INSPECTIONS

.01 Electric Distribution System Inspection.

Berea College Electric Utility Department has adopted the following procedure for the inspection of its electrical system. A systematic inspection shall be performed in the manner set out below.

By agreement with Kentucky Utilities, they will perform all inspections on our system on facilities with a primary operating voltage of 69KV or greater.

- (a) At Intervals Not to Exceed Six Months. Underground network transformers and network protectors in vaults located in buildings, or under sidewalks, shall be examined for leaks, condition of case, connections, temperature and overloading.
- (b) At Intervals Not to Exceed Two Years. Electric lines operating voltages less than 69 KV (including insulators, conductor, and supporting facilities).
- (c) Other Facilities.
 - (i) Utility buildings will be inspected for compliance with safety codes at intervals not greater than one year.
 - (ii) Construction equipment will be inspected for defects wear and operational hazards, at intervals not greater than quarterly.

RESIDENTIAL CLASS I ELECTRIC BUDGET PLAN

.01 General.

Berea College Electric Utility has a budget plan available for the convenience of its residential customers who have been receiving service for a minimum of twelve months. The plan is designed to help equalize payments for electric service over a period of months, normally July through June for service rendered June through May. On the last month of the budget payment period (June) appropriate adjustments shall be made relative to any difference in the customer's total payments actual usage billing amounts. Any resultant overpayment shall be refunded on the June bill. Any resultant underpayment shall appear on the June bill and be due with payment of such bill.

.02 Review.

The customer's account shall be reviewed periodically and the monthly payment amount may be adjusted during the budget period because of changes in electric usage and/or approved rate changes.

.03 Continuance.

It is understood that this budget billing plan will continue until the customer notifies Berea College Electric Utility in
