Terms and Conditions**

Rev 1.31.05

1. Tariff Coverage

This PRIME Advantage offering is provided pursuant to the provisions of the Company's General Exchange Tariff filed with and approved by the Public Utilities Commission of Ohio and the Public Service Commission of Kentucky. The following conditions, while not all inclusive, are among those controlled by the General Exchange Tariff:

- a) If customer terminates a PRIME Advantage service (which includes the facility, channels and optional features) prior to completion of the 12 month minimum service period or the VTPP contract period, they will be subject to termination charges.
- b) Conditions and regulations concerning the Variable Term Payment Plan (VTPP).
- c) Periods of service, including the 12 month minimum period of service. Service periods of 24 months, 36 months and 60 months are also available.
- d) Conditions and regulations concerning upgrades from existing analog trunk service or TRUNK Advantage to PRIME Advantage, and applicable non-recurring charges.
- e) Billing for this service.
- f) Limitations of liability.

The General Exchange Tariffs are available for inspection at any company business office.

2. Changes in Service or Rates

Rates shown are those in effect on this date. Quantities shown are based upon information given by the Customer to Company on this date. In the event of (1) a change in the quantity of service requested by Customer and/or (2) the rates shown are not those in effect at the time of installation, an attachment will be provided to Customer by Company which will reflect the actual quantities and rates in effect for this service as installed and billed.

3. Subsequent Customer Orders

Additional channels, or facilities can be added to PRIME Advantage service pursuant to the provisions of this Agreement and the company's General Exchange Tariff.

Additional orders can be coterminous with original expiration date. This contract applies to any additions matching the original expiration date. Additions with new expiration dates will require a new separate contract.

Charges for services not described herein including, but not limited to, service lines, private lines, and other terminal equipment and services are in addition to those specified herein.

4. Termination Charges

- a) If a Customer terminates service, without cause, prior to the expiration of the term, the Customer will pay to CBT a termination charge equal to all remaining amounts due or to become due, including but not limited to all monthly charges for which Customer would have been responsible if the Customer had not terminated prior to the end of the applicable 12, 24, 36 or 60-month term payment plan.
- b) If Customer removes one or more facility(s), channel(s) and/or optional feature(s) from service prior to the expiration of the term hereof, Customer will pay to CBT a termination charge equal to all monthly charges for such facility(s), channel(s), and/or optional feature(s) for which Customer would have been responsible if the Customer had not terminated prior to the end of the applicable 12, 24, 36 or 60-month term payment plan.
- c) If nonrecurring charges associated with the installation of a Service are waived and the service is then terminated prior to completion of the 12-month minimum service period or the VTPP contract period, the customer will become liable for payment of the waived charges.
- d) Commission approval of the termination liability for Prime Advantage Contracts, as described above, is not intended to indicate that the Commission has approved or sanctioned any terms or provisions contained therein. Signatories to such contracts shall be free to pursue whatever legal remedies they may have should a dispute arise.

5. Contract Expiration

After expiration of the initial term, this Agreement shall automatically renew at the current contract rate for twelve (12) month periods unless either party terminates this Agreement by providing thirty (30) days advance written and/or verbal notice of termination to the other party prior to the expiration of the then-current term. Notwithstanding the foregoing, Cincinnati Bell reserves the right to adjust rates at any time after the expiration of the initial term upon sixty (60) days prior written notice to Customer, during which time Customer shall have the right to terminate the Agreement, without incurring termination charges, if Customer does not agree to stated rate adjustment. In the event Customer does not provide written and/or verbal notice of termination during the sixty (60) day period, Customer shall be deemed to accept the rate adjustment.

6. Upgrades

Customers wishing to upgrade existing analog trunk service or TRUNK Advantage to PRIME Advantage will not be charged installation for the number of existing trunks/channels that are moved to PRIME Advantage. Initial charges for facilities, features, and additional channels will still apply.

Customers wishing to upgrade existing TRUNK Advantage service to PRIME Advantage can terminate their current contract without penalty under the condition that a new PRIME Advantage contract is signed.

Customers wishing to change existing PRIME Advantage service to TRUNK Advantage service can terminate their current contract without penalty under the condition that a new TRUNK Advantage contract is signed. All installation charges for TRUNK Advantage service will apply.

7. Compliance with Tariff

Customer agrees to comply with all of the provisions of the General Exchange Tariffs applicable to this service. In the event of any conflict between the provisions of this agreement and the Company's General Exchange Tariffs, the provisions of the General Exchange Tariff will take precedence and be controlling.

Additional Terms

General terms and conditions for PRIME Advantage contracts are explained in the tariff. This explanation is for clarification and situations outside of those covered by the general terms and conditions.

- . If tariffed rates go up before the expiration of a customer's contract, the customer will remain at the lower contracted rates until contract expiration.
- . If tariffed rates go down before the expiration of a customer's contract, they will have the option to recast their contract for another 12 month minimum, 24 month, 36 month, or 60 month service period at the new tariffed rates. This is not an automatic process, it must be customer initiated.
- . If the PRIME Advantage facility is maintained, a customer may add, delete, or change channels from their existing service without a new contract or termination charges.
- . If a customer wishes to add facilities to their current service, a new contract should be signed. There are two scenarios a customer can choose from:
 - 1) The new contract can end coterminously with the original contract and follow the same rate structure. If this is the case, it must be stated in the remarks section of the contract, and referred to the original contract number. Be sure to state the date of expiration.
 - 2) The new contract can be separate with its own expiration date and rates following the current tariffed rate structure.
- . If the customer believes they have been incorrectly billed, customer should contact the CBT business office within sixty (60) days at (513) 566-5050 to initiate a billing review. Invoices for non-regulated services not disputed with sixty (60) days will not be subject to dispute thereafter.
- . If a customer moves their business to another location within our operating territory prior to the expiration of their contract, the contract will move with them. They will not suffer termination penalties unless they lessen the number of PRIME Advantage facilities at the new location. The contract will continue with the original expiration date and rate structure. The customer will be subject to all normal installation and service charges associated with moving the service.

In the event a resolution cannot be reached at the operational level, the disputing party shall give the other party written notice of the dispute and such controversy or claim shall be negotiated between appointed counsel or senior executives of the parties who have authority to settle the controversy. If Customer in good faith disputes any portion of any Cincinnati Bell invoice, Customer shall submit to Cincinnati Bell by the Invoice Due Date, full payment of the undisputed portion of any Cincinnati Bell invoice and written documentation identifying and substantiating the disputed amount. If Customer does not report a dispute within sixty (60) days following the date on the applicable invoice, Customer shall have waived its right to dispute that invoice. Cincinnati Bell and Customer agree to use their respective best efforts to resolve any dispute within thirty (30) days after Cincinnati Bell receives written notice of the dispute from Customer. Any disputed amounts resolved in favor of Customer shall be credited to Customer's account on the next invoice following resolution of the dispute. Any disputed amounts determined to be payable to Cincinnati Bell shall be due within (10) days of resolution of the dispute.

11. **TERMINATION.**

Notwithstanding the provisions regarding the Term and Termination Charges of each Schedule, and in addition to the parties' rights of termination specifically provided elsewhere in this Agreement, the following shall apply:

11.1 In the event that one party breaches any material obligation provided hereunder, excluding payment obligations, or in such Schedule (other than Customer's payment obligations), the other party shall give the breaching party written notice of the breach and request that the breach be cured ("Cure Notice"). If the breaching party fails to cure the specified breach within thirty (30) days of receipt of the Cure Notice (or such other mutually agreed upon time), the other party shall have the right to terminate the Schedule, effective upon five (5) days prior written notice to the breaching party ("Termination Notice"). The right of Cincinnati Bell and the Customer to terminate in any such case shall be in addition to any other rights and remedies they may have hereunder or at law or in equity.

11.2 A party may, at its option, terminate a Schedule effective immediately upon written notice upon the occurrence of an "Insolvency Event of Default" (as defined below) with respect to the other party. The occurrence of any one or more of the following events shall constitute an "Insolvency Event of Default": the other party admits in writing its inability to pay its debts generally or makes a general assignment for the benefit of creditors; any affirmative act of insolvency by the other party or the filing by or against the other party (which is not dismissed within ninety (90) days of any petition or action) under any bankruptcy, reorganization, insolvency arrangement, liquidation, dissolution or moratorium law, or any other law or laws for the relief of, or relating to, debtors; or the subjection of a material part of the other party's property to any levy, seizure, assignment or sale for or by any creditor, third party or governmental agency.

11.3 Customer shall have the right to terminate any Schedule for convenience at any time upon thirty (30) days prior written notice to Cincinnati Bell. The termination charge will apply and be considered, except as noted in Section 4 of the Schedules, to be liquidated damages and will be Cincinnati Bell's sole remedy against Customer for early termination, except for outstanding charges. The termination liability language contained within the applicable Schedule is not intended to indicate that the Commissions have approved or sanctioned the specific termination charges contained herein. Signatories to the Agreement shall be free to pursue whatever legal remedies they may have should a dispute arise.

