PURCHASED GAS ADJUSTMENT CLAUSE

The rate adjustments requested hereunder shall be based upon the wholesale cost of gas to the Company as computed upon rates of its wholesale supplier under Federal Energy Regulatory Commission tariffs for interstate business. For the purpose of this purchased gas adjustment provision, current wholesale rates shall be considered as the base rate for purchased gas. In the event there is an increase in this base rate, the Company shall within thirty days from the time it receives notice of the proposed change file with this Commission the following information:

- (1) A copy of the Federal Energy Regulatory Commission tariff effecting the change in the base rate and a statement relative to the effective date of such proposed change.
- (2) A statement setting out the details of gas purchased under the provisions of the base rate for the previous twelve months showing billing under the base rate and under the proposed revised rate applicable to this service.
- (3) A balance sheet as of the end of the latest twelve month period and a statement of operating expenses and revenues as reported to the Commission in the Company's Annual Report.
- (4) Such other information as the Commission may request for a proper determination of the purchased gas adjustment.

Upon receipt of this information the Commission will review the effect of the revised base rate on the operations of the Company and will prior to the effective date of the revised base rate, but not less than thirty days from the date of the filing of the above prescribed information, issue its Order setting out the purchased gas adjustment that the Company shall apply to its rates.

In the event there is a decrease in the purchased gas price or a refund, the Company shall file the information required in 1, 2, and 4 above.

Upon receipt of this information the Commission shall review the proposed reductions and within thirty days from receipt of the information required, issue its Order setting out the proper refund and/or revised rates.

The maximum amount of the adjustment so prescribed shall not produce revenue adjustments, based upon the actual preceding twelve month period, greater than the difference between the purchased gas billed at the then existing rates and the purchased gas billed at the revised rates.
