- (1) A copy of the tariff effecting the change in the base rate and a statement relative to the effective date of such proposed change.
- (2) A statement setting out the details of gas purchased under the provision of the base rate for the previous 12 months showing billing under the base rate and under the proposed revised rate applicable to this service.
- (3) A statement setting out the details of gas sold for the previous 12 months.
- (4) A balance sheet as of the end of the latest 12-month period and a statement of operating expenses and revenues in the same detail as reported to this Commission in Justiceville's annual report.

RULES AND REGULATIONS

In the event there is a decrease in purchased gas cost or refund, Justiceville shall file the information required in 1, 2, and 4 on page 3.

Upon receipt of this information, this Commission will review the effect of the revised rate on the operation of Justiceville and will issue its Order setting out the purchased gas adjustment that Justiceville shall apply to its rates.

The maximum amount of the adjustment so prescribed shall not produce revenue adjustments, based upon the actual proceeding 12-month period, greater than the difference between the purchase gas billed at the then-existing rate and the purchased gas billed at the revised rate.

On and after the effective date of this rate schedule, if any increase or decrease is made in the rate at which Justiceville gas suppliers sell gas to Justiceville, the unit charges of the aforesaid rate schedule shall be increased or decreased by a purchased gas adjustment determined as follows:

- (1) Gas purchases will be determined by Justiceville under supplier's applicable rate schedule during a period of 12 calendar months ending within 3 months preceding the month of the effective date of the supplier's rate change.

RULES AND REGULATIONS

Such purchases shall be:

- (A) at the base supplier rate
- (B) at the new supplier rate

The difference between these amounts shows the total change in purchased gas costs.

- (2) The total change in purchased gas costs shall be divided by the actual number of cubic feet of gas sold by Justiceville during said 12-month period, yielding the purchased gas adjustment expressed in cents per cubic feet, unless Justiceville's gas loss exceeds 5 percent. The unit charge or credit so determined shall be the purchased gas adjustment applicable to consumer billings.

In instances where the gas loss exceeds 5 percent, the actual gas sales shall be divided by 95 percent, yielding the maximum allowable gas purchases. The maximum allowable gas purchases shall be multiplied by the base supplier rate and new supplier rate with the difference yielding the total allowable change. The total allowable change shall then be divided by the actual number of cubic feet of gas sold by Justiceville during the said 12-month period, yielding the unit charge or credit approval to consumer billings.

- (3) The new supplier rate shall become the base supplier rate to be used in measuring the effect of any subsequent supplier rate change. Each such subsequent change shall be treated in the same manner as set forth above for the establishment of a new purchased gas adjustment and for the establishment of a new base supplier rate.

RULES AND REGULATIONS

In the event that Justiceville receives from its suppliers a refund of amounts paid to such suppliers in respect of a prior period, Justiceville will apply to the Commission for authority and, upon receipt thereof, make adjustments on the amounts charged to its customers under this provision as follows:

- (1) The "refundable amount" shall be the amount received by Justiceville as a refund. Such refundable amount shall be divided by the number of cubic feet of gas that Justiceville estimates it will sell to its customers during the 4-month period commencing with the first day of the month following receipt of the refund, thus determining a "refund factor".
- (2) Effective with meter readings taken on and after the first day of the second month following receipt of the refund Justiceville will reduce by the refund factor so determined any purchased gas adjustment that would otherwise be applicable during such period provided, that the period of reduced purchased gas adjustment will be adjusted, if necessary, in order to refund as nearly as possible the refundable amount.
- (3) In the event of any large or unusual refunds, Justiceville may apply to the Commission for the right to depart from the refund procedure herein set forth.
