RULES AND REGULATIONS

13. Deposits

The District may require a minimum cash deposit or other guaranty to secure payment of bills. Service may be refused or discontinued for failure to pay the requested deposit. Interest, as prescribed by KRS ~~218.400~~ ^{218.400}, will be paid annually either by refund or credit to the customer's bill, except that no refund or credit will be made if the customer's bill is delinquent on the anniversary date of the deposit.

The required deposits may be returned after one (1) year if the customer has established a satisfactory payment record for that period. If a deposit has been returned and the customer fails to maintain a satisfactory payment record, a new deposit may then be required. The District may require a deposit in addition to the initial deposit if the customer's classification of service changes or if there is a substantial change in usage. Upon termination of service, the deposit, and any interest earned and owed will be credited to the final bill with any remainder refunded to the customer.
