Upon receipt of this information, this Commission will review the effect of the revised base rate on the operations of Equitable Gas Company and will, prior to the effective date of the revised base rate, but not less than thirty days from the date of the filing of the above-prescribed information, issue its Order setting out the purchased gas adjustment that Equitable Gas Company shall apply to its rate.

In the event there is a decrease in purchased gas costs or refund, Equitable Gas Company shall file the information required in 1, 2, and 4 above.

Upon receipt of this information, the Commission shall review the proposed reductions, and within thirty days from receipt of the information required, issue its Order setting out the proper refund and/or revised rate.

The maximum amount of the adjustment so prescribed shall not produce revenue adjustments based upon the actual preceding twelve-month period greater than the difference between the purchased gas bill at the then existing rate and the purchased gas billed at the revised rate.

The base rate for purchased gas for the application of this Purchased Gas Adjustment Clause is:
