RULES AND REGULATIONS

Discontinuance of Service

The utility may refuse or discontinue service to an applicant or customer, after proper notice for failure to comply with its rules and regulations or state and municipal rules and regulations. Service shall be discontinued when a dangerous condition is found to exist on the customer's or applicant's premises, when a customer or applicant refuses or neglects to provide reasonable access to premises, for fraudulent or illegal use of service, or for nonpayment of bills. If discontinuance is for nonpayment of bills, the customer shall be given at least ten (10) days written notice, separate from the original bill, and cut-off shall be effected no less than twenty-seven (27) days after the mailing date of the original bill unless, prior to discontinuance, a residential customer presents to the utility a written certificate, signed by a physician, registered nurse, or public health officer, that such discontinuance will aggravate an existing illness or infirmity on the affected premises, in which case discontinuance may be effected not less than thirty (30) days from the date the utility notifies the customer, in writing, of state and federal programs which may be available to aid in payment of bills and the office to contact for such possible assistance.

Deposit Requirements

The required deposit will be 2/12 of the annual bill. (Total of the previous 12 months bills divided by 12 X 2) If no prior service has been available at a particular residence, an estimated deposit will be required based on the connected load.

The deposit must be paid in full prior to turning on gas service.

A receipt of deposit showing the name of the customer, location of the premises occupied, date and amount of deposit will be given at time of deposit payment.

Interest in the amount of 6% per annum is paid on all deposits from the date of deposit.

Budget Billing

Customers have an opportunity to sign agreements with the company for spreading billing evenly over a twelve month period. The billing is based on estimated consumption made by a company representative. In May, the end of the twelve month period, the difference between payments and actual usage is adjusted by adding or crediting the difference of the regular gas service bill. A copy of the agreement is made a part of the Company's Rules and Regulations.

THIS AGREEMENT, made in duplicate between Mt. Olivet Natural Gas Co., Inc., a Kentucky Corporation with its principal office at Mt. Olivet, Kentucky (hereinafter called the "Company") and \_\_\_\_\_ (hereinafter called the "Consumer") located at \_\_\_\_\_.

WITNESSETH:

That in consideration of Consumer's request to make gas service payments under the Company's Budget Payment Plan, the Consumer shall pay the Company at a fixed amount each month in lieu of monthly billings based on actual usage; whereby, any difference in the actual amount due and the fixed amount paid each month shall be payable in full each year upon receipt of the June billing.

It is further agreed:

1. The Consumer agrees that if at any time the Rate under which the Company purchases gas service at wholesale is modified, the Company may make a corresponding modification in the rate for service hereunder and the budget payment amount shall be adjusted accordingly.
2. The Consumer agrees that if at any time the Rates and/or Terms and Conditions as set forth in the Company's Rate are adjusted or changed and said adjustments and/or changes are approved by the Kentucky Energy Regulatory Commission said adjustments and/or will become effective and supercede, cancel and replace rates and/or terms and conditions provided in existing rate prior to the effective date as set forth in the Energy Regulatory Commission's Order approving the adjustments and/or changes.
3. The Consumer agrees that monthly budget payments are subject to change where a trend develops indicating the amount set up is insufficient to result in a reasonable balance due in the June Billing Period; at which time, the difference in the fixed amount and actual cost of gas service is payable in full.
4. It is agreed that the Consumer shall make payment each month in the full amount of the Budget Payment as stated herein, irregardless of any accumulated charges credits for actual use. The accumulated charges or credits shall be adjusted on the June billing. Should the Consumer fail to make such budget payments by due date, service will be discontinued and entire balance becomes due and payable before service is restored. The Consumer shall be ineligible for future billings under the Budget Payment Plan.
5. This agreement shall continue from year to year, unless terminated by either party giving to the other notice in writing, subject to the provision stated in #4 above.

THEREUPON, it is agreed that \_\_\_\_\_ (Consumer) shall pay to Mt.
