twenty (20) days' after the mailing of the original unpaid bill.
- (E) For illegal use or theft of Service. The Company may terminate Service to a Customer without advance notice if the Company has evidence that a Customer has obtained unauthorized Service by illegal use or theft. Within twenty-four (24) hours after such termination, the Company will send written notification to the Customer of the reasons for termination of Service, and of the Customer's right to challenge the termination by filing a formal complaint with the Commission.

SECTION 3 – DESCRIPTION OF SERVICES

2.19 Cancellation For Cause (continued)

2.19.3 Conditions Under Which the Company Will Not Terminate Service

- (A) The Company will not terminate Service if payment for Services is made. Following receipt of a termination notice for nonpayment but prior to actual termination of Service, there is delivered to the Company payment of the amount in arrears, Service will not be terminated.
- (B) The Company will not terminate Service if a payment agreement is in effect. Service will not be terminated for nonpayment if the Customer and the Company have entered into a partial payment plan and the Customer is in compliance with that agreement.

2.20 Reconnection Fee

2.20.1 Customers whose service has been blocked for non-payment are subject to a reconnection fee as set forth in Section 4 for restoration of service.

2.21 Subscriber Responsibilities

The Subscriber is responsible for the payment of charges incurred by any use of the service via the telephone number for which the Subscriber has chosen the Company as the Presubscribed Carrier for local toll and/or long distance calls and for cost of service accessed via the Calling Card number assigned to the Subscriber. The Subscriber is responsible for preventing the unauthorized use of such service, and for the payment of charges incurred by any unauthorized use of the service. Also, the Subscriber is responsible for compliance with this Tariff.

SECTION 3 – DESCRIPTION OF SERVICES

3.1 General

- 3.1.1 The Company is a communications common carrier providing various intrastate communications services.
- 3.1.2 Unless otherwise stated in the Tariff, the method of provisioning a specific Service is determined by the Company, and the selection of the Underlying Carrier is made by the Company. Switched Access Services are only available in equal access areas. All Services are only available to subscribers of the companion interstate services. For the purpose of the selection of the Service and associated billing plan, the Service and billing plan selected at the time of the order is provisioned will remain in effect until requested to be changed by the Customer. In addition to the rates set forth in Section 4 of this Tariff, the Services below are subject to the rates, terms, and conditions of the companion interstate Service.

3.2 Service Offerings

3.2.1 Calling Card Service

Calling Card Service enable the End User to originate a call from a touch tone telephone by dialing a Toll Free access number, a valid calling card number, and PIN. All travel card Services are interstate Services with the Customer having the option to use the Service to place intrastate calls.

3.2.2 Directory Assistance

DA allows Customers to dial the area code plus 555-1212 to obtain phone numbers for end users who have their phone number publicly listed in that area code. Customers can receive up to two numbers per request to DA. DA charges apply whether or not DA furnishes the requested number(s), e.g. the requested number is unlisted, non-published or no record can be found. Requests for information other than telephone numbers will be charged for as requests for telephone numbers. When more than one listing is desired, the Customer must state that two listings are desired at the beginning of the call whether speaking with a live operator or responding to a recorded message.

3.2 Service Offerings (continued)

3.2.3 Message Telecommunications Services (MTS)

- (A) Residential and Commercial Message Telecommunications Services (MTS) are Intercity services available for use by subscribers 24 hours a day. The subscriber's telephone line(s) are programmed by the local telephone company to automatically route "1+" and/or "10XXX" calls to the network. The various rate plans are described in Section 4.
- (B) Subscribers may originate MTS from all locations and may terminate calls in all equal access locations within the State.
- (C) All Residential MTS calls are billed in one-minute increments subject to a minimum connect time of one minute. All calls are rounded up to the next highest minute. New subscriptions to the Residential MTS plan are no longer accepted. Only existing Subscribers may receive service under this plan. Should existing subscribers change calling plans or cease having the Company as their Presubscribed Carrier and subsequently return they will not be able to reenroll in this calling plan.

3.2.4 Operator Services

The Company will offer Operator Service from specific originating domestic locations on the US Mainland (excluding Alaska), Hawaii and Puerto Rico/U.S. Virgin Islands, Wake and Midway Islands, Guam and the Republic of the Marshall Islands. Operator Service rates are applied regardless of the particular calling plan of the Subscriber. Different rates apply to Operator Services billed to the Working Assets Calling Card than rates applied to Operator Service calls dialed from a phone line having Working Assets as its Presubscribed Carrier.

SECTION 3 – DESCRIPTION OF SERVICES

3.10 Business Advantage Term Plans

Business Advantage Term Plans offer the Customers, who subscribe to the companion interstate service, various combinations of Direct Dial, Toll Free, and Calling Card services upon entering into a written agreement with the Company and committing to Minimum Volume and/or Term Commitments that vary by Plan. Unless specified otherwise in the Plans listed below, the Term of Agreement is one year. Payment for service is due upon receipt and Service may be disconnected if the unpaid balance is not received within 30 days of the invoice date. Termination of service for nonpayment is considered disconnection of the agreement, and may result in the customer incurring a termination charge. Customers who terminate Services prior to the expiration of the term commitment will incur additional charges. Volume and Intranetwork discounts do not apply to these Plans. All surcharges and appropriate taxes are applicable to the rates and charges for these Plans. If any part of the written agreement is found invalid or unenforceable, the remaining provisions shall remain valid and enforceable. The Company offers various rate plans described below.