11.4 One or more Schedules may be terminated by the Parties without causing a termination of this Agreement or other Schedules.

12. **INDEMNIFICATION.**

Each Party shall indemnify, defend and hold harmless the other Party and its parent company, affiliates, employees, directors, officers, and agents from and against all claims, demands, actions, causes of actions, damages, liabilities, losses, and expenses (including reasonable attorney's fees) incurred as a result of claims for damage to property and/or personal injuries (including death) arising directly out of the performance of obligations under this Agreement. A Party shall notify the other Party and describe the claim or action within fourteen (14) days of becoming aware of the claim or action itself. Either Party may undertake the defense of any such claim or action and permit the other Party to participate therein. The settlement of any such claim or action by either Party without the other Party's prior written consent, shall release the other Party from its obligations hereunder with respect to such claim or action so settled.

13. LIMITATIONS OF LIABILITY.

Cincinnati Bell's liability arising out of: (i) the provision of Services; (ii) delays in the restoration of Services; or (iii) arising out of mistakes, accidents, omissions, interruptions, errors or defects in transmission, or delays caused by judicial or regulatory authorities, shall be subject to the limitations set forth below and in the applicable Tariff. IN NO EVENT SHALL CINCINNATI BELL BE LIABLE TO CUSTOMER, CUSTOMER'S OWN CUSTOMERS, OR ANY OTHER THIRD PARTY WITH RESPECT TO THE SUBJECT MATTER OF THIS AGREEMENT UNDER ANY CONTRACT, WARRANTY, NEGLIGENCE, STRICT LIABILITY, OR OTHER THEORY FOR ANY TYPE OF INDIRECT, CONSEQUENTIAL, INCIDENTAL, RELIANCE, ACTUAL, SPECIAL, OR PUNITIVE DAMAGES, OR FOR ANY LOST PROFITS, LOST REVENUES, OR LOST SAVINGS OF ANY KIND, ARISING OUT OF OR RELATING TO THIS AGREEMENT WHETHER OR NOT CINCINNATI BELL OR CUSTOMER WAS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND WHETHER OR NOT SUCH DAMAGES WERE FORESEEABLE. FOR PURPOSES OF THIS SECTION, "CINCINNATI BELL" IS DEEMED TO INCLUDE CINCINNATI BELL TELEPHONE COMPANY LLC, CINCINNATI BELL WIRELESS LLC, CINCINNATI BELL ANY DISTANCE INC. AND THEIR RESPECTIVE SUBSIDIARIES AND AFFILIATES, AND THE DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, REPRESENTATIVES, SUBCONTRACTORS AND SUPPLIERS OF EACH OF THEM.

The Parties hereto agree that the termination liabilities and the limitations on liability contained in this Agreement are fair and reasonable adjustments to the uncertain and difficult to ascertain damages which might arise under this Agreement and are intended to be reasonable allocations by the Parties of the business risks inherent in this Agreement.

14. RESPONSIBILITIES OF EACH PARTY.

Each Party has and hereby retains the right to exercise full control of and supervision over its own performance of its obligations under this Agreement and retains full control over the employment, direction, compensation and discharge of their respective employees assisting in the performance of such obligations. Each Party will be solely responsible for all matters relating to payment of such employees, including compliance with social security taxes, withholding taxes and all other regulations governing such matters. Except for the limitations on liability as otherwise provided in this Agreement, each Party will be responsible for its own acts and those of its employees, agents, and contractors during the performance of that Party's obligations hereunder.

16. WORK ON CUSTOMER'S PREMISES.

Cincinnati Bell shall comply with all applicable laws and will indemnify and hold Customer harmless from and against any claims, demands, suits, losses, damages, costs and expenses arising out of Cincinnati Bell's noncompliance with any such laws. If Cincinnati Bell's work under any Schedule involves operations by Cincinnati Bell on the premises of Customer, Cincinnati Bell shall take all necessary precautions to prevent the occurrence of any injury to person or property during the progress of such work. Except to the extent such injury is the result of Customer's negligence or willful misconduct, Cincinnati Bell shall defend, indemnify and hold harmless Customer against any claims, demands, suits, losses, damages, costs and expenses which are proximately caused by Cincinnati Bell's employees or agents against Customer, or which are due from any negligent act or omission of Cincinnati Bell, including its employees, agents and subcontractors.

17. CUSTOMER OBLIGATIONS.

Prior to requesting repair service from Cincinnati Bell, Customer will use its best efforts, including but not limited to performing reasonable diagnostic tests, to verify whether any trouble with the Service is a result of the Customer's equipment or facilities. Customer shall be responsible for any such trouble resulting from the Customer's equipment or facilities. Customer will cooperate with any joint testing of the Service reasonably requested by Cincinnati Bell.

18. **SYSTEM MAINTENANCE.**

In the event Cincinnati Bell determines that it is necessary to interrupt Services or that there is a potential for Services to be interrupted for the performance of system maintenance, Cincinnati Bell will use good faith efforts to notify Customer prior to the performance of such maintenance and will schedule such maintenance during non-peak hours (midnight to 6:00 am. local time). In no event shall interruption for system maintenance constitute a failure of performance by Cincinnati Bell.

19. **SUBCONTRACTING.**

Cincinnati Bell may subcontract work to be performed under this Agreement, but shall retain responsibility for the work and will ensure that any subcontractor agrees to keep Customer's information confidential.

20. **CHANGES IN LAWS.**

This Agreement is predicated upon current state and federal laws and regulations. If new laws or regulations or new applications of current law and regulations affect this Agreement, either Party may request on thirty (30) days' written notice that one or more provisions be renegotiated consistent with the changed circumstances.

21. **FORCE MAJEURE.**

No party shall be held liable for any delay or failure in performance of any part of this Agreement, including any Schedule, caused by a force majeure condition, including fires, embargoes, explosions, power blackouts, earthquakes, volcanic action, floods, wars, water, the elements, labor disputes (such as a work stoppage), civil disturbances, government requirements, civil or military authorities, acts of God or a public enemy, inability to secure raw materials, inability to secure product of manufacturers or outside vendors, inability to obtain transportation facilities, acts or omissions of transportation common carriers, or other causes beyond its reasonable control whether or not similar to the foregoing conditions. If any force majeure condition occurs, the Party whose performance fails or is delayed because of such force majeure condition ("Delayed Party") shall promptly give written notice thereof to the other Party. The Delayed Party shall use all best efforts to avoid or mitigate performance delays despite a force majeure condition, and shall restore performance as soon as the force majeure condition is removed.

22. **GOOD FAITH PERFORMANCE.**

Each Party shall act in good faith in its performance under this Agreement and, in each case in which a Party's consent or agreement is required or requested hereunder, such Party shall not unreasonably withhold or delay such consent or agreement, as the case may be.

23. **NO LICENSE.**

Except as expressly provided in this Agreement or a Schedule, no license under patents, copyrights, trademarks, service marks, trade names or other indicia of origins, or any other intellectual property right (other than the limited license to use consistent with the terms, conditions and restrictions of this Agreement) is granted by either Party or shall be implied or arise by estoppel with respect to any transactions contemplated under this Agreement.

24. **AMENDMENTS; WAIVERS.**

Except as otherwise provided in this Agreement, no amendment or waiver of any provision of this Agreement, and no consent to any default under this Agreement, shall be effective unless the same shall be in writing and signed by an authorized official of the Party against whom such amendment, waiver or consent is claimed. In addition, no course of dealing or failure of any Party to strictly enforce any term, right or condition of this Agreement shall be construed as a waiver of such term, right or condition.

25. **NOTICES.**

All notices, demands, requests, elections, or other communications provided under this Agreement or which may be given by one Party to the other Party under this Agreement and to the extent a notice relates to an alleged breach, termination, or other claim under a Schedule, such notice shall be made in writing (unless specifically provided otherwise herein) and unless otherwise specifically required by this Agreement to be delivered to another representative or point of contact, shall be (a) delivered personally, (b) delivered by express delivery service, (c) mailed, first class, certified mail postage prepaid, return receipt requested or (d) delivered by telecopy; provided that a confirmation copy is sent by the method described in (a), (b) or (c) of this Section, to the following addresses of the Parties:

26. **NO RIGHTS TO THIRD PARTIES.**

This Agreement shall not be deemed to provide third parties with any remedy, claim, right of action or other right.

27. **SEVERABILITY.**

If any term, condition, or provision of this Agreement shall be invalid or unenforceable for any reason, such invalidity or unenforceability shall not invalidate or render unenforceable the remainder of this Agreement; and, unless such construction would be unreasonable, this Agreement shall be construed as if not containing the invalid or unenforceable provision or provisions and the rights and obligations of each Party shall be construed and enforced accordingly. If necessary to affect the intent of the Parties, the Parties shall negotiate in good faith to amend this Agreement to replace the unenforceable language with enforceable language that reflects such intent as closely as possible.

