RE: CommPartners, LLC's Request for Withdrawal of Certification and Tariffs
Administrative Case 359

Dear Commission Clerk:

Please be advised that CommPartners, LLC has not provided intrastate telecommunication services pursuant to the authorization issued by the Commission in the above proceeding. The Company is currently going through a bankruptcy reorganization and has determined that it will not provide intrastate services in Kentucky in the foreseeable future. Therefore, the Company is requesting that the Commission discontinue or cancel its certification/registration and tariffs, effective immediately.

Because CommPartners has not been providing service in Kentucky, there are no customers who will be affected by this cancellation. For the purposes of any annual reporting requirements, the Company hereby advises the Commission that there were no services provided in 2010 and accordingly, no intrastate revenues were received by CommPartners.

If you have any questions, please contact me or Carol Lisowski, Regulatory Compliance Manager, at 702-367-8647 X7500.

Thank you for your assistance in this matter.

Sincerely,

Gregory Roeper
President

TARIFF FORMAT

- A. Sheet Numbering - Sheet numbers appear in the upper right corner. Sheets are numbered sequentially. However, new sheets are occasionally added to the tariff. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between sheets 14 and 15 would be 14.1.
- B. Sheet Revision Numbers - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current sheet version on file with the Kentucky Public Service Commission. For example, the 4th revised Sheet 14 cancels the 3rd revised Sheet 14. Consult the Check Sheet for the sheet currently in effect.
- C. Paragraph Numbering Sequence - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:
- 2.
 - 2.1
 - 2.1.1
 - 2.1.1.A
 - 2.1.1.A.1
 - 2.1.1.A.1.(a)
 - 2.1.1.A.1.(a).I
 - 2.1.1.A.1.(a).I.(i)
 - 2.1.1.A.1.(a).I.(i).(1)
- D. Check Sheets - When a tariff filing is made with the Kentucky Public Service Commission, an updated check sheet accompanies the tariff filing. The check sheet lists the sheets contained in the tariff, with a cross reference to the current revision number. When new pages are added, the check sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk(*). There will be no other symbols used on this page if these are the only changes made to it. (i.e., the format, etc. remains the same, just revised revision levels on some pages). The tariff user should refer to the latest check sheet to find out if a particular sheet is the most current on file with the Kentucky Public Service Commission.
