WATER LEAK ADJUSTMENT POLICY

In the event of a Water Leak, which the system deems is beyond the reasonable control of the customer, there may be adjusted as follows:

A. Water Leak will be adjusted using the following formula:

1. The average usage of the customer for the previous twelve months shall be determined plus 10,000 gallons over the average. Then the excess of the current period shall be charged at the current wholesale rate, with the Difference credited to the customers account.

OF KENTUCKY
EFFECTIVE

2. If a twelve month average is not available for the customer, the average usage will be determined by the average usage of all customers in the same class and then calculated

B. Such an adjustment will only be made (1) time in a given twelve month period. If more than one break occurs within the same period any additional adjustment must be approved by the governing body of the water system.

C. In order to qualify for a water leak adjustment the consumer must meet one or all the following.

1. If repair work is performed for hire, a copy of the billing invoice must be submitted at the billing office.

2. If the repair is performed by the homeowner, a copy of receipts for purchased parts should be submitted at the billing office.

3. Verification by system authorized field representative that he has met with the consumer and can verify a leak.