28. **ASSIGNMENT.**

Customer will not resell or permit any third party to use any of the services provided by Cincinnati Bell hereunder. Neither Customer nor Cincinnati Bell may assign this Agreement without the prior written consent of the other party, which shall not be unreasonably withheld or delayed. Neither party shall be required to obtain consent in the case of a sale of all or substantially all the assets of itself or an assignment to an entity directly or indirectly owning or controlling, owned or controlled by, or under common control with the assigning party. Notwithstanding the foregoing, each party shall retain the right to terminate this Agreement without further obligation or liability to the other party, its successors or assigns, if, in its sole and exclusive judgment any assignment or purported assignment by the one party is to be made to a competitor of the other party.

29. **ENTIRE AGREEMENT; CONTINUING OBLIGATIONS.**

29.1 This Agreement constitutes the entire agreement between the Parties concerning the subject matter hereof. All prior agreements, representations, statements, negotiations, understandings, proposals, and undertakings, oral or written, with respect to the subject matter thereof are superseded and replaced by the provisions of this Agreement.

29.4 Under federal law, Customer has a right, and Cincinnati Bell has a duty, to protect the confidentiality of information regarding the telecommunications services Customer buys from Cincinnati Bell, including the amount, type, and destination of Customer's service usage; the way Cincinnati Bell provides services to Customer; and Customer's calling and billing records. Together, this confidential information is described as Customer Propriety Network Information (CPNI). Customer hereby consents to Cincinnati Bell sharing its CPNI with Cincinnati Bell affiliates, subsidiaries and any other current or future direct or indirect subsidiaries of the Cincinnati Bell parent company as well as Cincinnati Bell agents and authorized sales representatives, to develop or bring new products or services to Customer's attention. In the event of any conflict between the terms of this Agreement (including any Schedule(s)) and applicable regulatory requirements, such regulatory requirements will take precedence and be controlling, except with respect to the rates and any termination charges agreed to in any Schedule. The regulations and rates specified herein are in addition to applicable regulations and rates set forth in Cincinnati Bell's tariffs on file with regulatory agencies.

31. **EXECUTED IN COUNTERPARTS.**

This Agreement may be executed in any number of counterparts, each of whom shall be an original, but such counterparts shall together constitute but one and the same instrument.

2.1 LAN Advantage® - the engineering, installation, maintenance and repair services provided by CBT to Customer necessary to interconnect multiple LANs to form a MAN for data transmission.

2.2 Customer's location - a location specified by the customer for the purposes of terminating network such as the customer's premises or the building where the off-premises extension terminates.

2.3 Demarcation Point - the point of physical separation of CBT's network, and associated responsibilities, from Customer's network and associated responsibilities. The location of the Demarcation Point shall be the physical interface for LAN Advantage® service presented by CBT to Customer.

2.4 Local Area Network (LAN) - a network connecting computers and other peripheral equipment for data communications over a limited geographical area, usually within a single building or among a few buildings.

2.5 Metropolitan Area Network (MAN) - a network connecting computers and other peripheral equipment for data communications over a larger geographical area than a LAN, usually within a city or region.

2.6 Permanent Virtual Circuits (PVC) - a static logical connection used in packet and cell switched networks between two end points. Permanent Virtual Circuits support long-term ongoing connections between data termination equipment. Permanent logical paths are assigned exclusively to each permanent circuit in the network.

2.7 Protected LAN Advantage® - giving customers protection from equipment and network failure by designing a circuit with primary and secondary fiber pairs and network facing equipment redundancy. Each fiber pair terminates into its own individual port both at the Central Office switch and at the CBT-owned Customer premise equipment, giving each fiber pair its own connection to the LAN Advantage® network. In the event of a primary connection failure, traffic will automatically reroute to the secondary connection. The Customer-owned equipment plugs into the LAN Advantage® circuit by a standard, single Ethernet port. This design does not include geographic fiber route diversity, redundant Central Offices, diverse Customer entrance facilities, redundant processors at the Customer location, or dual Customer hand-offs, all of which is available on an individual case basis (ICB).

2.8 Quality of Service (QoS) - is defined as a way to prioritize service for applications that are sensitive to latencies or delays. It is the primary form of intelligent bandwidth management that allows service levels to be specified for different traffic types.

2.9 Unprotected LAN Advantage® - the standard LAN Advantage® service.

2.10 Virtual LAN (VLAN) - a static logical connection used in packet networks for point-to-point, point-to-multipoint, and multipoint-to-multipoint. Virtual LANs support long-term ongoing connections between data termination equipment. Permanent Logical paths are assigned exclusively to each VLAN in the network, and are enforced by using VLAN Tagging.

2.11 VLAN Tagging (802.1q) - a way to label different traffic types so they may be differentiated from each other. It is another form of intelligent bandwidth management that can allow service levels for different traffic types.

3. SERVICES AND RATES

3.1 Subject to the terms and conditions of the Master Service Agreement and this Schedule, CBT shall provide Customer with LAN Advantage® service ("LAN Advantage®") and Customer shall pay CBT for LAN Advantage® at the applicable monthly rate for the type of LAN Advantage® (and any optional features for LAN Advantage®) selected by the Customer, as indicated on LAN Advantage Customer Agreement ("Attachment A") to this Schedule. In addition, Customer shall pay to CBT the applicable per port nonrecurring charge set forth on Attachment A. Any other regulated services not listed herein which are provided by CBT to Customer, shall be governed by the rates, terms, and conditions of the appropriate tariff. CBT shall comply with all applicable laws, rules, regulations, ordinances, and codes (collectively, "Legal Requirements") in connection with the provision of the LAN Advantage®.

3.2 Customer may move the location of its LAN Advantage® to a location where sufficient central office capacity and outside plant facilities are available and retain the current contract term and monthly rates, but initial nonrecurring charges will be reapplied. The termination charges outlined in this Schedule are applicable if Customer terminates this LAN Advantage® because of a move to a location where sufficient central office capacity or outside plant facilities are not available.

4. PROVISIONING

4.1 CBT will provide LAN Advantage® for one or more of the following types of LANs, as specified by Customer on the Attachment A: Ethernet LANs operating at a variety of speeds. Permanent Virtual Circuits (PVC) and/or VLANs, facilities redundancy, and other "optional" features relating to LAN Advantage® are also available to Customer at rates, terms and conditions to be agreed upon.

4.2 CBT will provision LAN Advantage® in proper working order on CBT's side of the Demarcation Point by the agreed upon installation date.

4.3 If a major outage to CBT's network occurs, including LAN Advantage® CBT will use reasonable efforts to restore LAN Advantage® service as soon as reasonably possible, subject to any federal or state laws or regulations that may specify priority for restoration of telephone service, including without limitation, the National Security Emergency Preparedness Telecommunications Service Priority System.

4.4 CBT will furnish Customer with a telephone number, which Customer will use to report any trouble with LAN Advantage®.

4.5 Unless otherwise agreed in writing, CBT will provide LAN Advantage® for data transmission only.

4.6 The electrical signals of LAN Advantage® operate in compliance with the following American National Standard Institute ("ANSI") or IEEE standards for Ethernet LANs operating at a Native Mode of 384 Kbps, 768 Kbps, 1.544 Mbps, 3 Mbps, 4.5 Mbps, 6 Mbps, 10 Mbps, IEEE Standard 802.3 or 100 Mbps and 1000 Mbps (a.k.a., GigE or 1 Gigabit), IEEE Standard 802.3u (Carrier Sense Multiple Access with Collision Detection (CSMA/CD) Access Method and Physical Layer Specifications).

4.7 LAN Advantage® supports the following interfaces: (i) RJ45 10 base T and 100 base T connections, for Ethernet LANs operating at a variety of speeds, and (iii) SX or LX Gigabit Interface Connectors for Ethernet LANs operating at a Native Mode of 1000 Mbps (a.k.a., GigE or 1 Gigabit).

4.8 An initial port is required in order to provide LAN Advantage® to a Customer's location. Additional ports are only available to a Customer's location with at least one initial port.

4.9 Additional port discounts do not apply to different customers at the same location.

4.10 The Customer must subscribe to the initial port in order to subscribe to an additional port. If the initial port is terminated at a Customer's location, then all LAN Advantage® will be terminated at that location unless Customer wants to re-specify one of the additional ports as the initial port with the appropriate rates applied. An additional port can be terminated without terminating the initial port to a Customer's location.

4.11 If the Customer subsequently orders an additional port and the contract period for the initial port has not expired, then the following applies: a) the contract period selected for an additional port must be equal or shorter than the remaining contract for the initial port or b) the contract period for the initial port will be extended to be coterminous with the contract period selected for the additional ports.

