All Larger Meters

Actual Cost

A 1 inch, 1 1/2 inch or 2 inch meter tap will require a deposit of \$1,000.00, a 4 inch meter tap will require a deposit of \$5,000.00 from the customer at the time a request is made for service. The amount charged for the meter tap will be the actual cost incurred by the district. If the costs incurred by the district are less than the deposit, the customer will have the difference refunded. If the costs incurred by the district exceed the deposit, the customer will owe the difference to the utility. The deposit is for installation of service and will be in addition to the customer deposit that is collected that insures payment for water usage.
