period, or the Company expects the volumes to change substantially, the Company may make appropriate adjustments to its calculations. Any adjustment of this type shall be described in the quarterly Gas Cost Recovery Report.

2. The "GCR" is the total of the expected gas cost and all adjustments.

3. The "Calendar Quarters" are: January, February and March; April, May and June; July, August and September; and October, November and December.

"Reporting Period" means the three-month accounting period that ended approximately 60 days prior to the filing date of the updated gas cost recovery rates, i.e., the calendar quarters ended March 31, June 30, September 30 and December 31 of each year.