4.12 LAN Advantage® will be available twenty-four (24) hours per day, seven (7) days per week, except as required to update, enhance, maintain and/or repair LAN Advantage®. CBT reserves the right to perform these tasks, as needed, during the off-peak hours, normally on Sundays from 12:00 a.m. to 6:00 a.m. CBT will attempt to notify Customer in advance according to the attached LAN Advantage Service Agreement.

5. REPAIR – RESPONSE TIME

5.1 CBT will use its best efforts to repair any inoperable LAN Advantage® port within four (4) hours after a reactive or proactive trouble ticket is opened with CBT that such port is inoperable. If such port remains inoperable for more than eight (8) hours after a trouble ticket has been opened, CBT will credit Customer's account for an amount equal to one-thirtieth (1/30) of the applicable monthly charge for such port. The same credit will apply for each additional eight (8) hour period that the port remains inoperable. The total amount of all credits for any one (1) inoperable port will not exceed the monthly port charge for such inoperable port. The credit referred to herein shall be CBT's entire liability and Customer's exclusive remedy for any damages resulting from such inoperable port.

5.2 Performance Standards of the LAN Advantage Network are as follows:

	<u>Response Time</u>
Mean time to respond at the port level	30 minutes
Mean time to repair at the port level	2 hours

Response Time shall mean that CBT is aware of the problem, and a ticket is opened either reactively or proactively and CBT is beginning to take action to resolve the issue.

6. MAINTENANCE

When a Customer reports a trouble to CBT and the problem is not found in the CBT's facilities, the Customer is responsible for a payment of Maintenance of Service charge for the period of time from when the technician is dispatched to when the work is completed. The Maintenance of Service charges are as follows:

- a) \$ 31.50 for the first 15 minutes or fraction thereof
- b) \$ 9.00 for each additional 15 minutes or fraction thereof

If CBT personnel initially fail to find trouble in CBT facilities, but later discover that the trouble was indeed facilities related, then Maintenance of Service charges will not apply. Cincinnati Bell Telephone can continue to test/diagnose the problem on the Customer's premises at the rate of \$175.00 per hour, billable in half-hour increments, with a two-hour minimum. Cincinnati Bell Telephone can also be contracted to engineer and optimize the Customer's network by working on the Customer's premises. The rate for this enhanced service is \$250.00 per hour, billable in half-hour increments, with a two (2) hour minimum. This service would typically be independent of a trouble shooting dispatch, or in conjunction with a major problem/initiative, and would be initiated by the Customer.

7. TERMINATION CHARGES

7.1 In the event that LAN Advantage® under this Schedule is terminated by Customer for convenience or for reasons other than CBT's breach of this Schedule prior to the expiration of the Term, the Customer will pay a termination charge equal to all remaining amounts due or to become due, including but not limited to all monthly charges for which Customer would have been responsible if the Customer had not terminated prior to the expiration of the Term.

7.2 If Customer cancels, in whole or in part, any requested addition, rearrangement, relocation or other modification to LAN Advantage® under this Schedule prior to completion thereof, Customer will reimburse CBT for the actual expenses incurred by CBT in connection with such modification prior to CBT's receipt of notice of cancellation; provided, however, the amount of such reimbursement will not exceed the service, construction, installation, termination and other charges for which Customer would have otherwise been responsible.

7.3 If Customer removes one or more ports from service under this Schedule prior to the expiration of term hereof, Customer will pay CBT a termination charge equal to all monthly charges for such port(s) for which Customer would have been responsible had Customer not removed such port(s).

7.4 If nonrecurring charges associated with the installation of LAN Advantage® are waived and the LAN Advantage® is then terminated prior to the expiration of the Term, the Customer will become liable for payment of the waived charges.

IN WITNESS WHEREOF, the Parties have caused their respective duly authorized representatives to execute this LAN Advantage Service Schedule as of the date(s) last written below.

6. CUSTOMER'S OBLIGATIONS

6.1 Customer will furnish, at its expense, such space, electrical power and environmental conditioning at Customer's premises as CBT may reasonably require in connection with performing its obligations hereunder. Customer will permit CBT reasonable access to Customer's premises, in accordance with Customer's normal security procedures, in connection with providing service hereunder.

After expiration of the initial Term, this Agreement shall automatically renew at the current contract rate for twelve (12) month periods unless either party terminates this Agreement by providing thirty (30) days advance written and/or verbal notice of termination to the other party prior to the expiration of the then-current term.

Notwithstanding the foregoing, Cincinnati Bell reserves the right to adjust rates at any time after the expiration of the initial term upon sixty (60) days prior written notice to Customer, during which time Customer shall have the right to terminate the Agreement, without incurring termination charges, if Customer does not agree to stated rate adjustment. In the event Customer does not provide written and/or verbal notice of termination during the sixty (60) days period, Customer shall be deemed to accept the rate adjustment.

Payments not received within thirty (30) days of Customer's receipt of invoice are considered past due. In addition to CBT undertaking any of the actions set forth in this Agreement, if any invoice is not paid when due, CBT may: (i) apply a late charge equal to 1-1/2% (or the maximum legal rate, if less) of the unpaid balance per month; (ii) require an additional Security Deposit or other form of security; and/or (iii) take any action in connection with any other right or remedy Supplier may have under this Agreement in law or in equity. If the Customer believes they have been incorrectly billed, Customer should contact the CBT business office within sixty (60) days @ (513) 566-5050 to initiate a billing review. 5. Waiver Of Breach Or Violation Not Deemed Continuing. The waiver by either party of a breach or violation of any provision of this Agreement shall not operate as or be construed to be a waiver of any subsequent breach hereof.

6. Bankruptcy. In the event of the bankruptcy or insolvency of either party or if either party shall make any assignment for the benefit of creditors or take advantage of any act or law for relief of debtors, the other party to this Agreement shall have the right to terminate this Agreement without further obligation or liability on its part.

7. Business Relationship. This Agreement shall not create any agency, employment, joint venture, partnership, representation, or fiduciary relationship between the parties. Neither party shall have the authority to, nor shall any party attempt to, create any obligation on behalf of the other party.

In the event resolution cannot be reached, such dispute shall be negotiated between appointed counsel or senior executives of the parties who have authority to settle the dispute. The disputing party shall give the other party written notice of the dispute and if the parties fail to resolve the dispute within thirty (30) days either party may seek arbitration. All disputes arising out of or relating to this Agreement shall be finally settled by binding arbitration in Cincinnati, Ohio and shall be resolved under the laws of the State of Ohio.

E. This Indemnification section shall survive termination of this Agreement, regardless of the reason for termination.

11. **Authorized Use of Name.** Without the other party's prior written consent, neither party shall: (i) refer to itself as an authorized representative of the other in promotional, advertising, or other materials; or (ii) use the other party's logos, trade marks, service marks, carrier identification codes (CICs), or any variations thereof in any of its promotional, advertising, or other materials, or in any activity using or displaying the other party's name or the Service(s) to be provided hereunder. Both parties agree to change or correct at their own expense any material or activity the affected party determines to be inaccurate, misleading, or otherwise objectionable under this section. Customer is authorized to use the following statements in its sales literature: (i) "Customer utilizes the CBT network," (ii) "Customer utilizes CBT's facilities;" (iii) "CBT provides only the network facilities;" and/or (iv) "CBT is our network provider."

12. **Assignment.** Neither party hereto may assign this Agreement without the express written consent of the other party hereto, which consent shall not be unreasonably withheld. Notwithstanding the foregoing: (i) a security interest in this Agreement may be granted by CBT to any lender to secure borrowings by CBT or any of its Affiliates; (ii) either party may assign all its rights and obligations hereunder to any Affiliate; and (iii) any subsidiary of CBT may assign any amounts due from Customer to CBT for billing purposes. Affiliate, as used herein, is defined as any entity controlled by, in control of, or under common control with the assigning party hereunder.

13. **No Personal Liability.** Each action or claim of any party arising under or relating to this Agreement shall be made only against the other party as a corporation, and any liability relating thereto shall be enforceable only against the corporate assets of such party.

14. **Technology Upgrade.** If at any time during the Term of this Agreement Customer desires to migrate to a new telecommunications service provided by CBT, that Customer and CBT agree would meet Customer's needs more efficiently than the services hereunder, CBT will amend this Agreement to include such service upon request of Customer.

15. **Confidential Information.** During the term of this Agreement and for two years thereafter, neither party shall disclose any terms or pricing contained in this Agreement or any confidential information disclosed by the other party. Confidential information shall remain the property of the disclosing party and shall be labeled as either "Confidential" or "Proprietary".

16. **Disclaimer Of Warranties.** Unless otherwise provided, CBT MAKES NO WARRANTY TO CUSTOMER OR ANY OTHER PERSON OR ENTITY, WHETHER EXPRESS, IMPLIED, OR STATUTORY, AS TO THE DESCRIPTION, QUALITY, MERCHANTABILITY, COMPLETENESS, OR FITNESS FOR ANY PURPOSE OF ANY SERVICE PROVIDED HEREUNDER OR DESCRIBED HEREIN, OR AS TO ANY OTHER MATTER, ALL OF WHICH WARRANTIES BY CBT ARE HEREBY EXCLUDED AND DISCLAIMED. For purposes of this Section, the term "CBT" shall be deemed to include the parent Cincinnati Bell, its affiliates, shareholders, directors, officers and employees, and any person or entity assisting CBT in its performance pursuant to this Agreement.

