**SECTION V — METERING Cont'd**

**22. Meter Tests.**

All meter tests shall be made in accordance with rules issued by the Public Service Commission of Kentucky.

**SECTION VI — BILLING AND PAYMENT**

**23. Billing Periods — Time and Place for Payment of Bills.**

Bills ordinarily are rendered regularly at monthly intervals, but may be rendered more or less frequently at Company's option. Non-receipt of bills by Customer does not release or diminish the obligation of Customer with respect to payment thereof.

The word "month" as it pertains to the supply of service shall mean the period of approximately thirty days between meter readings, as fixed and made by Company. Meters are ordinarily read at monthly intervals but may be read more or less frequently at Company's option. Company shall have the right to establish billing districts for the purpose of reading meters and rendering bills to customers at various dates. A change or revision of any Rate Schedule shall be applicable to all bills on which the initial monthly meter reading was taken on or after the effective date of such change or revision, except as otherwise ordered by The Public Service Commission of Kentucky.

Bills are due on the date indicated thereon as being the last date for payment of the net amount, and bills are payable only at the Company's offices or authorized agencies for collection. If a partial payment is made, the amount will be applied to items of indebtedness in the same order as they have accrued.

**24. Charge for Restoring Service for Non-Payment of Bill and Unlawful Use of Service.**

Company may charge and collect in advance the sum of one dollar (\$1.00) for reconnecting a Customer's service after service is disconnected because of non-payment of bill when due. In case service is discontinued because of fraudulent use thereof Company may charge and collect the sum of one dollar (\$1.00) and in addition thereto the expenses incurred by Company by reason of such fraudulent use, together with an estimated bill for electricity used, before the service is reconnected.

**25. Temporary Discontinuance of Service.**

If any Customer on a residential rate, because of absence or otherwise, shall notify Company in writing to discontinue service, Company will make no minimum charge for any full meter reading period during the period of discontinuance; provided, however, that Company may charge and collect the sum of one dollar (\$1.00) prior to reconnecting a service which was discontinued at Customer's request within the preceding twelve months.

**26. Selection of Rate Schedule.**

When a prospective Customer makes application for service Company will, upon request, assist in the selection of the Rate Schedule most favorable to Customer for the service requested. The selection will be based on the prospective Customer's statement as to the class of service desired, the amount and manner of use, and any other pertinent information.

**27. Change to Optional Rate Schedule.**

A Customer being billed under one of two or more optional Rate Schedules applicable to his class of service may elect to be billed on any other applicable Rate Schedule by notifying Company in writing, and Company will bill Customer under such elected Schedule from and after the date of the next meter reading. However, a Customer having made such a change of Rate Schedule may not make another such change within the next twelve months.

**SECTION VII — DEPOSITS**

**28. Deposits.**

Company maintains the right at any time to require Customer to make a reasonable deposit in advance to secure the prompt payment of bills, as provided by law.

**SECTION VIII — APPLICATION**

**29. Application of Service Regulations and Rate Schedules.**

All Service Agreements at present in effect or that may be entered into in the future are made expressly subject to these Service Regulations and any modifications hereof that may be lawfully made, and subject to all applicable existing Rate Schedules and any lawfully made changes therein, substitutions therefor or additions thereto.

**30. Agents Cannot Modify Agreement.**

No agent has the right to amend, modify or alter the application, rates, terms, conditions, rules or regulations as filed with the Public Service Commission of Kentucky, or to make any promise or representation not contained in the Company's schedules, supplements thereto and revisions thereof, lawfully filed with said commission.
