PUBLIC SERVICE
COMMISSION

Ms. Helen C. Helton
Executive Director
Public Service Commission
P O Box 615
Frankfort, KY 40602

Dear Ms. Helton:

3100400

Pursuant to the Commission's Order dated December 27, 1999 in Case No. 99-176, which was effective January 1, 2000, the Canada Mountain gas storage facilities of Delta Natural Gas Company, Inc. ("Delta") were included in the calculation of Delta's base rates and removed from Delta's Gas Cost Recovery Clause calculations. Delta has filed tariffs reflecting the Commission's order. As a result of this change, Delta and Deltran, Inc. ("Deltran"), Delta's subsidiary, have, effective January 1, 2000, terminated their Gas Storage Agreement dated January 1, 1996, and their Lease Agreement dated January 1, 1996, both of which related to the Canada Mountain field and are now unnecessary given the Commission's decision in this recent order.

Deltran has on file with the Commission its Rates, Rules and Regulations for furnishing Underground Natural Gas Storage Service. Deltran's only customer was Delta. Deltran hereby withdraws said Rates, Rules and Regulations of Deltran, which were issued November 30, 1995, and we request that the Commission appropriately remove and cancel them. This includes Deltran's tariff sheets Original No. 1 through 6, which comprise all of Deltran's tariffs.

Delta intends to proceed with the dissolution of Deltran as it is now inactive.

Sincerely,

Connie King