17. **Limitation of Liability.** CBT's liability arising out of the provision of: (i) the provision of Services; (ii) delays in the restoration of Services; OR (iii) arising out of mistakes, accidents, omissions, interruptions, errors or defects in transmission, or delays caused by judicial or regulatory authorities, shall be subject to the limitations set forth below and in the applicable Tariff. IN NO EVENT SHALL CBT BE LIABLE TO CUSTOMER, CUSTOMER'S OWN CUSTOMERS, OR ANY OTHER THIRD PARTY WITH RESPECT TO THE SUBJECT MATTER OF THIS AGREEMENT UNDER ANY CONTRACT, WARRANTY, NEGLIGENCE, STRICT LIABILITY, OR OTHER THEORY FOR ANY TYPE OF INDIRECT, CONSEQUENTIAL, INCIDENTAL, RELIANCE, ACTUAL, SPECIAL, OR PUNITIVE DAMAGES, OR FOR ANY LOST PROFITS, LOST REVENUES, OR LOST SAVINGS OF ANY KIND, ARISING OUT OF OR RELATING TO THIS AGREEMENT WHETHER OR NOT CBT OR CUSTOMER WAS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND WHETHER OR NOT SUCH DAMAGES WERE FORESEEABLE. IN NO EVENT SHALL CBT BE LIABLE TO CUSTOMER FOR ANY AMOUNT IN EXCESS OF THE AGGREGATE AMOUNT CBT HAS PRIOR TO SUCH TIME COLLECTED FROM CUSTOMER WITH RESPECT TO SERVICES DELIVERED HEREUNDER.

18. **Subject To Laws.** This Agreement is subject to, and Customer agrees to comply with, all applicable federal, state and local laws, and regulations, rulings, and order of governmental agencies, including but not limited to, the Communications Act of 1934, the Telecommunications Act of 1996, the Rules and Regulations of the Federal Communications Commission ("FCC"), state public utility or service commissions (PSC), and tariffs. Customer further agrees to obtain and maintain any and all required certifications, permits, licenses, approvals, or authorizations of the FCC and/or PSC and/or any governmental body, including, but not limited to regulations applying to feature group termination and Letter of Agencies ("LOAs).

19. **FCC Permits, Authorization And Filings.** CBT shall take all necessary and appropriate steps, as soon as possible, to procure the necessary authorizations and approvals, if any, from the FCC or any other federal or state agency required to deliver the Services hereunder to Customer. In the event that CBT cannot obtain all necessary federal, state, or local authority to provide Services hereunder, CBT shall promptly give written notice thereof to Customer and such notice shall constitute termination of this Agreement without further liability or obligation of either party.

21. **Force Majeure.** CBT shall not be liable for any failure of performance hereunder due to causes beyond its reasonable control including, but not limited to: acts of God, fire, explosion, vandalism, cable cut, flood, storm, or other similar catastrophe; any law, order, regulation, direction, action or request of the United States government or of any other government, including state and local governments having jurisdiction over either of the parties, or of any department, agency, commission, court, bureau, corporation or other instrumentality of any one or more of said governments, or of any civil or military authority; national emergencies; insurrections; riots; wars; or strikes, lock outs, or work stoppages.

22. **System Maintenance.** In the event CBT determines that it is necessary to interrupt Services or that there is a potential for Services to be interrupted for the performance of system maintenance, CBT will use good faith efforts to notify Customer prior to the performance of such maintenance and will schedule such maintenance during non-peak hours (midnight to 6:00 am local time). In no event shall interruption for system maintenance constitute a failure of performance by CBT.

23. **Obligations Several And Not Joint.** Each party shall be responsible only for its own performance under the Agreement (including any attachments exhibits, schedules or addenda) and not for that of any other party.

24. **Amendments / Riders.** This Agreement may only be modified or supplemented by an instrument in writing executed by each party.

25. **Survival.** The covenants and agreements of Customer contained in this Agreement with respect to payment of amounts due, confidentiality, liability, and indemnification shall survive any termination of this Agreement. The rights and obligations under this Agreement shall survive any merger or sale of either party and shall be binding upon the successors and permitted assigns of each party.

26. **Confidential Account Information.** Under federal law, Customer has a right, and CBT a duty, to protect the confidentiality of information regarding the telecommunications services Customer buys from CBT, including the amount, type, and destination of Customer's service usage hereunder; the way CBT provides services to Customer; and Customer's calling and billing records. Together, this confidential information is described as Customer Proprietary Network Information (CPNI). Customer hereby consents to CBT sharing its CPNI with affiliates, subsidiaries and any other current or future direct or indirect subsidiaries of the Cincinnati Bell parent company as well as agents and authorized sales representatives thereof, to develop or bring new products or services to Customer's attention. This consent survives the termination of Customer's service and is valid until Customer affirmatively revokes or limits such consent.

26. **Events Of Default.** A "Default" shall occur if (a) Customer fails to make payment as required under this Agreement and such failure remains uncorrected for five (5) calendar days after written notice from Supplier; or (b) either party fails to perform or observe any material term or obligation (other than making payment) contained in this Agreement, and any such failure remains uncorrected for thirty (30) calendar days after written notice from the non-defaulting party informing the defaulting party of such failure. If Customer uses the Services for any unlawful purpose or in any unlawful manner, CBT shall have the right to immediately suspend and/or terminate any or all Services hereunder without notice to Customer.

A. In the event of a Customer Default for any reason, unless otherwise noted herein, CBT may: (i) suspend Services to Customer; (ii) cease accepting or processing orders for Services; (iii) withhold delivery of Call Detail Records (if applicable); and/or (iv) terminate this Agreement. If a Customer Default results in service termination, without cause, prior to the expiration of the term, the Customer will pay to CBT a termination charge equal to all remaining amounts due or to become due, including but not limited to all monthly charges for which Customer would have been responsible if the Customer had not terminated prior to the end of the applicable 12, 24, 36 or 60-month term payment plan. Customer agrees to pay CBT's reasonable expenses (including attorney and collection fees) incurred in enforcing CBT's rights in the event of a Customer default.

B. If nonrecurring charges associated with the installation of a Service are waived and the service is then terminated prior to completion of the 12-month minimum service period or the VTPP contract period, the customer will become liable for payment of the waived charges.

C. In the event of a CBT Default, Customer may terminate this Agreement without penalty. Customer will, however, remain liable for all charges incurred for Services provided prior to Customer's termination of this Agreement.

Commission approval of the termination liability for this Service, as described above, is not intended to indicate that the Commission has approved or sanctioned any terms or provisions contained therein. Signatories to such contracts shall be free to pursue whatever legal remedies they may have should a dispute arise.

After expiration of the initial Term, this Agreement shall automatically renew at the current contract rate for twelve (12) month periods unless either party terminates this Agreement by providing thirty (30) days advance written and/or verbal notice of termination to the other party prior to the expiration of the then-current term. Notwithstanding the foregoing, Cincinnati Bell reserves the right to adjust rates at any time after the expiration of the initial term upon sixty (60) days prior written notice to Customer, during which time Customer shall have the right to terminate the Agreement, without incurring termination charges, if Customer does not agree to stated rate adjustment. In the event Customer does not provide written and/or verbal notice of termination during the sixty (60) days period, Customer shall be deemed to accept the rate adjustment.

2. **Payment Terms.** Invoices for Services are due and payable in U.S. dollars within thirty (30) days of Customer's receipt of invoice (unless otherwise indicated in the Credit Requirements Supplement). FUSE DEDICATED INTERNET ACCESS – LAN ADVANTAGE TERMS & CONDITIONS

1. TERM.

Customer has option to terminate this Schedule after the twenty-fourth (24th) in service without penalty ("Early Termination"). After expiration of the initial term, this Agreement shall automatically renew at the current contract rate for twelve (12) month periods unless either party terminates this Agreement by providing thirty (30) days advance written and/or verbal notice of termination to the other party prior to the expiration of the then-current term. Notwithstanding the foregoing, CBT reserves the right to adjust rates at any time after the expiration of the initial term upon sixty (60) days prior written notice to Customer, during which time Customer shall have the right to terminate the Agreement, without incurring termination charges, if Customer does not agree to stated rate adjustment. In the event Customer does not provide written and/or verbal notice of termination during the sixty (60) day period, Customer shall be deemed to accept the rate adjustment.

2. DEFINITIONS.

In addition to the terms defined elsewhere in this Agreement, the following terms will have the following meanings for purposes of this Agreement:

2.1 "Demarcation Point" - the point of physical separation of CBT's network, and associated responsibilities, from Customer's network and associated responsibilities. The location of the Demarcation Point shall be the physical interface for FUSE Dedicated Internet Access service presented by CBT to Customer.

