RULES AND REGULATIONS

**PURCHASED GAS ADJUSTMENT
APPLICABLE TO ALL RATE SCHEDULES**

The rates authorized herein are based upon the wholesale cost of gas to the Applicant as computed upon rates of its wholesale suppliers then currently in effect under Federal Energy Regulatory Commission tariffs for interstate business or under wholesale tariffs of this Commission. For the purpose of this purchased gas adjustment clause, these rates shall be considered as the base rate for purchased gas. In the event there is an increase in this base rate the Applicant shall file with this Commission the following information:

(1) A copy of the Federal Energy Regulatory Commission tariff or wholesale tariff of this Commission effecting the change in the base rate and a statement relative to the effective date of such proposed change.

(2) A statement setting out the details of gas purchased under the provision of the base rate for the previous twelve months showing billing under the base rate and under the proposed revised rate applicable to this service.

(3) A statement setting out the details of gas sold for the previous twelve months.

(4) A balance sheet as of the end of the latest twelve-month period and a statement of operating expenses and revenues in the same detail as reported to the Commission in the Utility's Annual Report.

(5) Such other information as this Commission may request for a proper determination of the purchased gas adjustment.

In the event there is a decrease in purchased gas costs or refund, the Applicant shall file the information required in 1, 2, and 4 above.

Upon receipt of this information, this Commission will review the effect of the revised rate on the operation of the Applicant and will issue its Order setting out the purchased gas adjustment that the Utility shall apply to its rates.

**PURCHASED GAS ADJUSTMENT
APPLICABLE TO ALL RATE SCHEDULES**

The maximum amount of the adjustment so prescribed shall not produce revenue adjustments based upon the actual preceding twelve-month period, greater than the then existing rates and the purchased gas billed at the revised rate.

On and after the effective date of this rate schedule, if any increase or decrease is made in the rate at which Company's gas suppliers sell gas to the Company, the unit charges of the aforesaid rate schedule shall be increased or decreased by a Purchased Gas Adjustment determine as follows:

(1) Gas purchases will be determined by the Company under supplier's applicable rate schedule during a period of twelve calendar months ending within three months preceeding the month of the effective date of the supplier's rate change. Such purchases shall be:

(a) At the Base Supplier Rate

(b) At the New Supplier Rate

e1-80

(2) The difference between the amounts so determined shall be divided by the number of cubic feet of gas sold by the Company during the said twelve-month period, unless purchases is in excess of 105% of total sales. In such instance, said difference shall be divided by sales plus five (5) percent. The unit charge or credit so determined, expressed in cents per cubic feet, shall be the Purchased Gas Adjustment applicable to consumer billings.

(3) The new supplier rate shall become the Base Supplier Rate to be used in measuring the effect of any subsequent supplier rate change. Each such subsequent change shall be treated in the same manner as set forth above for the establishment of a new Base Supplier Rate.

In the event that the Company receives from its supplier a refund of amounts paid to such supplier in respect of a prior period, the Company will apply to the Commission for authority and upon receipt thereof make adjustments on the amounts charged to its customers under the provision, as follows:

(1) The "Refundable Amount" shall be the amount received by the Company as a refund. Such Refundable Amount shall be divided by the number of cubic feet of gas that Company estimates it will sell to its customers during the four-month period commencing with the first day of the month following receipt of the refund, thus determining a "Refund Factor".

(2) Effective with meter readings taken on and after the first day of the second month following receipt of the refund, the Company will reduce by the Refund Factor so determined any Purchased Gas Adjustment that would otherwise be applicable during such period. Provided, however, that the period of reduced Purchased Gas Adjustment will be adjusted, if necessary, in order to refund as nearly as possible the Refundable Amount.

(3) In the event of any large or unusual refunds, the Company may apply to the Energy Regulatory Commission for the right to depart from the refund procedure herein set forth.

The base rate for purchased gas for the future application of the Purchased Gas Adjustment Clause is: \$1.58 per MCF.

GAS SERVICE RESTRICTION AND GAS LIMITATION POLICY

Tariff sheet numbers ___ through ___ remain in effect except as modified by tariff sheet numbers ___ through ___ which shall control from and after the effective date hereof.

1. After March 1, 1974, the Company will not initiate service to any new residential and small commercial customers, location or service point, except as specifically provided for in these rules or in the Order.
2. After March 1, 1974, the Company will not initiate service to any new applicant for industrial and large commercial gas service and will deny applications for increased requirements of any existing industrial or large commercial applicant.
3. If a residence served with gas in accordance with the rules of the Company is vacated, gas service will be restored to such residence provided it is reoccupied within twelve (12) months from the time it was vacated.
4. When a commercial structure that was previously served with gas is vacated, gas service for the same or equal annual volume will be restored to such structure provided it is reoccupied within twelve (12) months from the time it was vacated and provided the entitlement of gas service has not been transferred in accordance with paragraph six (6) of these rules.
5. If the use of gas for industrial purposes at any premise is discontinued, gas service for such purposes, in quantities no greater than that previously used, will be restored, provided service is resumed within six (6) months from the date of discontinuance, and provided entitlement to gas service has not been transferred in accordance with paragraph six (6) of these rules.

6. Entitlement of gas service under these rules will not be transferable from one service area to another or from one location to another within a given service area except in the following cases:
- (a) The change in location is forced by action of a Governmental Agency. (If the applicant for transfer is itself a Governmental Agency, the agency which forces the transfer must be a different Governmental Agency from the applicant.)
 - (b) There exists sufficient identity of ownership or control of the premise or premises from which the transfer is made and the premise or premises to which the transfer is to be made, has the same classification of use that the applicant can demonstrate and guarantee to the Company's satisfaction that the gas entitlement will terminate at the old location and that the transfer will result in no net increase in connected load or gas usage.
7. If, on the basis of evidence available to it, the Company concludes that a customer has violated one or more of these rules, it will give notice in writing to the customer of the indicated violation(s) at the customer's address or at the location served, and will undertake to arrange a conference to effect a satisfactory solution. If the customer fails or refuses to appear at such a conference under reasonable conditions and within a reasonable time, the Company shall have the right to suspend his gas service until corrective action has been taken. If, pursuant to such conference, one or more violations are found to have occurred, and if, the customer fails or refuses to correct or discontinue said violation(s), such customer's gas service will be subject to termination upon 15 days' further written notice.
8. In the event of further emergency curtailment of quantities of gas from the Supplier allocated to the Company, the emergency quantities allocated to the Company will have precedence over the Company's Gas Limitation Policy. C1-80