2.2 "Ethernet LAN" - a type of LAN whereby a workstation on the LAN, prior to sending a message to another workstation on the LAN, "listens" to determine if any other workstation is sending a message. If the first workstation "hears" no other messages being sent, it is permitted to send a message. If two or more workstations begin sending messages simultaneously, then each workstation ceases sending the message and a pre-set, random amount of time must elapse before either workstation may attempt to send again. Ethernet LAN meets IEEE Standard 802.3 and operates at a Native Mode of 10/100 Mbps.

2.3 "FUSE Dedicated Internet Access" - the engineering, configuration, installation, maintenance and repair services provided by CBT to Customer necessary to interconnect Customer's network to the FUSE Dedicated Internet Access network for passage to the Internet for data transmission.

2.4 "LAN Advantage®" is defined as the engineering, installation, maintenance and repair services provided by CBT to Customer necessary to interconnect multiple LANs to form a MAN for data transmission.

2.5 "Local Area Network (LAN)" is defined as a network connecting computers and other peripheral equipment for data communications over a limited geographical area, usually within a single building or among a few buildings.

2.6 "Metropolitan Area Network (MAN)" is defined as a network connecting computers and other peripheral equipment for data communications over a larger geographical area than a LAN, usually within a city or region.

2.7 "Native Mode" of LAN is defined as the operating speed of the communication on the originating or terminating LAN.

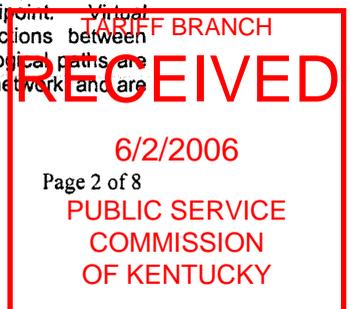

2.8 "Permanent Virtual Circuits (PVC)" is defined as a static logical connection used in packet and cell switched networks between two end points. Permanent Virtual Circuits support long-term ongoing connections between data termination equipment. Permanent logical paths are assigned exclusively to each permanent circuit in the network.

2.9 "Protected LAN Advantage®" is defined as giving customers protection from equipment and network failure by designing a circuit with primary and secondary fiber pairs and network facing equipment redundancy. Each fiber pair terminates into its own individual port both at the Central Office switch and at the CBT-owned customer premise equipment, giving each fiber pair its own connection to the LAN Advantage® network. In the event of a primary connection failure, traffic will automatically reroute to the secondary connection. The customer-owned equipment plugs into the LAN Advantage® circuit by a standard, single Ethernet port. This design does not include geographic fiber route diversity, redundant Central Offices, diverse customer entrance facilities, redundant processors at the customer location, or dual customer hand-offs, all of which is available on an individual case basis (ICB).

2.10 "Quality of Service (QoS)" is defined as a way to prioritize service for applications that are sensitive to latencies or delays. It is the primary form of intelligent bandwidth management that allows service levels to be specified for different traffic types.

2.11 "Unprotected LAN Advantage®" is defined as the standard LAN Advantage® service.

2.12 "Virtual LAN (VLAN)" is defined as a static logical connection used in packet networks for point-to-point, point-to-multipoint, and multipoint-to-multipoint. Virtual LANs support long-term ongoing connections between data termination equipment. Permanent Logical paths are assigned exclusively to each VLAN in the network and are enforced by using VLAN Tagging.

2.13 "VLAN Tagging (802.1q)" is defined as a way to label different traffic types so they may be differentiated from each other. It is another form of intelligent bandwidth management that can allow service levels for different traffic types.

2.14 "Internet" - a Network of Global Computers as defined in 1996 running on Transmission Control Protocol (TCP), on top of Internet Protocol Version Four (IPv4).

3. RATES AND OTHER CHARGES.

3.1 Subject to the terms and conditions of the Agreement, CBT shall provide Customer with FUSE Dedicated - LAN Advantage® Service (collectively the "Service") and Customer shall pay CBT for Service at the applicable monthly rate for the type of FUSE Dedicated and LAN Advantage® (and any optional features) selected by the Customer, as indicated on the signature page. In addition, Customer shall pay to CBT the applicable nonrecurring charge set forth on the signature page. Any other regulated services not listed herein, which are provided by CBT to Customer, shall be governed by the rates, terms, and conditions of the appropriate tariff. CBT shall comply with all applicable laws, rules, regulations, ordinances, and codes (collectively, "Legal Requirements") in connection with the provision of the Service.

3.2 Customer may move the location of its Service to a location where sufficient central office capacity and outside plant facilities are available and retain the current contract term and monthly rates, but initial nonrecurring charges will be reapplied. The termination charges outlined in the Agreement are applicable if Customer terminates this Agreement because of a move to a location where sufficient central office capacity or outside plant facilities are not available.

3.3 If Customer cancels, in whole or in part, any requested addition, rearrangement, relocation or other modification to the Service prior to completion thereof, Customer will reimburse CBT for the actual expenses incurred by CBT in connection with such modification prior to CBT's receipt of notice of cancellation; provided, however, the amount of such reimbursement will not exceed the service, construction, installation, termination and other charges for which Customer would have otherwise been responsible.

3.4 Prior to the expiration of this Agreement, Customer and CBT may elect to sign a new "Terms and Conditions" Agreement, voiding this "Terms and Conditions" Agreement, and in the event of, such election, Customer may receive the applicable term discount, subject to the following conditions:

(a) the monthly charges will be adjusted to the then current rates, effective with the effective date of the new contract term;

(b) no amounts will be credited or refunded to Customer for payments made under the previous contract term, but nonrecurring charges will not be reapplied;

(c) Customer may not elect an Agreement term that is shorter than the remainder of the current Agreement term.

3.5 Invoices for services are due and payable in U.S. Dollars within thirty (30) days of the date on the invoice ("Invoice Due Date"). If any invoice is not paid when due, CBT may (i) apply a late charge equal to two (2) percent (or the maximum legal rate, if less) of the unpaid balance per month; (ii) require a deposit or other form of security ("Security Deposit"); and/or (iii) take any action in connection with any other right or remedy CBT may have under this Agreement in law or in equity. Customer shall be in default if Customer fails to make payment as required and such failure remains uncured for five (5) calendar days after the Invoice Due Date. If Customer in good faith disputes any portion of any CBT invoice, Customer shall submit to CBT by the Invoice Due Date, full payment of the undisputed portion of any CBT invoice and written documentation identifying and substantiating the disputed amount. If Customer does not report a dispute within sixty (60) days following the date on the applicable invoice, Customer shall have waived its right to dispute that invoice. CBT and Customer agree to use their respective best efforts to resolve any dispute within thirty (30) days after CBT receives written notice of the dispute from Customer. Any disputed amounts resolved in favor of Customer shall be credited to Customer's account on the next invoice following resolution of the dispute. Any disputed amounts determined to be payable to CBT shall be due within (10) days of resolution of the dispute.

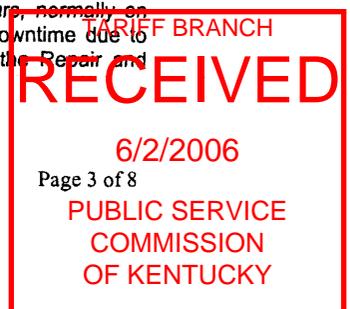

3.6 Customer will be responsible for all taxes, assessments or other charges (excluding taxes based on CBT's net income) imposed upon or relating to the provision or use of the products and services provided hereunder.

4. PROVISION OF FUSE DEDICATED INTERNET ACCESS.

4.1 CBT will provide FUSE Dedicated Internet Access service for one or more of the following types of LANs, as specified by Customer on the signature page: (i) Token Ring LANs operating at a Native Mode of 4 Mbps, (ii) Ethernet LANs operating at a Native Mode of 10/100 Mbps, and (iii) Token Ring LANs operating at a Native Mode of 16 Mbps. Other "optional" features relating to FUSE Dedicated Internet Access are also available to Customer if requested and agreed upon by the parties.

4.2 Subject to Section 6, CBT's provision of FUSE Dedicated Internet Access will include the maintenance and repair required to maintain the FUSE Dedicated Internet Access service in proper working order on CBT's side of the Demarcation Point.

4.3 FUSE Dedicated Internet Access will be available 24 hours per day, 7 days per week, except as required to update, enhance, maintain and/or repair FUSE Dedicated Internet Access. CBT reserves the right to perform these tasks, as needed, during the off-peak hours, normally on Sundays from 12:00 a.m. to 6:00 a.m. Downtime due to scheduled maintenance is not subject to the Repair and Response policies in Section 6.

4.4 If a major outage to CBT's network occurs, including FUSE Dedicated Internet Access, CBT will use best efforts to restore FUSE Dedicated Internet Access service as soon as reasonably possible, subject to any federal or state laws or regulations that may specify priority for restoration of telephone service, including without limitation, the National Security Emergency Preparedness Telecommunications Service Priority System.

4.5 CBT will furnish Customer with a telephone number that Customer will use to report any trouble with FUSE Dedicated Internet Access (1-800-FUSENET, Option 3, Option 6, Option 5).

4.6 CBT will furnish Customer with Internet protocol addresses within five (5) business days of receipt of executed Agreement.

4.7 Unless otherwise agreed in writing, CBT will provide FUSE Dedicated Internet Access service for TCP/IP based communication protocols for transmission across the Internet only.

4.8 The electrical signals of FUSE Dedicated Internet Access will operate in compliance with the following American National Standard Institute ("ANSI") or IEEE standards for Ethernet LANs operating at a Native Mode of 10/100 Mbps, IEEE Standard 802.3 (Carrier Sense Multiple Access with Collision Detection (CSMA/CD) Access Method and Physical Layer Specifications).

4.9 FUSE Dedicated Internet Access supports the following interfaces for Ethernet LANs operating at a Native Mode of 10/100 Mbps, 10Base-T and AUJ.

5. PROVISION OF LAN ADVANTAGE.

5.1 CBT will provide LAN Advantage® service for one or more of the following types of LANs, as specified by Customer on the signature page: Ethernet LANs operating at a variety of speeds. Permanent Virtual Circuits (PVC) and/or VLANs, facilities redundancy, and other "optional" features relating to LAN Advantage® are also available to Customer at rates, terms and conditions to be agreed upon.

5.2 CBT will provision LAN Advantage® service in proper working order on CBT's side of the Demarcation Point by the agreed upon installation date.

5.3 LAN Advantage® will be available twenty-four (24) hours per day, seven (7) days per week, except as required to update, enhance, maintain and/or repair LAN Advantage®. CBT reserves the right to perform these tasks, as needed, during the off-peak hours, normally on Sundays from 12:00 a.m. to 6:00 a.m. CBT will attempt to notify the customer in advance according to the attached Customer Agreement.

5.4 If a major outage to CBT's network occurs, including LAN Advantage® CBT will use reasonable efforts to restore LAN Advantage® service as soon as reasonably possible, subject to any federal or state laws or regulations that may specify priority for restoration of telephone service, including without limitation, the National Security Emergency Preparedness Telecommunications Service Priority System.

5.5 CBT will furnish Customer with a telephone number, which Customer will use to report any trouble with LAN Advantage®.

5.6 Unless otherwise agreed in writing, CBT will provide LAN Advantage® service for data transmission only.

5.7 The electrical signals of LAN Advantage® operate in compliance with the following American National Standard Institute ("ANSI") or IEEE standards for Ethernet LANs operating at a Native Mode of 384 Kbps, 768 Kbps, 1.544 Mbps, 3 Mbps, 4.5 Mbps, 6 Mbps, 10 Mbps, IEEE Standard 802.3 or 100 Mbps and 1000 Mbps (a.k.a., GigE or 1 Gigabit), IEEE Standard 802.3u (Carrier Sense Multiple Access with Collision Detection (CSMA/CD) Access Method and Physical Layer Specifications).

5.8 LAN Advantage® supports the following interfaces: (i) RJ45 10 base T and 100 base T connections, for Ethernet LANs operating at a variety of speeds, and (ii) SX or LX Gigabit Interface Connectors for Ethernet LANs operating at a Native Mode of 1000 Mbps (a.k.a., GigE or 1 Gigabit).

5.9 An initial port is required in order to provide LAN Advantage® to a customer's location. Additional ports are only available to a customer's location with at least one initial port.

5.10 Additional port discounts do not apply to different customers at the same location.

5.11 The customer must subscribe to the initial port in order to subscribe to an additional port. If the initial port is terminated at a customer's location, then all LAN Advantage® service will be terminated at that location unless customer wants to re-specify one of the additional ports as the initial port with the appropriate rates applied. An additional port can be terminated without terminating the initial port to a customer's location.

5.12 If the customer subsequently orders an additional port and the contract period for the initial port has not expired, then the following applies: a) the contract period selected for an additional port must be equal or shorter than the remaining contract for the initial port or b) the contract period for the initial port will be extended to be coterminous with the contract period selected for the additional ports.

6. FUSE DEDICATED REPAIR - RESPONSE TIME.

6.1 CBT guarantees the availability of Customer's network through the FUSE Dedicated Internet Access network and to the Internet 99% of the time. This availability will be determined by verification that Customer's network is "reachable" 99% of the times checked from the furthest point in CBT's FUSE Dedicated Internet Access network. For each 1% below the 99% stated availability, CBT will credit Customer \$100.00.

6.2 CBT will use its best efforts to repair any inoperable FUSE Dedicated Internet Access port within four (4) hours (residential-based dedicated Integrated Services Digital Network [ISDN] excluded) after Customer has notified CBT that such port is inoperable or it has come to the attention of CBT that Customer's port is inoperable. If such port remains inoperable for more than eight (8) hours after Customer has notified CBT that such port is inoperable, CBT will credit Customer's account for an amount equal to one-thirtieth (1/30) of the applicable monthly charge for such port. The same credit will apply for each additional eight (8) hour period that the port remains inoperable.

6.3 The total amount of all credits for any one (1) inoperable port will not exceed the monthly port charge for such inoperable port. The credit referred to herein shall be CBT's entire liability and Customer's exclusive remedy for any damages resulting from such inoperable port. The above-mentioned Repair and Response policies do not apply to any CBT Telephone facility outages (ISDN, T1, Frame Relay Network, LAN Advantage, Integrated Advantage).

7. LAN ADVANTAGE REPAIR – RESPONSE TIME.

7.1 CBT will use its best efforts to repair any inoperable LAN Advantage® port within four (4) hours after a reactive or proactive trouble ticket is opened with CBT that such port is inoperable. If such port remains inoperable for more than eight (8) hours after a trouble ticket has been opened, CBT will credit Customer's account for an amount equal to one-thirtieth (1/30) of the applicable monthly charge for such port. The same credit will apply for each additional eight (8) hour period that the port remains inoperable. The total amount of all credits for any one (1) inoperable port will not exceed the monthly port charge for such inoperable port. The credit referred to herein shall be CBT's entire liability and Customer's exclusive remedy for any damages resulting from such inoperable port.

7.2 CBT offers a two (2) hour response time for inoperable ports at a customer's location at an additional charge to Customer. If Customer elects the two (2) hour response time option, CBT will repair any inoperable LAN Advantage® port at the customer's location within two (2) hours after a reactive or proactive trouble ticket is opened with CBT that such port is inoperable. If the applicable response time is exceeded (for a reason other than reasonable "down time" for updates to and preventive maintenance of CBT's network), CBT will credit Customer's account \$100.00 for each additional hour that the port at the customer's location remains inoperable. In no event will the total amount of such credits exceed the monthly port charge for such inoperable port. The credit referred to herein shall be CBT's entire liability and Customer's exclusive remedy for any damages resulting from such inoperable port.

7.3 Performance Standards of the LAN Advantage® Network are as follows:

	<u>Response Time</u>
Mean time to respond at the port level	30 minutes
Mean time to repair at the port level	2 hours

Response Time shall mean that CBT is aware of the problem, and a ticket is opened either reactively or

proactively and CBT is beginning to take action to resolve the issue.

8. LIMITATIONS ON LIABILITY.

8.1 CBT will not be responsible for damages, malfunctions or failures caused by (a) Customer's failure to follow any operation or maintenance instructions provided by CBT to Customer; (b) Customer's repair, modification to or relocation of equipment used to provide service hereunder, or attachment to such equipment of equipment not approved by CBT; and (c) abuse, misuse or negligent acts of Customer. Customer may request CBT to perform repair service for Customer in such instances on a time and materials or contract basis. Customer will not be held responsible by CBT for damages, malfunctions or failures caused by (a) CBT's failure to follow any operation or maintenance instructions provided by Customer to CBT; (b) CBT's repair, modification to or relocation of equipment used to provide service hereunder, or attachment to such equipment of equipment not approved by Customer; and (c) abuse, misuse or negligent acts of CBT.

8.4 IN NO EVENT WILL CBT BE LIABLE FOR SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO LOST PROFITS, SAVINGS OR REVENUES, EVEN IF CBT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. FOR PURPOSES OF THIS SECTION, "CBT" IS DEEMED TO INCLUDE CINCINNATI BELL TELEPHONE COMPANY LLC, ITS PARENT CBT INC. AND THEIR RESPECTIVE SUBSIDIARIES AND AFFILIATES, AND THE DIRECTORS, OFFICERS, EMPLOYEES, AGENTS, REPRESENTATIVES, SUBCONTRACTORS AND SUPPLIERS OF EACH OF THEM.

1. **Deliverables.** Deliverables are listed on signature page. All implementation services will be provided to Customer by either an onsite Cincinnati Bell Telecommunications Services LLC ("CBTS") technician or a remote CBTS Partner Programmer depending on the installation requirements.
2. **Equipment Use; No Rights of Ownership.** Customer acknowledges that CBTS is providing equipment as identified on the signature page ("Equipment") and software required for the Equipment to operate as part of this service for the specified term. In addition, Customer acknowledges that the Equipment and software belongs to CBTS and therefore none of the Equipment constitutes Customer property nor does Customer have any claims to title or ownership of the Equipment or software. Customer shall not permit any Equipment to be installed in, or used, stored or maintained with, any real property in such a manner or under such circumstances that any person might acquire any right in such Equipment paramount to the rights of CBTS by reason of such Equipment being deemed to be real property or a fixture thereon. Customer shall, promptly upon the reasonable request of CBTS, obtain a written acknowledgment from the owner, landlord and/or mortgagee of the premises at which the Equipment is located that such owner, landlord and/or mortgagee will not at any time assert any interest in such Equipment or that such Equipment constitutes part of real property. Customer shall, at CBTS' request, affix to the Equipment in a prominent place any tags, decals or plates furnished by CBTS indicating CBTS' ownership and Customer shall not permit their removal or concealment.
3. **Equipment Location; Inspection.** Customer will at all times keep the equipment in its sole possession and control. The Equipment shall not be moved from the location(s) stated in this Agreement without the prior written consent of CBTS with the exception of handsets, which may be moved within Customer's premises without notifying CBTS. CBTS technicians must move all other equipment, which will incur a T&M cost to Customer. CBTS shall have free access to the Equipment at all reasonable times for the purpose of inspection. Customer shall immediately notify CBTS of all details concerning any damage to, or loss of, the Equipment arising out of any event or occurrence whatsoever including, but not limited to, the alleged or apparent improper functioning or operation of the Equipment.
4. **No Alterations.** Customer may not make alterations, including the removal of components, or add attachments to the Equipment.
5. **Upgrades.** CBTS at its sole discretion may upgrade or replace the equipment as long as the initial functionality is, at a minimum, maintained.
6. **Proper Use; Maintenance.** Customer shall not use the Equipment in any manner or for any purpose for which the Equipment is not designed or reasonably suitable. Customer shall comply with all governmental laws and regulations regarding the operation and use of the Equipment. CBTS shall, during the term of this Agreement, keep the Equipment in good working order and condition, and ensure that qualified personnel perform all necessary maintenance and repairs. REPLACEMENT PARTS MAY BE NEW, USED, REMANUFACTURED OR REFURBISHED. Any removed parts will become the property of CBTS. Warranty work will be performed during normal business hours, Monday through Friday, 8:00am to 5:00pm Eastern Standard Time excluding CBTS' holidays.
7. **Warranties.** CBTS PROVIDES THE EQUIPMENT "AS IS" AND, NOT BEING THE MANUFACTURER OF THE EQUIPMENT, MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE EQUIPMENT'S MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.
8. **Risk of Loss on Customer; Insurance.** Until the Equipment is returned to CBTS at the end of the term, Customer assumes responsibility for all risks of physical damage to or loss or destruction of the Equipment. During the term of this Agreement, Customer, at its own expense, shall keep in effect an insurance policy, which insures against all risks of loss or damage to the Equipment from every cause whatsoever and is in an amount not less than the replacement cost of the Equipment. CBTS, its successors and assigns shall be named as additional insureds and loss payees on such policies, which shall be written by an insurance company of recognized responsibility which is reasonably acceptable to CBTS. Customer hereby irrevocably appoints CBTS as Customer's attorney-in-fact coupled with an interest to make claim for, receive payment of, and execute any and all documents that may be required to be provided to the insurance carrier in substantiation of any such claim for loss or damage under such all risk insurance policy, and to endorse Customer's name to any and all drafts or checks in payment of the loss proceeds. Such policy shall provide that no less than thirty (30) days written notice shall be given CBTS prior to cancellation of such policy for any reason. Evidence of such insurance coverage shall be furnished to CBTS no later than the installation date. In the event sufficient evidence of such insurance coverage is not provided to CBTS on or before the installation date, CBTS shall have the option of obtaining insurance coverage on behalf of the Customer and billing Customer an additional amount for such coverage.
9. **Damage to or Loss of Equipment.** If any piece of Equipment is rendered unusable as a result of any physical damage to, or loss or destruction of, the Equipment, or title thereto shall be taken by any governmental authority under power of eminent domain or otherwise, Customer shall give CBTS immediate notice hereof and this Supplement shall continue in full force and effect without any abatement of monthly charges. CBTS shall determine, within fifteen (15) days after the date of occurrence of any such damage or destruction, whether such Equipment can be repaired. In the event that the piece of Equipment cannot be repaired or such Equipment was lost, destroyed or title thereto taken, Customer shall pay to CBTS the present undepreciated value of the Equipment within fifteen (15) days of such assessment. Upon payment of such amount, Customer's obligations to pay further monthly charges will end with respect to such piece of Equipment (but not with respect to any remaining Equipment or services).

10. **End of Term; Equipment Return.** Unless Customer purchases the Equipment as explained in Section 11, at the termination of this Agreement and/or Supplement for all Equipment, CBTS shall have the right to enter Customer premises during normal business hours on the pre-scheduled de-installation date to pick up the equipment. The Equipment must be in the same operating order, repair, condition and appearance as on the installation date, reasonable wear and tear only excepted.

11. **Purchase of Equipment.** The customer may, at their option, purchase the equipment. The purchase price is the fair value of the equipment after month thirty-two (32) of the Agreement. The fair value is estimated to be equal to four (4) month's payment and will be billed in four (4) equal installments beginning in month thirty-three (33). If Customer exercises the option to purchase, CBTS shall transfer title to Customer "as-is, where-is," without representation or warranty of any kind. Following such Equipment purchase by Customer, the monthly fees for subsequent months will only include maintenance charges, i.e., no charges for the Equipment and software. If the Customer chooses not to purchase the equipment, they will need to notify CBTS in writing prior to the beginning of month thirty (30) of the Agreement.

12. **Maintenance.**

12.1 Maintenance includes preventive maintenance as deemed appropriate by CBTS and remedial maintenance, including replacement parts, required for Products used under normal operating conditions.

12.2 CBTS may access your system remotely for the purpose of performing repairs to Products during maintenance situations. Customer will cooperate with CBTS in such situations by making remote access available to CBTS for this purpose. If a Customer location is outside of CBTS' local operating territory, which includes Greater Cincinnati and Greater Dayton, Customer will provide, at Customer's expense, a telephone line into the switch that will be used solely for this purpose.

12.3 Maintenance does not cover repair for damages or malfunctions caused by: (1) use of non-CBTS furnished equipment, software or facilities with the Products; (2) unauthorized modification of the Product; (3) Customer's failure to follow installation, operation or maintenance instructions, including Customer's failure to permit CBTS timely remote access to the Products; (4) failure or malfunction of equipment, software, or facilities not serviced by CBTS; (5) actions of non-CBTS personnel; or (6) Force Majeure conditions as stated in this Agreement. If Customer requests, CBTS at its sole option may perform repair or other services not covered by this Maintenance to Customer's Product at CBTS' standard rates for such service.

12.4 Customer agrees to notify CBTS prior to moving a Product from the location where it is installed. Additional charges may apply if CBTS incurs additional costs in providing Maintenance as a result of the move.

12.5 Post Warranty Maintenance is a minimum of twelve (12) months and automatically renews annually for twelve (12) month periods.

13. **Termination of Maintenance Following Purchase.** Customer may terminate maintenance of Equipment it has purchased pursuant to Section 11 at any time by giving CBTS a minimum of thirty (30) days advance written notice, however there will be a termination charge equal to all remaining amounts due or to become due, including but not limited to all monthly charges for which Customer would have been responsible if the Customer had not terminated prior to the end of the initial or renewal term.

14. **No Resale.** Services provided hereunder are for Customer's own use and shall not be resold or provided to third parties.

If no such date is scheduled, CBTS will schedule delivery and installation based on CBTS' normal product delivery and installation intervals. If Customer is unable or unwilling to have the products installed on the originally scheduled installation date, CBTS may initiate billing for amounts due hereunder as of the originally scheduled installation date. Product prices may change if Customer delays installation by more than thirty (30) days after the originally scheduled installation date. In such case, Customer may be billed the CBTS prices or charges in effect on the actual date of installation unless CBTS has elected to initiate billing as of the originally scheduled installation date. If Customer delays delivery or installation by more than thirty (30) days after the originally scheduled delivery date or installation date, CBTS may, at its option, cancel the order and/or bill Customer for Cancellation charges as set forth in this Agreement.

17. **Site Preparedness.** Customer agrees, at its sole expense, to provide the proper environment and electrical and telecommunications connections for the products.
